MANY THANKS — Luke Wegienka, Assistant Superintendent of Schools and a member of the New Boston Rotary Club, presents Bonnie Wood, treasurer of the Huron High School Social Service Club, a check from the Rotary to financially help the Social Service Club operate its recreational program at Huron High School this summer. Jean Carlberg, Social Service Club sponsor, happily observes the presentation.

Huron High Offers Summer Programs

NEW BOSTON — For most school-aged children, summer is a time of rest, relaxation and no studying. However, this is not the case with students who are participating in the Arts and Crafts and recreation programs scheduled at Huron High School this summer.

Social Service Club is sponsoring this program every Wednesday from 9:00 a.m. until noon for all interested students in the first through sixth grades.

Two sessions have already been held. The program will continue until August 5. Group leaders for this recreation program are senior

high school students who are members of the Social Service Club.

Miss Jean Carlberg, sponsor of the club, supervises the program. At least two mothers attend each meeting to help out.

The New Boston Rotary Club donated \$25.00 to the Social Service Club to help defray operating expenses.

Nancy Tillotson, president of the club and a senior at Huron High, expressed her thanks to the Rotary Club.

Compensation for Election Inspectors and Chairmen was increased by five dollars by a unanimous vote of the Council. The Board of Canvassers received a similar compensation increase.

Council also voted that the policy relative to appointments of persons to a board and/or commission be based on qualifications irrespective of other boards and/or commissions that the person may at that time be serving on.

Council Appoints Canvassers

ROMULUS — Four persons were appointed to the Board of Canvassers by the Romulus City Council last week. Other action by the Council made policy changes effective immediately.

Newly-appointed to the Board of Canvassers were Mickie Lopota, Dorothy L. Ball, Marie DeBusscher and Carole Bales. The first two appointments expire on December 31, 1971; the others expire December 31, 1973.

Commissioner Bizek Details Past Civic Accomplishments

ROMULUS — Commissioner Edmund Bizek, who is seeking re-election to the Wayne County Board of Commissioners from the 24th District, this week issued a statement of his past activities in Romulus and in Western Wayne County.

Bizek won his seat on the

Edmund Bizek

County Board in November 1968 after having served in civic and public affairs for 20 years.

Commissioner Bizek noted that his District is physically the largest in the County, encompassing the Townships of Sumpter, and Van Buren, the cities of Romulus, Wayne and Belleville, and portions of Taylor, Westland, and Dearborn Heights.

Since 1950, Bizek said that he has held a number of elective positions including the following: Democratic Precinct Delegate 1950-70; Romulus Board of Education, 1954-57; Romulus Township Treasurer, 1955-63; Romulus Township Supervisor, 1963-69; member of the Wayne County Board of Supervisors by virtue of the Township Supervisor's office; and Wayne County Commissioner, 1969 to present.

Bizek said that it was

during the time that he was Romulus Treasurer and Supervisor that the Township experienced great growth.

Bizek recalled how in 1957 water was brought into 90 percent of the residences and how in 1959 sanitary sewers were developed.

In 1963, Bizek said that he formed the first Romulus Industrial and Commercial Development Committee that has led to the development that is now taking place in Romulus.

Bizek said that it was he who hired a professional police officer as chief of Romulus Police in 1964, and it was in 1968 that the voters approved the millage for a full-time city force.

In 1964 he formed a Building and Site Committee that later purchased 16 acres of land, which is being used as the site of the Municipal complex. Included in this

building program are a library, administrative offices, a police station and court facilities.

Bizek said that it was he who in 1966 initiated the first City incorporation petitions, which eventually resulted in Romulus voters approving city status.

On the community level, Bizek had been active in the Boy Scouts, the March of Dimes, the United Foundation, the Romulus Goodfellows. He is now serving as president of the Romulus Kiwanis and has been the president of the Romulus Parent-Teacher Association.

On the Wayne County Board of Commissioners, Bizek serves as chairman of Transportation, and Industrial Development Committee, and is a member of the Ways and Means (Continued on Page 3)

Romulus Board Backs Bussing Of Cory Pupils

ROMULUS — Despite the protests of a group of Briarwood Townhouse residents, the Romulus Board of Education stood by its decision to bus the Briarwood children to the new Merriman School.

In the last year, the children from this development attended the Cory School, which was located across Wayne Rd. from the Townhouse complex.

Voicing the parents' point of view Monday night was David Delozier of the Townhouses. He said that he could not see bussing children that are not only within walking distance, but within site of the Cory School.

Trustee William Oakley said that any one school

holds only so many children, then transfers have to be made.

With the transferring of the Townhouse children, the children can board the bus at a central location within their development, and then ride six miles to the Merriman School.

Oakley said that if other children from other areas were transferred, it would involve setting up a bus route, making a number of stops,

and perhaps transferring buses.

School Board President Carl Morris said that his children have been bused and transferred in the District for the past 20 years. Morris also pointed out that the Briarwood children will be taken to the most modern facility in the whole school district.

Morris also said that the Board was fully aware that all the District Schools were on

the verge of being overcrowded and that a number of transfers are being made this year.

Morris said that the Board has planned ahead, and has purchased the land for future schools. However, until the voters approve a bond program, the District cannot proceed with the building. The March defeat of the bond proposal delayed again the possibility of a new school, he said.

Another member of the

Briarwood group said that he had received calls saying that because the project was for low-income families, these people had no right to complain. This sentiment was re-echoed by another who said that she believed the Board deliberately singled out the Briarwood people.

To both these allegations, Morris replied that neither were true in any way. Oakley added that the decision was made on the one that was the most practical and fairest to all.

Smith Believes Small Cities Can Aid Wayne County

BELLEVILLE — Royce E. Smith said that he is a big man from a small city who thinks that he—and it—can be a good example to Wayne County's biggest governmental agency — the county itself.

Smith, who stands 6-4 and weighs 250, is the Mayor of Belleville (pop. 3000), and he said that he is seeking a chance to back his words with deeds by asking voters to send him to the "big city" as County Commissioner of the 24th District.

The title may be different, but the job is not unfamiliar, said the 54-year old parttime city mayor and fulltime manager for the local Atlantic Richfield Co. (Sinclair) distributorship.

The GOP Is Heard

Anthony (Bill) Bielecki has kicked off his campaign for State Senator in the 13th District. Bielecki, unopposed in the Republican primary, will face the winner of the Democratic primary, either incumbent State Senator William Faust or challenger Rep. Vincent Pettipren.

For details see page 1-B of this week's edition.

A Democrat, Smith served as a member of the old Wayne County Board of Supervisors, before their title was changed to Commissioners, for four years and eight months leading up to the board's reorganization.

"I sat on committees for Health & Apportionment, Standing Committee (all chairmen), Ways & Means, Civil Service sub-committee and was chairman of the Drain Committee one year, and I don't believe I missed two meetings in all that time," says Smith, a former buck sergeant with the U.S. Air Force.

Smith said he believes he and his small city can teach the big county something.

"It's simply in being honest with the taxpayer and their dollars," Smith says.

"Some agencies spend too much money and think they are doing good with it, and don't even know the difference," he explains. "The governing bodies have too many individuals in there exercising power plays for the money, while others go along because they've self hypnotized themselves into thinking they're providing services that somebody is literally demanding of them."

"In either case, it adds up to a big waste, and the Wayne

County government is one of the most classic examples of both offenses that I can think of," he said.

"In Belleville, we've never had to resort to using the State Equalized Assessment roll, and last year we cut taxes two mills. We felt that was the difference in how many dollars we were getting over what the people had actually voted for, and we didn't have to put them back this year either."

"It's simply a matter of being realistic and honest with the taxpayers and yourselves!" he said.

Smith, who seeks to unseat incumbent Edmund Bizek in the Democratic primary on Aug. 4, says that one of the biggest faults he finds with the present office holder is that Bizek is one of the champions of larger salaries for the County Commissioners.

"He was making \$17,500 a

City Employees Elect Bargaining Committee

ROMULUS — The employees of the City of Romulus, members of Council 23 of the AFL-CIO, chose officers for the 1970-71 year.

Elected were: Jack Cant, president; Mary Deyoung; Geraldine Sanders, secretary; Ray C. Wood, treasurer; Frank Mientkiewicz, sergeant-at-arms; Rita McLendon and Rose Thurston, trustees.

Elected stewards were Marianne Pomeroy, Gary Kadam, and Walter Kusak, with Elizabeth Martin selected as alternate.

Heading up the bargaining unit will be Mrs. Pomeroy, Mary Carter, Kusak, Mrs. DeYoung, and Mrs. Sanders.

The new officers were sworn in by the Local's Union representative Leon Carroll.

Community College To Use Romulus High

ROMULUS — The Wayne County Center for the Community College is scheduled to begin registration this fall, announced Mrs. Lorena Burton, State and Federal Program Director. "We have had many inquiries about the college program and our community school concepts," she said.

and Thursday evenings from 6 p.m. to 10 p.m. beginning in September. Among the course offerings being considered will be a Law Enforcement class.

NEW SHRUBS — The east side of the Township Hall has a new look because of the shrubs donated and planted by John Bentley of Bentley's Nursery of Van Buren Township. Township officials admiring the plants are from the left City Clerk Erma Payne, Township Treasurer Fred Birk, and Township Supervisor Edward C. Stoelton.

Kelsey-Hayes Names Matthias Controller

ROMULUS — Arnold A. Matthias, 39, received a bachelor of science degree in administration and accounting from the University of Iowa in 1952. After two years in the Army, he joined Kelsey-Hayes in 1954. He has worked ever since in the corporate financial and accounting office in Romulus, Michigan.

In 1968, Matthias completed work on his master's degree at Michigan State University. In 1969, he was named staff controller for the company's non-automotive vehicle group.

Now, with the expansion of Kelsey Axle, he moves to Elkhart as full-time controller of the division. In addition to the Elkhart headquarters plant, the division also has facilities in Chino, California; McMinnville, Oregon; and Montezuma, Georgia.

Matthias is married and has two children. While working at Kelsey's corporate headquarters, he and his family resided in Plymouth, Michigan.

A native of Sac City, Iowa,

Morris Demands Incumbent 'Own Up' To Performance

ROMULUS — Carl Morris, candidate for Democratic nomination as 38th District State Representative, said this week that he will make "no personal or personality attacks, but that incumbent Edward Mahalak should 'own up' that certain efforts through the legislature to solve public education problems are not of his doing. . . . 'even the inadequate ones!'"

"I've always tried to approach problems professionally and logically, not on a personality basis, in the 21 or so years I have been connected with public education," Morris said. "But I believe in giving either credit or blame where it is due."

"In relation to the incumbent's comparisons of his 'performance' and mine — and his query as to why his record 'even needs improving' — he has mentioned recent passage of House Bill 3871 which allows Romulus city and schools to retain taxes on privately operated profit businesses at Metro Airport."

"And he has mentioned 'special benefits' for the school districts which received students from the dissolved Sumpter School system."

"In both instances there are other individuals who must share any credit or blame for the events, and I would not like to take what is due from any of them. But, for the 38th District, the record is this:

"House Bill 3871, which the incumbent refers to as saving municipal airport taxing privileges, is a clarification of Public Act 189."

"That Act 189 was obtained through the efforts of former Romulus school superintendent Bill Simmons, former Romulus school board member Jack Wilson, and myself, working through the County Prosecutor's office, back in 1953 when the airport first started to expand."

"We felt the Romulus school district and township should have the right to tax that property. We worked the bill to and through the legislature, and then we fought it in court for five years, before being legally cleared to take the tax."

"House Bill 3871 was brought about recently when a Michigan circuit court judge made a ruling on a business (rental cars) at a municipal airport that would tend to prohibit our communities from continuing to collect that tax."

"Mr. Mahalak did vote for that bill, however, it was arranged and introduced through the efforts of Mr. Moshier, Romulus school attorney; Bob McConeghy, Romulus school superintendent; Dan Manthe, our legislative agent for County Intermediate School Board, and myself."

"We had it introduced by George Montgomery Sr., a ranking committee member of the State Taxation Committee. I was in contact when it passed in the House. And I was in contact also when Senator Bill Faust got it through the Senate 33-0. The incumbent spoke for it and voted for it, but he did not arrange it, introduce it or sponsor it."

"As for the dissolved Sumpter School system, it is not a pleasant point to me — not do I consider it a constructive solution to the problems of under financed districts."

"I have been on the Wayne County Intermediate Board of Education 13 years and Romulus school board 21 years. I have worked closely with legislatures and our own agency officials for many years in efforts to find solutions to tax reform and financing of public education."

"I have respected the incumbent in his fields. I thought that, although he was not a lawyer, he tried hard as a justice of the peace before being elected to Lansing six years ago. I have even said that I think the areas he has worked most in in Lansing — namely traffic safety and veterans' benefits — are of value to citizenry."

"However," he added, "my field is public education, operating, financing and dealing with the many tax aspects related to it, and I expect the incumbent to respect my qualifications in this field."

"I remind the taxpayer that public education is primarily the State's responsibility, that it is because the State has failed to meet that responsibility, the state has pushed it back on the local taxpayer, that local taxes are unbearable any further and the crisis still is not resolved, that Sumpter residents are now basically deprived of their own locally controlled schools, and that, I fear, several other districts, including some in the 38th House District, may suffer similar fates."

"A metropolitan daily, as far as I am concerned, spelled out the recent history of the Legislature rather appropriately this past week in a headline which read: 'It died as it lived — in anger!'"

"I am not angry at anyone, only at what is wastefully not being done," Morris said. "And I repeat what I've said before:

"I respect the position as Representative and know that I am qualified or I would not ask for it. But if voters will elect me and we cannot get more done, than has been accomplished during the incumbent's six years in office, nobody will have to chase me in an election. I will step aside and help someone else try!"

Kline Backs Senator Faust

ROMULUS — Charles K. Kline has issued a statement declaring that the present incumbent Senator William Faust has his full backing and support for re-election in the August 4th primary. "It shall be only through men such as Senator Faust that the highest degree of leadership, integrity, and earnest forthright desire can be brought into active motion at the State level."

"The people of Romulus have had a hard working leader representing a large populace area in Lansing, and due to his efforts the gains that we have seen, felt, and are utilizing reflects on the efforts that the Senator has put forth and on the efforts that he shall continue to put forth," Kline stated.

"It is in this due regard that I whole-heartedly support Senator Faust for re-election and ask the people of this area to do the same. We must have those people who are duly qualified and able to meet and challenge the pressing needs and wants of the people in these trying times. Senator Faust has shown that badly needed spark of leadership, honesty and integrity that we all are looking for, and shall continue to do the same in the years to come."

All people interested in helping Senator Faust in his campaign for re-election please call Charles K. Kline, 941-5677. Kline is the acting president of the Romulus Democratic Club.

CITY OF BELLEVILLE COUNCIL MINUTES

COUNCIL MEETING
REGULAR MEETING JULY 6, 1970

A Regular Meeting of the City Council for the City of Belleville, County of Wayne, and State of Michigan was called to order by Mayor Smith, with Councilmen Palmer, Hamlin, Boone and Amerman present.

Motion by Hamlin, seconded by Palmer, that the minutes of the regular meeting held June 15, 1970 be approved.

Carried unanimously.

Motion by Boone, seconded by Amerman, that the City Treasurer's report for the month of June 1970 be accepted.

Carried unanimously.

Mayor Smith re-appointed Edward Ellward to the Civil Service Commission, term to expire July 1, 1974.

Motion by Amerman, seconded by Boone, that the Mayor's appointment be confirmed.

Carried unanimously.

Letter from Robert A. Hay was received and read to the City Council and was referred to the City Planning Commission for their early action.

Mr. William Currier reported the trouble with two (2) men and a midget at the Currier Marina, and complained of the action taken by the Belleville Police Department.

A delegation of property owners voiced their opinion on the Amendment to Map Area 27C, presently zoned R-T district, being changed back to the original status of B-3 District. Petitions were turned over to the City Council.

Motion by Hamlin, seconded by Amerman, that the meeting be adjourned.

Carried unanimously.

Irwin W. Stech,
City Clerk.

Mahalak Reports Lansing Makes Education Progress

LANSING — State Representative Edward E. Mahalak (D) Romulus reports that the 1970 session of the legislature is one which made significant gains in the area of education.

"I feel that the Legislature faced the problems we have in education and took necessary action to solve many of them," Mahalak said. "There are still needs, but we will work to meet those needs in the future. They must be met because education is vital to the future of our state."

One of the final appropriation bills approved by both the House and Senate before the summer recess was the school aid bill, Mahalak reported. "The school aid bill comes to a record \$969,326,000," Mahalak said.

Two educational reform measures have already been signed into law by the Governor, Mahalak said. "One of them establishes a State Neighborhood Education Center Authority, appointed by the Governor, for the development of locally-operated programs to aid school dropouts," he explained.

"The other authorizes a statewide program of assessment of educational progress, the followup development of remedial programs in reading and mathematics, and the establishment of a vocational education demonstration program which will include computer counseling technique."

Mahalak added, "We appropriated as much as possible, within the limits of available state revenues, for our state universities and colleges and to assist the system of community colleges which I consider a vital link in our educational system. We also, however, recognized the problem of campus unrest and violence by passing legislation to give colleges and universities greater authority to deal with unruly students and non-students on campus."

A bill passed in the House and pending now in the Senate, he said, would require all schools in the state, starting with the seventh grade, to offer instruction on the effects of narcotics and other drugs.

Other legislative efforts

Royce Smith

(Continued from 1-A)

years at the County that it is not a fulltime job, and the present \$10,000 salary is completely adequate for the time required — and possibly too much. There may be a few weeks a year, just before budget, that meetings are required every day, but that's all.

"The County Commissioners are supposed to be legislators — not administrators — but they certainly aren't in any class comparative to State legislators, who receive \$15,000 a year and must do a lot of traveling and living away from home."

The 24th District which Smith seeks to represent at County level contains a cluster of portions and full Western Wayne communities including Wayne, part of Westland, part of Taylor, part of Dearborn Heights and Van Buren Township as well as Belleville, Romulus, and Sumpter.

Ironically, the three major candidates for the Democratic nomination come from Belleville, Romulus and Taylor and represent the smaller population factions of the district. There are no candidates from Wayne or Westland which hold over half the anticipated vote for the County job.

Smith says that circumstance is already providing both interesting and educational to him:

"I'm campaigning up there at every opportunity and, by gosh, I'm about deciding that some of those other small cities could teach the County people a lesson in money management, too," he says, laughing.

"Of course, they aren't as efficient as Belleville yet, but they're doing a heck of a lot better with their money than the County is with the share of taxes it's taking from the same people!"

were in the area of improvements in special education, greater financial aid for underprivileged children's education, a pilot program for year-around

school, authorization of state tuition grants for students in private institutions of higher learning, and increased emphasis on the studies of ecology," Mahalak said.

Romulus Lowers Tax Rate 1.2 Mills

ROMULUS — The Romulus Board of Education voted Monday night to reduce the millage levied on District residents for the 1970 tax levy by 1.2 mills.

This year Romulus residents will be paying taxes based on the levying of 31.60 mills (\$31.60 per \$1000 assessed valuation of property).

This coming year residents will be taxed at the rate of 30.40 mills.

The Board of Education was able to take this action because the amount of assessed valuation in the school district increased by \$24 million within the past year.

Stationed

ROMULUS — Navy Fireman Daniel E. Cavanaugh, son of Mr. and Mrs. Ovid F. Cavanaugh of 12751 Harrison, Romulus, is serving in the South China Sea aboard the Pacific Fleet Destroyer, USS James C. Owens.

Sgt. Toth Discharged

NEW BOSTON — Raymond M. Toth, former Sergeant in the Army, returned from Vietnam and was honorably discharged July 5.

Toth, who lives at 21944 Merriman Rd. in New Boston, was stationed in Pleiku, Vietnam. Prior to that, he spent a year in Fort Knox, Ky.

A 1965 graduate of Huron High School, Toth received the Army Commendation for Service and a Bronze Star.

Bizek

(Continued from 1-A)

Committee, of the Legislative Committee, of the Public Works Committee, of the Policy Committee on Crime Control and Prevention, of the Southeast Michigan Council of Governments Committee and of the Planning and Capital Improvement Committee.

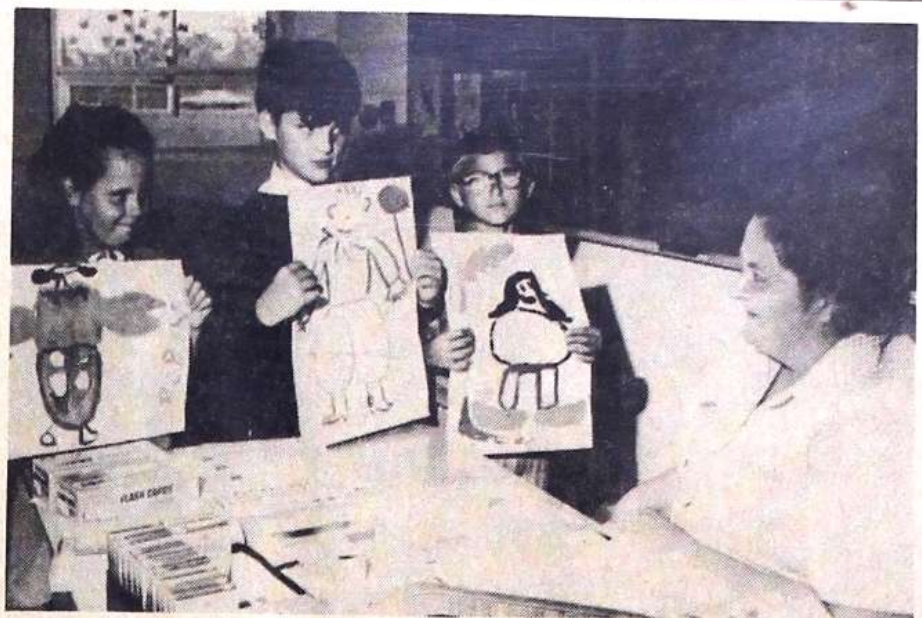

Bizek has received the backing of the 15th District Democratic organization, of the Romulus Democratic Club and of Council 23 of the AFL-CIO.

Born and raised in Detroit, Bizek and his wife moved to Romulus in 1939. The father of three, he is a member of St. Aloysius Church.

City Seal Selected

ROMULUS — After a two-month search for a City Seal, the City Council named Gary Barton, 9325 Ozga Road as winner of the City Seal Contest.

For his efforts, Barton will be awarded a fifty dollar savings bond.

IT'S ALL ORIGINAL ART — Proudly displaying their creative abilities are Robin Lane, Mitchell McHugh and Douglas Modzelewski, all participants in the Huron High School Social Service Club's summer recreation program. Giving encouragement to the budding young artists is Miss Laurel Sietloff, an instructor.

Rhoads Details Issues In Supervisor Race

NEW BOSTON — Doug Rhoads, candidate for the Republican nomination for Huron Township supervisor, this week detailed some of the major issues in this campaign.

Rhoads cited the new sewers as a source of much concern. "The sewers don't go where the people are. The high density areas were neglected with the exception of the village of New Boston," Rhoads said.

"The sewers were routed down past open land in anticipation of future trailer parks," Rhoads said that the township cannot afford trailer parks until the township has more industry. Rhoads said that if he is elected, he would make a complete investigation of this matter.

Rhoads said that he is concerned with the treatment

citizens are receiving at the Township Hall. "All citizens should be treated equally when at the Township Hall; they should be treated as respected members of the community rather than as second class citizens," Rhoads added, "Township employees are there to serve the people of the Township."

Candidate Rhoads cited several issues that he terms "gut issues", because they really affect the people of the Township.

Rhoads said that the baseball fields in the Township are in terrible shape. He said that he plans to have the fields put in proper order for the Little Leaguers, if he is elected.

He said that he is also concerned with what is happening to the dogs at the Township Dog Pound.

Rhoads charged that instead of putting the dogs asleep, the dogs are being transported to Pennsylvania and sold for experimental purposes.

Rhoads said that he had confronted the Township officials with this charge, but he failed to obtain a satisfactory answer.

He said that it was admitted that the dogs were sent to Pennsylvania. Rhoads said that he intends to pursue this matter with the Humane Society.

Romulus Taps Morris As President

ROMULUS — The Romulus Board of Education unanimously re-elected the same slate of officers who headed the Board during the past school year.

Re-elected were Carl Morris of 13599 Huron River Drive, president; Gervasio Canejo of 16321 Dodge, vice-president; Davis Draper of 11019 Elmview, secretary; and Jason P. Lovette, of 35748 Bibbins, treasurer.

Completing the Board are trustees Gerald Budd, William Oakley and Ronald Christensen.

Two Teens Attend WSU

ROMULUS — Two young Romulus musicians are making a daily trek into Detroit to attend Wayne State University's Summer Orchestra program.

Andrea McNally, violinist and Bill Crook, bass violinist, started classes under the leadership of Dr. M. Hochberg July 6. They are receiving instruction and having the opportunity to maintain their musical skills.

Andrea graduated from Romulus High School this spring and plans to enter Eastern Michigan University in the fall. Bill will resume his studies at Romulus High School, beginning his junior year in September.

The Huron Board of Education will meet Monday at 8:00 p.m. in the Huron High School gymnasium.

safety charlie says...

In driving rain or heavy fog, it is better to stay at home or to stop driving if you are caught on the road. Unless you have clear vision ahead, you may drive off the road, crash into a car ahead of you, or collide head-on with an oncoming car. Reduce speed so that you can stop within the distance you can see.

Debates And Drama Highlight Ypsi Festival

YPSILANTI — A Ypsilanti Festival, which will last from July 22 to 26, will be a revival of the old-time Chautauqua that flourished in Michigan and other states during the early 1900's.

Besides the carnival rides and games, the festival will feature exhibits of art and industry, drama presentations, music shows, various contests of skill, and political debates.

Under the sponsorship of the city's civic organizations, the Festival coincides with the Ypsilanti Regatta which this year hosts the National Championships of the National Inboard Powerboat Association.

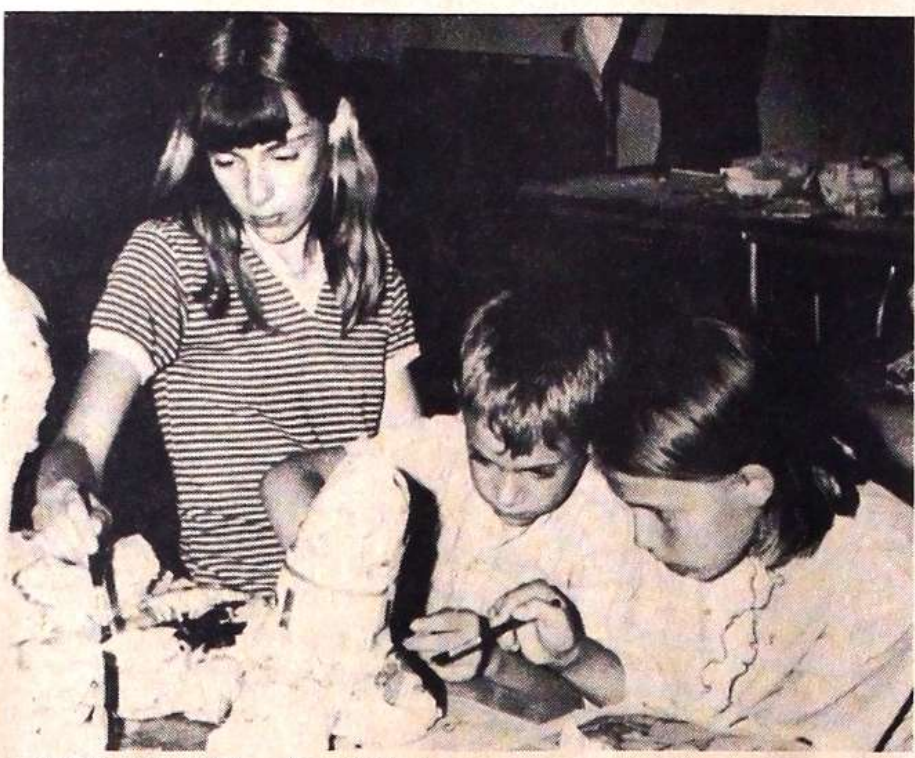

Members of 40 community organizations will man the booths in the fun and games tent, which is located at the Festival site at the corner of Grove and Bridge Roads, east of Ypsilanti. Coming from Wayne County, visitors are to take the Rawsonville exit south from I-94.

The Great Debate will bring students and politicians together as a number of State-known politicians debate current issues with students. Among those invited are Governor William Milliken, Senator Philip Hart, plus other well-known political figures.

A small theater in the round will present one act drama and melodrama done by the Ypsilanti Civic Players and the Eastern Michigan Drama Department.

A Music Festival will be held with two performances scheduled every night. The performing groups will include a wide spectrum of different varieties of music such as country music, classical, barber shop, German band, the big band sound, soul music, rock groups and the Eastern chorus.

Most local industries will be represented at the Exhibit Tent where local products will be on display. Also in this tent will be art works done by the students at local colleges.

PAPER CREATION — An unfinished paper mache creation demands the undivided attention of Sherre Vincent, 13, Jerry Zander, 6, and Kim Vincent, 10. The children are in the arts and crafts program at South Junior High under the sponsorship of Van Buren Township.

Township Rejects Music Festival Request

BELLEVILLE — After much discussion and objections from local citizens, the Sumpter Board of Appeals rejected a request to hold a music festival in the township.

The Board met last Friday night to consider the request to hold a music festival on Wear Road, one-quarter mile east of Rawsonville Road.

Township Supervisor William Gouger added his objections to those of other board members.

"Everyone who reads the papers knows what the music festivals are. They have 93 acres for this event and they expect to have 12,000 cars and 25,000 people. This is not enough land, and we do not have the police personnel to handle anything like this, including the Sheriff's and state police departments," Gouger commented.

Robert Marble, Township Clerk, stated that he was aware of the dope, alcohol and other problems at these events.

"It is apparent we do not have the police to handle such a large crowd," he said.

Marble, also secretary of the Board of Appeals, made the motion to deny the request. The motion was carried unanimously.

According to the Wayne County Health Department, who will administer the inoculations, it is now required by the State that all children entering school be vaccinated against Rubella. Proof of inoculation will be given each child who is vaccinated during the clinic.

Authorities have predicted that the nation will experience an epidemic period of Rubella (German Measles) during 1970 and that the best way to alleviate the danger of contagion is through public immunization clinics.

Rubella or German Measles is a virus infection, frequently so mild in effect as to be hardly noticed, when a youngster is the one infected. But when an expectant mother has the infection, the hazards to her unborn child are grave.

Through widespread immunization programs, the danger of exposure of pregnant women will be minimized through elimination of the disease.

Measles Clinic Set In August

ROMULUS — A one-day measles clinic will be held in Romulus Tuesday, Aug. 4, at the United Methodist Church, 11190 Olive Street. Clinic hours will be between 9 a.m. and 7 p.m. Those eligible for the free vaccine are children who will enter school for the first time this September.

Authorities have predicted that the nation will experience an epidemic period of Rubella (German Measles) during 1970 and that the best way to alleviate the danger of contagion is through public immunization clinics.

Rubella or German Measles is a virus infection, frequently so mild in effect as to be hardly noticed, when a youngster is the one infected. But when an expectant mother has the infection, the hazards to her unborn child are grave.

Through widespread immunization programs, the danger of exposure of pregnant women will be minimized through elimination of the disease.

Moms 'Lose' Gracefully To Cub Scout Sons

ROMULUS — It's one of those things a girl knows by instinct; when she's in a contest with a fellow, she does her nearly best (to keep her self respect) but in the final inning, she lets him win.

Sometimes it's hard to do, because even with all the odds on his side and the gal doing her silliest little losing tricks, she almost wins in spite of herself.

A case in point is a family picnic held by Cub Scout Pack 735, on July 1 in Lower Huron Metropolitan Park. After the 400 or more folks who came sampled the picnic fare and Pack furnished soft drinks, what could be jollier than a Mother and Son Baseball Game?

After all, there were twenty Cubs to keep those six mothers on their toes, and with the Dads umpiring and base coaching, the game was sure to be a rout.

Now, those mothers were a little tired, what with washing, ironing, keeping up with kids now out of school, along with baking beans and making potato salad for the picnic.

At the end of three innings the score stood at 5 to 5, and it looked like it was going a lot higher. That was when the girls got desperate. The next pitch was attacked like the batter was killing rats, and the next and next. "Out!" Hurray! Then came an inadvertent hit saved only by some wrong way base running, and "Out" again. Finally the last batter was able to miss all three pitches, and the side retired.

Needless to say, when the boys came to bat they scored on the first pitch and the

Plan Show

Michigan artists and craftsmen will present an exhibit of paintings, wood sculpture, hand-made jewelry, hand-painted china, decoupage, lapidary, metal sculpture, ceramics and other crafts at Northland Shopping Center from July 30th through August 15th.

Approximately 1000 paintings will be shown on specially constructed display units in the malls of the center. Artists and craftsmen will demonstrate their skills in a variety of materials and mediums.

Also featured will be a number of portrait artists, caricaturists and silhouette artists.

VAN BUREN TOWNSHIP NOTICE OF PUBLIC HEARING

Notice is hereby given that the Van Buren Planning Commission will hold a Public Hearing on the following described properties zoned R1-B (residential) to M-2 (general industrial) and M-1 (light industrial) to M-2 (general industrial) to amend the zoning ordinance No. 9-20-65 by amending the zoning map as follows:

PARCEL: from R1-B (residential) to M-2 (general industrial) in the area of Ecorse and Belleville Roads.

Being part of the N.E. 1/4 of Section 9, Van Buren Township, T. 3 S., R. 8 E., Wayne County, Michigan, comprising the following parcels denoted by Tax Item Numbers: A (37a through 82 incl.), B1, B2, which are bounded by the N. & E. lines of Section 9, and the N. & S. 1/4 line and the E. & W. 1/4 line of said Sec. 9, excepting therefrom the following areas which shall remain as presently zoned, said excepted area being described as follows: A parcel of land lying between the S'ly line of Ecorse Rd. measuring on the West 251.85 ft. and on the East 217.06 ft. from the N. line of Sec. 9, and a line 400.0 ft. South of and parallel to said S. line running from the N. & S. 1/4 line of Sec. 9 to the S.W. corner of Parcel 09A70, being the N.W. corner of Parcel 09A71; thence along a line common to said parcels 09A70 & 09A71, to the E. line of Sec. 9, also a parcel of land lying between the E. line of said Sec. 9 and a line 433.0 ft. W. of and parallel to said E. line running from the line common to Parcels 09A70 and 71 to the E. & W. 1/4 line of Sec. 9, also excluding the S'ly. 12.0 ft. of Parcel 09A48a2 & 49a2.

PARCEL: from M-1 (light industrial) to M-2 (general industrial) in the area of Beck, Belleville, Tyler Roads.

Being part of Sec. 9, Van Buren Township, T. 3 S., R. 8 E., Wayne County, Michigan, comprising the following parcels denoted by tax item numbers: C-D1a-D2a, D2b, D1b, F, E, which are bounded by the following lines, beginning at the East 1/4 corner of said Section 9; thence Southerly along the East line of Section 9 being the centerline of Belleville Road to the S.E. corner of Section 9; thence Westerly along the South line of Section 9 being the centerline of Tyler Road to the S.W. corner of Section 9; thence Northerly along the West line of Section 9 being the centerline of Beck Road to the Northerly East and West 1/8 line; thence Easterly along said East and West 1/8 line of Section 9 to the North and South 1/4 line; thence Southerly along said North and South 1/4 line to the center of Section 9; thence Easterly along the East and West 1/4 line to the East 1/4 corner being the place of beginning, the above parcel being also more commonly known as the South 1/2 of said Section 9 plus the South 1/2 of the N.W. 1/4 of Section 9.

PARCEL: from M-1 (light industrial) to M-2 (general industrial) in the area of: between Van Born and Ecorse Roads on the West side of Belleville Road.

Being part of the E. 1/2 of Section 4, Van Buren Township, T. 3 S., R. 8 E., Wayne County, State of Michigan, comprising the following parcels denoted by Tax Item Numbers: F1, F2, G1a1a-G1a1b1, G1a1a2-G1a1b2-G1a2-G1b, H1, J1, K1, W1, V, X, Y1, Y2, Z, AA1, AA2, BB, FF, GG, HH, JJ, KK1a1, KK1a2, KK2, LL1, which are bounded by the following lines: Beginning at the S.E. corner of Section 4; thence N'ly. along the E. line of said Section 4 being the center line of Belleville Road to the S'ly. line of Van Born Road 66 ft. wide; thence W'ly. along said S'ly. line to the E'ly. 1/8 line of said Sec. 4; thence S'ly. along said 1/8 line to the S'ly. 1/8 line; thence W'ly. along said S'ly. 1/8 line to the W'ly. line of Parcel FF; thence S'ly. along the W'ly. line of said Parcel FF to the S. line of Sec. 4, said line being within the Ecorse Rd. Right-of-Way; thence E'ly. along said S. line of Sec. 4 to the S.E. corner of Sec. 4 being the point of beginning, excepting therefrom all areas of record or use for the rights of the public as roads and public utilities.

A Public Hearing will be held in the Council Room, 46425 Tyler Road, Van Buren Township, County of Wayne, Belleville, Michigan on Wednesday, the 12th day of August, 1970 at 8:00 pm.

Romulus Issues Permits

ROMULUS — Romulus City Hall reported that 82 building permits were issued during June for a total of over \$1 million in new structures.

15 were for two family houses, and 24 for additions and alterations to present structures.

Permits were issued for two industrial buildings at an estimated cost of \$860,000.

Besides building permits, 44 heating and 41 electrical permits were issued.

Little League Finals Held

BELLEVILLE — In an official Little League Tournament Game, the winner of last night's game between Belleville National and Morenci will vie for the chance to go to Williamsport, Pa. and the World's Championship Finals.

The tournament game will be held this Friday, July 17 at 5:30 p.m. at the stadium on Huron River Drive in Belleville.

**The Hudson's
Phenomenon
is coming to
Southland**

Bakers and candy makers are coming to Southland. Wedding consultants and interior decorators. Sales people to help you are coming to Southland. And they're coming with sofas and chairs and carpeting and drapes. With beds and bedding . . . tables and tableware . . . paintings and wallpaper and sculptures and paint. They're coming with dresses from maxi to mini . . . and shoes with platforms and shoes without. They're coming with blazers and boots and ties and topcoats. With sunsuits and rompers and booties and toys. Something for everyone is coming to Southland. Weavers and cleaners and jewelry fixers and shoe repairers. All the fun and services and selection you've traveled miles for is coming right to your own neighborhood . . . with more value, more fashion, more attention, more of everything you expect for your money. The Hudson's phenomenon is coming to Southland. On July 20th. Just take Eureka Road exit off I-75. Come in. And *enjoy* it!

Reddins Welcome Number 9

There's a new baby boy making his home at 12041 Haggerty Road, Belleville — the home of Estel and Reda Reddin. Their ninth child, he arrived July 8 at Riverside Osteopathic Hospital, Trenton, and weighed a mere five pounds — 13 ounces.

Forming the receiving line to welcome him home were Carolyn, 16; Sandra, 15; Cathy, 15; Janet, 12; Tawna, 10; Marty, eight; Paul David, four; and Stephen, three.

Irradiated Food Awaits Approval

Using a cobalt-60 source, Michigan State University food scientists are irradiating meat to keep it fresh longer.

The radiation destroys spoilage microorganisms and delays the natural spoilage process. It would allow you to keep foods longer without the need for refrigeration, for example.

But the process must await approval from government agencies before it becomes part of commercial meat marketing operations.

MRS. RICHARD E. CRESSWELL

Linda Seaman Is Wed

Cape Cod Is Honeymoon Destination For Gorgas

In an afternoon ceremony June 27 at St. Andrew's Episcopal Church, Ann Arbor, Linda Olna Seaman became the bride of Gregory Albert Gorga of Ann Arbor. Close to 200 friends and relatives were assembled for the double ring nuptials read by Mr. Richard Singleton.

The daughter of Mr. and Mrs. Russell Seaman of 42671 Savage Road, Belleville, Linda was escorted to the altar by her father.

For her wedding day, she donned a toe-touching creation of peau de soie with an overlay of sheer organza. Her long sleeves which flared at the wrist, were bordered in Venetian lace as were the high neckline and hem of the gown.

The lace motif was also repeated on the stand-away crescent head piece which secured her shoulder-length veil of silk illusion. Completing her bridal finery was a cascade arrangement of stephanotis.

MRS. GREGORY A. GORGA

How To Send In Wedding Or Engagement News

For newly-engaged couples and for prospective brides we have printed forms to fill out to announce your betrothal and to enable us to write your wedding story completely and correctly.

If you have any doubt as to what information we require to do a story, these forms list all the pertinent questions.

To obtain either an engagement or bridal questionnaire, simply stop by our office, 330 Main street, Belleville, or request one via telephone, OX 7-9191. We'll be happy to mail either form.

We ask that you also bring or send in pictures to accompany either story.

There is no charge for this service.

Janna Wolters Marries

Newly Wed Cresswells Living In California

The garden wedding which Janna L. Wolters and Richard E. Cresswell had planned for June 13 was held in the living room of the Wolters' home due to heavy rains on their wedding day.

The small, intimate ceremony, attended by some 60 close friends and relatives, was read by the Rev. Mitchinson of New Hudson.

Double ring vows were exchanged at one o'clock uniting the daughter of Mr. and Mrs. Robert D. Wolters of 12330 Lake Pointe Pass, Belleville, and the son of Mr. and Mrs. Robert Cresswell of 21930 Brookpark Road, Oakland, California.

Given in marriage by her father, Janna was gowned in white eyelash dotted swiss over slipper satin. The toe-touching creation, made by a friend, Mrs. Jacqueline Carey of New Hudson, was designed in the empire mode. The white velvet ribbon, which circled the waist, cascaded to floor length at the back. Narrow bands of embroidered yellow roses edged in lace were used to accent the high neckline, the cuffs on the long sleeves, and the hem of the skirt.

A band of yellow rosebuds secured her shoulder-length illusion veil and she held an arm bouquet of yellow calla lilies, baby's breath, yellow roses, and white daisies.

All Around The Town

...with Lee

Memories Of Europe

THE GEORGE CRAVENS (all six of them) are back on home soil after an unforgettable tour of London, Paris and Rome.

Traveling via 747 jumbo jet, non-stop from New York's J.F. Kennedy Airport, the Cravens arrived in London in a mere six and a half hours. Staying (appropriately enough) at the Royal Eagle Hotel on Craven Road, they found the hotel personnel had no trouble remembering their name.

While in London, the family rented a Fiat and motored to Felixstowe some 80 miles away on the North Sea. Their destination there was Stradrooke Lodge where Mrs. Craven's mother had lived as a young girl. The present owner, Mr. Wiseman, welcomed them in and showed them through the lovely old home.

Other points of special interest during their time in London included Carnaby Street, Buckingham Palace, the Tower of London, Piccadilly Circus, and various pubs. They also enjoyed the orators at Hyde Park and an evening boat cruise on the River Thames.

Paris via BEA jetliner was less than an hour away so — it was off to France and a visit to the Louvre Museum, entertainment at the Moulin Rouge where one can go on and on, and a breathtaking view of the city from the Eiffel Tower.

Alitalia Airlines took the Cravens to Rome in two and a half hours. The younger set especially enjoyed roaming through the Coliseum and the ruins of the ancient Roman Forum.

Pope Paul holds audiences on Wednesdays at the Basilica of St. Peter and the travelers were there to have some medals blessed for friends. A side trip into the hills away from the teeming metropolis afforded a quaint, picturesque view of the countryside and in the evening the illuminated fountains at Tivoli Gardens were on the agenda.

All too soon, Rome was behind them as they soared back to New York City — this time in eight and a half hours.

It will be awhile before the Cravens — George, Doreen, Diane, David, Jim, and Patty — fully digest all the wonderful places they visited and enjoyed.

Cards, Letters-- Please

WHEN YOU'RE away from home, especially when you're hospitalized in another state, cards and letters are like manna from heaven. A note from Peggy McCarthy, who's in St. Elizabeth Hospital, Utica, New York, 13501, says she'd certainly appreciate hearing from her friends and neighbors "back home."

Mrs. McCarthy (she's the former Peggy Jones) and her husband, John, both received serious injuries following a head-on collision June 13 in Utica, New York. They were enroute to attend his brother's wedding when the accident occurred.

John, who'd been released from the hospital earlier, was re-admitted five days later (when kidney damage was discovered) and discharged again on the 30th of June. He is still unable to travel since his head injury and right arm are not completely healed.

Peggy is undergoing physical therapy for her injured leg and making progress. She also received a concussion and internal injuries and underwent surgery July 2 and again on the sixth.

Mrs. Martha Jones, Peggy's mother, is caring for the four McCarthy children at their home on Wade Road while their parents convalesce.

Weight Watchers Shed Pounds And Inches

Summer is here and how often we hear the lament, "If only I could get into last year's wardrobe — if only I had the nerve to wear shorts so I could be a bit cooler and more comfortable this summer."

Well, Garnet Zilka who lost 59½ pounds as a member of Weight Watchers, reminds those "with a problem" that 70 women and teens in two W.W. classes didn't say "if only." They did something about their woes and started to take off excess poundage during the winter and holidays. They say it was worth it and they ate their way thinner than some have been in a long time.

Some of the group's big losers are from this area and perhaps even a neighbor of yours that you've been watching as she lost weight and you were adding it.

See if you recognize any of the names: Alice Boudrie, 56½ lbs. lost; Edith Barrons, 47 lbs.; Corinee Butler, 59 lbs.; Bonnie Nowicke, 41½ lbs.; Virginia Kime, 54½ lbs.; Iris Derome, 43½ lbs.; Irene Smolen, 29 lbs.; Janet

Warwick, 30½ lbs.; Rose Marie Schoolmaster, 35½ lbs.; Karen Otter, 51 lbs.; and Louise Holt, 35 lbs.

ALTHOUGH WE worry about our teen-agers being overweight, some of them won't have to worry because they are helping themselves to become slimmer for the new fall styles.

Weight Watchers teens include Kara Rossi, 24 lbs.; Celia Christensen, 29½ lbs.; Pam Bartley, 12½ lbs.; Laura Ross, 22 lbs.; Adele Brulez, 40½ lbs.; and the youngest, nine-year old Sharon Zilka, 7½ lbs.

So if you've been saying "if only" instead of pursuing the goals of these ladies and teens, try to lose unwanted pounds by joining the group at St. Paul's Lutheran Church, Ellis and Craig Streets, New Boston, on Tuesday evenings at 7:30 p.m. or Wednesdays at 9:30 a.m. Just come and join these lovelier, thinner ladies for a healthier, happier you.

For additional information, call Garnet Zilka, 753-9519.

4-H Parade Date Set For August

BELLEVILLE — Following a four year tradition, a parade will precede the Wayne County 4-H Fair opening. This year the parade will occur on Sunday, August 16 at 2:00 p.m.

Trophies will be given the winning floats, horse units, decorated car, bicycle and best dressed clown.

All units of the parade are to assemble at Belleville High School, 555 West Columbia at 1:30 p.m. The parade will follow a route from Columbia St. to Main St. and on to Belleville Rd. From there, follow the Service Drive to Quirk Rd. ending at the Fair Grounds.

Any organization or individual is invited to participate in the parade. To enter, send the full name of the club, individual or organization along with a complete address and telephone number and a description of the type of entry to Mrs. Paul Kolver,

9008 Haggerty Rd., Belleville 48111 before August 8.

Persons having any questions should call 729-4396.

Watercolor Exhibit To Open

BELLEVILLE — A Belleville woman will open a watercolor exhibit next Sunday in the main lobby of the University Library on Eastern Michigan University's campus in Ypsilanti.

Bonnie Prouty, of 435 Sumpter Road, is a graduate student at Eastern. She holds a bachelor's degree from Michigan State University.

Included in the exhibit of 25 paintings will be portrayals of birds and beasts.

In time of SADNESS

THE MEMORY
OF ONE GONE
IS PRECIOUS

We strive to cherish that
memory with a beautiful
memorial service that is a
dignified tribute to the deceased.

MISS SLEEP

September Wedding Is Planned

A September wedding at Trinity Episcopal Church, Belleville, is being planned by Debra Kaye Sleep and Roger Dean Miller.

Parents of the young couple are Mr. and Mrs. Russell C. Sleep of 9111 Stevens, Taylor, formerly of Romulus, and Mr. and Mrs. Donald A. Miller of 11508 Pine, Taylor.

Both Miss Sleep and her fiancé graduated from Kennedy High School, she in 1970 and he in 1968. He is currently serving as Airman First Class at Hickham Air Force Base, Oahu, Hawaii.

Singles Club To Hold

Annual Picnic

The Ann Arbor Singles Club will be holding its annual summer picnic July 19 at 3:00 pm at Island Park, which will be potluck with hot dogs and hamburgers furnished. The chairman for this picnic is Miss Joyce Reibert.

There will be live music for dancing after the picnic.

Anyone who is single and over 25 is welcome.

No charge please, this is a non profit organization.

Mrs. Gursky Honored At June Stork Shower

Mrs. Robert Gursky of Belleville, was guest of honor at a June 28 baby shower given by her aunts, Mrs. Garrie D. Houston and Mrs. Robert Simmons at the former's home on Moore St. in Wayne.

Arriving guests were presented with corsages in the same pastel shades as the decorative setting for the party.

Senior Citizens Join Club

BELLEVILLE — New members of the Belleville Senior Citizens Club include Mrs. Margaret Worthington and Mr. and Mrs. Clyde Woods.

A meeting of club officers and interested members will be held tonight at 7:00 p.m. at the David Criss home at 90 Wexford St., Belleville.

Mc Laughlin-Hilliard Vows Exchanged At St. Mark's

Carrying a cascade of white and red gladiolas, Sharon Kay Hilliard walked to the altar of St. Mark Lutheran Church, Ypsilanti, with her father to become the bride of Hunter D. McLaughlin.

Pastor Carl L. Jech presided over the double ring vows before an altar appointed with two vases of white gladiolas.

The two o'clock ceremony July 11 united the daughter of Mr. and Mrs. Melvin R. Hilliard of 10201 Quirk Road, Belleville, and the son of Mr. and Mrs. Robert R. McLaughlin of 46696 Ayres, Belleville.

SHARON APPEARED in a formal bouffant gown of silk organza and Chantilly lace. The little fitted bodice featured a Sabrina neckline and wristpoint sleeves with iridescent sequins adding shimmering accents. Back interest was created with a two-tiered train which fell from the shoulders to cathedral length.

Her illusion veil, cut in mid-back length, was caught to a crown of seed pearls and rhinestones.

Maid of honor, Sandra Riney of Belleville, donned a pale yellow frock of dotted swiss nylon styled with a square neckline and A-line skirt ruffled down the back and around the hemline. Her bouquet of gladiolas was tinted to match her gown.

Wearing a pale green version of the honor maid's dress was a friend from Northville, Diana Parlette, whose flowers were in yellow.

Faces Can't Go Nude

Beauty is in the eye of the beholder. But rare is the beautiful woman who dares go without some makeup — even in this era of the "natural look."

Most women can't be made up professionally each day, but with a few cosmetics, some simple rules and a properly lighted mirror even the "plainest Jane" can be more attractive.

Proper makeup begins with a mirror and good lighting. Saunda, Inc. of Chicago has combined the two ingredients in its famous lighted makeup mirrors, that reverse for magnification. The mirrors give true reflective qualities because they are copper plated before being silvered. For error-free makeup application lights are recessed and diffused for shadow-free illumination without glare.

Before applying any cosmetics, make sure your face is scrupulously clean.

Then apply a foundation. Liquids are the easiest to apply. Choose a shade that picks up the lightest tone in your skin. To apply dot over the skin with the fingertips, forehead, cheeks, nose, chin and upper neck. Then blend both up and across the skin — work from under the chin out to the neck line. Check in the mirror to be sure it is even.

To bring the complexion alive, use a blusher to accent cheeks or other areas you want to play up.

Your eyes are generally the most outstanding facial feature. They should be accented with shadow. Apply as heavily as desired across lower fold of the upper lid, fading out gradually at the brow. Next apply eye liner by drawing an even line just above the upper lashes. Then apply mascara, drawing upward through the lashes, tips being covered a little more heavily.

Finally makeup eyebrows, which should start directly above the inner corner of the eye. The upper brow should be clear and distinct, the lower line softer.

Whether you can wear pale, absolutely nothing lipstick or slightly brighter colors, proper application is a must. Give the lips a clean cut outline and fill in evenly over lips (a lip brush is helpful). For thin lips curve both lips a little and make slightly fuller; if lower lip is heavier, lift color on both lips; if upper lip has a sharp edged cupid's bow, fill in center of bow and lift sloping sides.

You don't have to be a makeup artist when you have the proper makeup mirror. Saunda mirrors come in four models ranging in price from \$17.95 to \$44.95, and are available at most drug and retail stores.

Light Steps To Easy Carpet Care

To keep your carpet in better shape, check these tips from Margaret Boschetti, extension home furnishings specialist with Michigan State University:

—Areas of the room that are used daily should be vacuumed daily. Vacuum the entire carpet once a week.

—Move or change furniture locations from time to time to prevent "dents" in your carpet.

—Remove spots and stains from accidental spills as soon as they occur.

—Reverse area rugs from time to time to equalize long exposure to wear.

—Protect floor coverings from direct sunlight.

"If you follow these steps, and have your rug thoroughly cleaned by professionals once a year, you will add years to its life," says Miss Boschetti.

Best man was the bride's brother, David G. Hilliard. Ushers were another of her brothers, Tim R. Hilliard of Belleville, and the bridegroom's brother-in-law, Arnold Hunter of Westland.

Mrs. Hilliard chose for her daughter's wedding a rose beige dress to which she added a corsage of green tinted carnations. White carnations were pinned to the shoulder of Mrs. McLaughlin's aqua ensemble.

Following the wedding a reception took place in the church hall where Mrs. Arnold Hunter, sister of the bridegroom, took charge of the guest register.

Both young people graduated from Belleville High School, Sharon in 1970 and Hunter in 1966. The new Mrs. McLaughlin is employed in the Belleville High School office and her husband is currently serving with the U.S. Army at Fort Knox, Kentucky.

MRS. HUNTER D. McLAUGHLIN

Belleville Brevities Atlantic City Conference Takes Hoag Families East

By MRS. JOSEPH SPRING
OX 9-4021

Mrs. Frank Hoag of Liberty St. and the Donald Hoag family of Jackson accompanied the Robert Hoag family of Boise, Idaho, to Atlantic City in June where they attended the General Conference of the Seventh Day Adventists held at Convention Hall in that city.

Following the meetings they visited the former's daughter, Mrs. George Wilson, of Wilson, N.Y., and Mr. and Mrs. Ralph Wilson of Ocean City, N.J. They returned home by way of Washington, D.C. after two weeks. Miss Karen Hoag, daughter of the Paul Hoags of Ann Arbor, also accompanied them.

Mrs. Alice Watson left for her home at Spanaway, Washington, on Thursday, July 9, after having spent six weeks with her children, Kenneth, Marvin and Richard Wenzel of Belleville, and Arthur of Milan and their families. Her son, John Wenzel, returned home with her.

Dr. and Mrs. James Jacobs and family of Cincinnati, Ohio, spent the Fourth of July week-end with Mr. and Mrs. Henry Sager. Henry is seriously ill at St. Joseph Hospital, Ann Arbor.

George McAtee of Boston, Mass., spent a week's vacation with his parents, the Vinton McAtees, of Columbia Ave., this past week.

Miss Jane Ralls of Rawsonville Rd. left on June 20 for Clifton, N.J., where she plans to spend the summer vacation with her cousins, Mr. and Mrs. Thomas Gormley and their family.

Mrs. S. C. Pierman and daughter, Mrs. Guy Ransom of East Huron River Dr. were guests over the holiday week-end of Mr. and Mrs. Charles Ransom at the latter's cottage on Gilbert Lake at Wild Rose, Wisconsin.

Mrs. Joseph Spring spent several days this past week with her niece and husband, Mr. and Mrs. A.J. Hasse, at their summer home at Arcadia.

Members of B.P.W. enjoyed a picnic Monday evening, July 6, at the home of Mr. and Mrs. James Savage, Robbe Rd.

Mr. and Mrs. Troye Lambert and family, Mr. and Mrs. Peter Zeestraten and family, Pam and Madelyn Meister, and Debra Vacek enjoyed camping and a canoe trip down the Manistee River from July 1st to the 6th. Mr. and Mrs. Richard Vas Binder and children from Monroe joined them for the week-end.

Lucinda and Karen Jones of Springfield, Ohio, are spending some time with their maternal grandparents, Mr. and Mrs. George Haft, of Church St. Last Wednesday they spent the afternoon and evening with the Gary Jahners of Tecumseh.

Kenneth and Dale Nollf and Robert Tator spent the past week at the Nollf cottage on Long Lake.

Carol Marie Lilly from River Rouge is spending some time with her aunt and uncle, Mr. and Mrs. Chester Adams, of W. Huron River Dr.

Guests Thursday of Mr. and Mrs. Kenneth Mericle of Denton Rd. were the latter's parents, Mr. and Mrs. Miles Berkey, of Toledo, Ohio, and Mrs. Arthur Bellman and children of Utica.

Mr. and Mrs. Paul Hoag and family of Ann Arbor, and the Perry Saunders family of Rawsonville Rd. were Thursday dinner guests of their parents, the Frank Hoags, of Liberty St. The occasion was in celebration of Paul's birthday.

Mr. and Mrs. Vinton McAtee and two children spent the week of June 29 at the Double R Ranch near Belding. Over the week-end they attended the Holiday Rambler Owners' Meeting.

The Rainbow Girls and several of their sponsors, including Mother Advisor Wanda Adams, enjoyed a picnic supper last Wednesday evening at the Harold Clayton home on Bedell St. A special guest was their adopted aunt, Doreene Post.

Recently Wed, Laughlins Tour New England

Double ring vows were exchanged June 20 between Linda Jean Broughton of Belleville and Patrick Thomas Laughlin of 7055 Bonnie Drive, Westland.

The daughter of Mr. and Mrs. Frank Broughton of 40521 Alden Drive, Linda was escorted to the altar by her father. The First United Methodist Church was reserved for the six o'clock ceremony which was read by the Rev. Charles Dibley.

Parents of the bridegroom are Mr. and Mrs. James Laughlin of 1425 Rosada Way, Fort Myers, Florida.

DAISIES AND gladiolas adorned the altar as Linda and Pat spoke their nuptial vows. The bride was gowning in a floor-length frock designed with a baby doll look. Splashed with flowers, the bodice was fitted and the skirt styled in the A-line mode. The chapel train was later drawn up to form a bustle for the reception.

Her elbow-length veil was caught to a Juliet cap which set back on the head and she carried a bouquet of daisies, roses, gladiolas, and baby's breath.

As her sister's maid of honor, Kathy Marie Broughton wore a formal gown of aqua tint designed with a scooped neckline enhanced with daisy trim. The sleeves, empire waistline and paneled train were also accented with the daisy motif. Her bouquet of daisies, roses, and baby's breath was trimmed with aqua streamers.

Debbie Broughton and Vicky Ostrowski, both sisters of the bride; Kay Ellen Laughlin of Fort Myers, Florida, sister of the bridegroom; and junior attendant, Sharon Broughton, another sister, appeared in similar ensembles of copen blue.

Cathy Broughton of Detroit served as flowergirl in a baby blue frock of gathered chiffon over taffeta.

Ringbearer was Bobbie Smith of Rochester.

THE BRIDEGROOM asked his brother, Michael James Laughlin of Boca Raton, Florida, to be best man. The corps of ushers included James Broughton, brother of the bride; Steve Tzineff of Pontiac; Patrick Donnelly of Troy; Orville Schneider of Grand Rapids; and Michael Daly of Lake Orion.

Guests gathered at the P.N.A. Lodge for the reception which followed. Mrs. Broughton greeted friends and relatives in an aqua coat-dress ensemble and corsage of aqua roses and aqua and white daisies.

The bridegroom's mother selected a royal blue ensemble and added a similar corsage in yellow.

Following a tour of the New England States with Hyannis Port as their main stop, the young couple returned to make their home at 7055 Bonnie Drive, Venoy Garden Apartments, Westland.

Linda graduated from Belleville High School and completed two years at Eastern Michigan University. She is currently employed at Kelsey-Hayes, Romulus.

Her husband, an Avondale High School and Port Huron Junior College graduate, earned his B.S. Degree at Western Michigan University and is now with Kelsey Hayes.

Travel Northward

THE LEONARD HUDGES, who are here from Tarpon Springs, Florida to spend a couple months, headed for Northern Michigan recently with her mother, Mrs. William Sietz, along. With Elks Lake as their destination, they visited the vacationing John Bokons of Willis Road for a few days then moved on to Gaylord.

As houseguests of his brother-in-law and sister, the Harold Gorneys (one-time Bellevillites), they also visited with nieces and nephews there, in Elmira, and in Petoskey.

Before returning home they called on other former residents of this area, the Michael Wilczynskis of Auburn, and Joe Greca in St. Helen.

The Huges are making their quarters at the Edward Hudge home while they are in California.

Connie's Home

JOINING HER family, the Robert Cooks of 9569 Morton Taylor Road, after being hospitalized for the past three weeks, was 11-year old Connie Cook, a recent accident victim.

Connie, who'll be a sixth grader at Haggerty School this fall, returned home last Friday from Wayne County General Hospital where she had been in traction since Father's Day. Although she is still confined to a body cast and must undergo future X-rays and exams, she'd enjoy visits from her friends as well as letters and cards.

Eight Candles

THERE WAS a party at the Ron Sierota's Quirk Road home last week which marked the eighth birthday of their eldest daughter, Valerie. The celebration was kicked off with cake and ice cream at Bill Knapp's, Ann Arbor, followed by a series of games and a pizza fest back at the house.

Bringing along their prettiest sleepwear and sharing Val's first slumber party were Kathy Jarrett, Patty Craven, Colette Mendel, Lisa Ross and Cindy Hudge. Also part of the fun for the group was having their voices tape recorded by Val's dad and seeing home movies of the birthday gal when she was just a wee toddler. Then there were also cartoons and other films to take the girls on into their 'gab session'.

Before being chauffeured home the next morning, the girls followed Val and her parents into the garage for an unveiling of her birthday present — a brand new, full-sized bike.

PEDIATRICS — Lisa Elliott, 3, daughter of Mr. and Mrs. Ronnie Elliott, 1048 Helen, Inkster; Ronnie Watson, 4, son of Mr. and Mrs. Thomas Watson, 26334 Elwell rd., Belleville.

Frankie Flock, Jr., of Middlebelt Road had an emergency appendectomy last week. He is now recovering at home after spending five days in Grace Hospital, Detroit.

There will be a new principal this fall at the Beverly School. He is Terrel LeCesne, currently an elementary principal in the Willow Run Schools and formerly Romulus Community Schools District Attendance Supervisor and Junior High Counselor. He replaces Eugene Barr who has been transferred to the new Merriam Elementary School. LeCesne resides on Burns Street, Inkster with his wife and two young children.

Romulus Personals

Camping Trip Is Pleasant Memory For Girl Scouts

By Pearl Morris
Phone WH-1-1187

Senior Girl Scout Troop No. 345 of Romulus returned recently from a camping trip out west. Seven Girl Scouts, Yvette Austin, Grizel Butler, Peggy Harrold, Vera Harrold, Cindy Snyder, Cathy Wilson and Sherill Wonn participated in the outing, accompanied by their leader, Mrs. Harley Savage, and Candy Wonn. The group camped out each night in Illinois, Colorado, Montana or some other state. They visited the Air Force Academy and spent two days in Yellowstone National Park.

Mrs. Harold (Louise) Morris left by air from the local Metro Airport Saturday morning bound for her home in Bradenton, Florida. Mrs. Morris has visited relatives and friends in this area for the past two weeks, among them her brother-in-law, Mr. Elmer Marquardt of Wahman Road, who returned home recently after several weeks in the hospital. He is now convalescing at home.

Out-of-town guests for three days last week at the home of Mr. and Mrs. Charles Kline, 30282 Cherry Street were Mrs. Stanley Kline and sons, Harris and David, of Las Vegas, Nevada. The trio was on a cross country trip from Las Vegas to Washington D.C. Mrs. Stanley Kline is a sister-in-law of Charles Kline.

Wallace Escott of Clinton, Michigan is spending a couple of weeks visiting at the home of his daughter and son-in-law, Mr. and Mrs. Kenneth Eves, Sr. on Huron River Drive South. Over the Fourth of July weekend the threesome was at the Eves cabin at Alger, in Northern Michigan.

Mr. and Mrs. Melvin Wright of Kalamazoo, Michigan are house guests this week at the George Stanton home on Ozga Road. The Wrights are double cousins of Mrs. Stanton. Also visiting the Stantons is her sister, Mrs. Ella Johns of Crystal, Michigan.

Miss Vira Petraska, employee of the Manufacturers National Bank in Romulus, is currently on vacation. One of the places she planned to visit was the Hawaiian Islands.

Mrs. Virgil (Pearl) Varner of Haggerty Road attended a stork shower Tuesday evening in honor of Mrs. Ray (Skippy) Bell who is here from Ecuador, visiting at the home of her parents in Ypsilanti. The shower was given by Joanne Wax of Ann Arbor assisted by co-workers. Pearl and Skippy are former employees of the Parke-Davis Pharmacology Department, Ann Arbor. Bell is now working in Ecuador as a company helicopter pilot.

Mr. and Mrs. Philip Verduco and family of Walnut Street attended funeral services in Saginaw for their father and maternal grandfather, Narico Rodriguez, 81, July 8. Mr. Rodriguez passed away Sunday, July 5. He leaves 15 children, all married; 56 grandchildren and 20 great grandchildren.

Every Litter Barrel Helps

LANSING — Michigan, more than nearly every other state, makes disposal of litter in trash barrels an easy chore for motorists traveling state highways.

A survey by Keep America Beautiful, Inc., showed Michigan maintains more trash receptacles per mile along state highways than any

state except New Hampshire and Rhode Island.

More than 3,200 green trash barrels are maintained along the 9,240-mile state highway system — more than one for every three miles of highway.

West Virginia maintains the most receptacles — 3,500 — but its state highways

system totals more than 31,600 miles.

Michigan's \$100 fine and/or 90-day jail term for littering is average among the states, the survey showed. Virginia allows the stiffest penalty — up to \$1,000.

Michigan's law permits a judge to sentence a litterbug to pick up litter for a specified number of days instead of fining or jailing him.

The Department of State Highways expects to spend about \$1.1 million to retrieve litter this year. More than \$600,000 is spent to pick up bottles, cans, paper, and other items discarded by motorists.

Legionnaires To Convene

Grand Rapids will be the scene of The American Legion's 52nd Annual Department Convention as Legionnaires arrive in this

city to elect a new Commander and officers for the 1970-1971 Legion Year.

Over 3,000 members of the Legion and Auxiliary are expected to be in attendance to the Convention, which runs from July 16-19, 1970.

Council On Ministries Is Tonight

A Council on Ministries meeting for the Romulus and New Boston United Methodist Churches will be held at 7:30 p.m. tonight (Wednesday) at the Romulus church on Olive Street. The Board of Trustees will meet 8 p.m. Thursday evening of this week at the Romulus church.

Highlighting the four day Convention will be Governor William Milliken, keynote speaker, who will open the official Convention Session July 17, 1970 in the Main Civic Auditorium.

Festivities of the Convention include a colorful and tuneful drum and bugle corps competition, a beauty contest and a parade.

Summer Schedule Set For Quirk And South

BELLEVILLE — The summer program, under the sponsorship of Van Buren Township, continues this week at Quirk Elementary and South Junior High School.

It is open to all children between the ages of 7 and 12. There is no registration fee, but parents must accompany their child to the first session to sign the child up. The program runs from Monday through Friday from 10 a.m. to 4:30 p.m.

Children may bring a complete sack lunch and beverage and stay all day, or children may go home for lunch.

Highlighting the activities at Quirk this week will be the showing slides of the moon from the Apollo 11 flight.

Camp For Deaf Set In August

A camp for the deaf and hard of hearing is to be held at Grass Lake, Michigan, near Jackson, from Aug. 16 to 23. The camp is for all ages, though children under nine must be accompanied by adult.

Campers may attend for the full week or for any part of the week. Activities will include a complete recreation program, handicrafts and a banquet.

Those seeking further information should contact Ray L. Jones, 36970 S. Huron, New Boston 48164.

War On Waste

A dab of uncooked ground beef can be put to good use. Just brown it in a frying pan and toss with shredded Cheddar, Swiss or Mozzarella cheese until the cheese melts. It makes a tasty breakfast, lunch or supper item plain, on a toasted bun or between bread slices.

Charles Mundy In Vietnam

BELLEVILLE — Marine Lance Corporal Charles H. Mundy attained his present rating last month. Mundy, the son of Mr. and Mrs. Orville R. Mundy of 76 E. Columbia Ave., Belleville, is serving in

Vietnam with Company E, 2nd Battalion-Seventh Marines, First Marine Division.

His Company, located at Fire Support Base Ross, is

now engaged in protecting a small village of about 980 refugees and about 350 civilians. The Company furnishes the residents of the village with food and supplies when possible.

Yearbook Supplements Available

FRANCISCAN HONORED Brother Andre Poisson, OFM, son of Mrs. Leo Poisson, 3824 Herbey, Belleville, will transfer from the St. Mary Parish in Bloomington, Ill., to the Franciscan Brother's School in Cincinnati, Ohio where he will work in the guidance area.

NEW BOSTON — Huron High School students may pick up their special basketball tournament supplements in room A-102 of the high school between 1 p.m. and 3 p.m. on July 21 or 23.

Extra copies will be available for public purchase for 75 cents at that time.

County Board Elects Morris Treasurer

ROMULUS — Romulus School Board President Carl W. Morris has been elected treasurer of the Wayne County Intermediate School Board.

This past year Morris has served as President of the Intermediate Board.

Also elected at the annual meeting were Norman O. Stockmeyer of Westland, president; Ralph Johnson of Gibraltar, vice-president; Mrs. Helen Field of Highland Park, secretary; and Rev. Darneau Stewart, trustee.

President Norman O. Stockmeyer has served on the Intermediate Board of Education for the past nine years. President Stockmeyer is also chairman of the Board of Governors of the Wayne State University and has served on the Board of Governors since January 1964.

Stockmeyer is starting his twenty-fifth year as an elected Board of Education member. From 1946 to 1961 he served on the Wayne

School District Board of Education and for the past nine years on the Intermediate Board of Education.

The Wayne County Intermediate Board of Education holds its regular meetings on the fourth Wednesday of each month at 9:30 a.m. in Room 1500 Kales Building, Detroit.

The Wayne County Intermediate School District provides consultant and supportive services to 37 local school districts. It also serves as a link between the local units and the Michigan Department of Education.

The Wayne County Intermediate School District continuously examines the needs of the school districts it serves. Services are revised on the basis of local needs, desires, and goals. The goal of the Wayne County Intermediate School District is to improve education for the over one-half million children in Wayne County schools.

GOING UP — Van Buren Township officials view the progress on the General Motors new Truck and Coach Division plant being built in the northwest section of the Township. Hearing a progress report from Allan Seward, project engineer, are from the left Supervisor Edward C. Stoelton, Township Clerk Erma Payne, and Township Treasurer Fred Birk.

'Branding Irons' Show Varied 4-H Talents

NEW BOSTON — The Branding Irons 4-H Club, under the leadership of Mrs. Azel Hensley, has participated in exhibiting animals and 4-H projects at Greenfield Village and at Wonderland Center.

At the Greenfield Village County Fair, the 4-H members showed their animals to more than 40,000 visitors, and answered questions on the age of the animals, their feeding and care.

Brian Otter exhibited a Charolais steer named Lefty, while Gordon Bordt showed his Herford steer called Tiny. Jim and Dennis Simpson showed a pair of twin goats named Mandy and Sandy.

Joan Otter showed a heifer calf named Bonnie, while Dwight Hamilton showed a cow with her calf. Bottling techniques and milking were demonstrated. Chris Fernandez displayed golden pheasants and a litter of pigs.

Sherry York modeled a coat and dress in the fashion show. She had sewn the outfit for the dress review in April, earning a second place award.

Twelve Branding Irons members participated at the Wonderland 4-H Days. Various 4-H groups displayed animals, crafts, sewing, electrical science, and rock jewelry.

Halter making demonstrations were given by Colleen Shine and Chris Fernandez. Jim and Dennis Simpson displayed and bottled their goats. Dawn Duke showed a pair of Nubian goats.

A calf was exhibited by Mark Hensley and Tim York. Kevin Otter showed his red fox, while Joel Newton exhibited rabbits, and poultry.

Belleville Makes European Daily

BELLEVILLE -- Belleville made the big time last week-end as a Belleville dateline story made the Rome edition of the Daily American, an overseas newspaper written in English with world-wide news.

Mr. and Mrs. George Craven of Fisher, Belleville, along with their four children, were returning from Rome aboard a 747 jet airliner, when Craven glanced at a newspaper. He discovered a Belleville story about Barry Lastinger, who parachuted into Belleville to see his parents after a six year absence.

Mrs. Craven said that none of the Craven family had even looked at a newspaper while on their 15-day tour of Europe. "We had been so busy seeing all the cities," she said.

On the plane was the first time that the family had even thought of reading a newspaper, and it was there that they found a story about home, amid stories about Rome and Paris, and next to ads for Rome restaurants.

Mrs. Craven requested that the Belleville Enterprise forward her copy of the Daily American to the Lastinger family to add to their clippings about their son's most unusual way of "dropping in" on his parents.

Nomads Fly To Quebec

ROMULUS — A Romulus couple was among a group of Nomads who spent the Fourth of July weekend in Quebec, the only walled city on the continent.

Mr. and Mrs. Robert McCollough of 9293 Middlebelt Rd. belong to a Romulus based club called the Nomads. The Nomads travel aboard their own clubhouse, a DC-7 airliner. Over the holiday weekend, they wandered through Old Quebec by foot or in a caleche, a two-wheel bouncing carriage.

During the three-day trip, club members saw the charm of French Canada at the Changing of the Guard, Musee du Fort, Ste. Anne de Beaupre, Chateau Frontenac and La Citadelle.

The group flew a total of 1,460 miles on their trip.

Up to \$5,000 Cash may be "Hidden" in your house.

We can find it.

When you need up to \$5,000 for any good reason, call us. We're professional money finders. Through our Home Owner's Plan we'll let you borrow money from us, even if you're still making mortgage payments. Then we'll give you up to 60 months to pay it back.

So if you need up to \$5,000, let us loan you the cash that may be "hidden" in your house. For confidential free information about our Family Home Owners Plan, call today. You'll be glad you made your financial affairs "A FAMILY AFFAIR."

Rep. Mahalak Reviews Legislative Session

ROMULUS — State Representative Edward E. Mahalak (D) reports the 1969-70 session of the Legislature was one that saw a number of major accomplishments. "Although the Legislature will return briefly in August and possibly for a time in September, the main thrust of its activities for its 75th session has been completed," Mahalak said. "There were some disappointments to me, but I feel there have also been many outstanding achievements."

The Legislature went into its summer recess in the early morning hours of the Fourth of July after a week of morning, afternoon and evening sessions. In his review of the work of the 1969-70 session, Mahalak noted important advances in the areas of education, labor, youth, social services and housing.

In education, he said, the Legislature authorized neighborhood education centers, a teach incentive plan, made improvements in special education, increased funds for the education of underprivileged children, and appropriated funds for a pilot program of year-around school.

"In school aid," Mahalak said, "we made substantial increases to most of the districts and set aside funds to meet special problems, such as those created when school systems were forced to take the student load from districts closed by state reorganization."

In labor legislation, there was an increase in the state minimum wage and across-the-board increases in unemployment compensation rates.

Efforts for youth included subsidies for couples who take hard-to-adopt children, and a new State Office of Youth Services.

"There was much done in the field of social services," Mahalak said, "including increases in aid to dependent children, in both child and adult allocations, and authorization for a personnel increase of 83 in the Wayne County Child Protective Services Program."

In housing, he stated, significant legislation came through the State Housing Authority and authorization of bond issues for low cost housing.

Camp Available For Local Boys

ROMULUS—The City of Romulus is sponsoring a Day Camp for local boys between the ages of 7 and 12 every Tuesday and Thursday.

Activities such as softball, volleyball and swimming are available to participants.

A special addition to the recreation program this year are the supervised games tournaments in horse shoes, croquet, checkers and field hockey. Individual age group prizes are given to the winners with the grand championship games being played during the remainder of this week.

The Day Camp is held at Lower Huron Metropolitan Park. The program, which runs now through August 7, lasts from 9 a.m. to 3 p.m.

Oakley And Martin Win Pack Awards

ROMULUS — Brian Oakley and Rick Martin were the two boys who received awards when Cub Scout Pack 735 met for a family picnic at Lower Huron Metropolitan Park last Wednesday night.

Cub Master LeRoy Sims presented Brian with his Wolf Badge, one Gold Star and two Silver Stars. Rick was given his Gold Star.

The next Pack meeting will be on August 5 at the Sims home on Ozga Road. The event for the evening will be a Rocket Shoot. Kits will be distributed by Den Mothers during the next week.

GREAT CARE — Dennis Lorbeske, 8, takes great pains as he paints his paper mache animal at South Junior High.

CONCENTRATION GALORE — Young Jane Kans, 5, is working hard to turn her paper mache work into a thing of beauty.

Huron Park Attendance Increases

BELLEVILLE — Despite the cold weather mixed with rain, the Huron-Clinton Metropolitan Authority parks showed increased attendance during the July 4th week-end compared to the same period in 1969, but below the record figures of 1968.

Lower Huron Metropolitan Park near Belleville had 40,720 visitors this past week-end compared to 28,500. The record for the park was 52,100 for the four-day holiday in 1968.

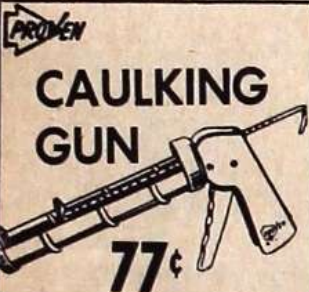

A grand total of 268,640 visitors used all the parks in the total Huron-Clinton Metropolitan Authority.

Parents Association Plans Camping Trip

ROMULUS — A mid-August camping and fishing trip in Northern Michigan is being planned by the members of the Romulus Concerned Parents Association, reported Mrs. Mattie Hester, group chairman.

Rummage and bake sales have been held on recent Saturdays in the basement of the United Methodist Church, and have been so successful that the trip is assured. "We've raised almost a hundred dollars," Mrs. Hester

said, "and I can hardly wait to get under way."

Between 45 and 50 people—parents, children, single adults, and married couples—will make the trip and have plans for a lot of bank fishing and outdoor cooking.

Mrs. Hester expressed the appreciation of the group for the assistance and interest shown by the community in helping with the project. "We want to thank each and every

one for their help, both with their donations and their purchases," she stated.

Special recognition was given to group members, Mrs. Mazola Jones, Mrs. Irene Russell, Mrs. Mary Paratchek and Mrs. Mary Pozey for their work on the days of the sale.

The Concerned Parents Association meets each third Wednesday at the church, 11190 Olive Street, Romulus. They are sponsored by the Family and Neighborhood Services Agency.

Paul Appointed

ROMULUS — The City Council appointed David Paul to the position of Assistant Director of the Department of Public Works upon recommendation of Romulus Mayor Hyle J. Carmichael.

Girls Give Help To Head Start

ROMULUS — Lynne Petre and Myra Breazeale have found a way to beat the doldrums that follow the first couple of weeks of summer vacation. They have volunteered to assist in the summer Head Start program.

Working under the direction of a teacher, in cooperation with a Para-professional, the girls will assist in activities and field trips. They will be assigned to two classes on Wednesday and Thursday between 9 a.m. and 12:30 p.m.

"It's going to be a lot of fun," said Lynne. "We will ride the school bus both ways, so there's no transportation problem." Lynne says there is a need for more volunteers, anyone interested in helping out can call Special Services, 722-4050.

Council Grants Licenses

ROMULUS — The Romulus City Council granted two 1970 Food Licenses at their last meeting subject to the approval of the Building Department and Health Department.

Those granted the licenses were Charles Irvine 30881 Ecorse Road and Joan Chesser, 27410 Eureka.

Athletic Equipment Purchased

BELLEVILLE — The Van Buren School Board approved the purchase of equipment for varsity swimming and varsity wrestling in the district. Three firms were awarded contracts, for a total of \$5,372.95.

Stein and Goetz of Ann Arbor made a bid for equipment totaling \$1,700. Blackburn Sporting Goods of Detroit made a bid of \$2,429.35 and the third contract was awarded to Wyandotte Sporting Goods of Wyandotte for \$1,243.60.

The district athletic council met and approved the purchase of this equipment prior to the Board's action.

STOP BELLEVILLE From Becoming TRAILER PARK CITY

Mayor Smith and City Council refuse to recognize your signatures on petitions. You must come to the City Council meeting in person...

MONDAY,
JULY 20, 8 P.M.

...to stop the zoning of approximately 31 acres of property adjacent to South Junior High School for a trailer park.

Approximately 42 acres have already been zoned for a trailer park behind South Junior High. We asked Council on July 6th to repeal this zoning. 250 petition signatures have failed to impress the Mayor and Council with the serious concerns citizens have for the betterment of their city. Trailer parks do not improve Belleville.

CITY OF ROMULUS ORDINANCE NO. 70-2

CITY OF ROMULUS ORDINANCE NO. 70-2

AN ORDINANCE TO PROVIDE FOR THE OPERATION OF THE CITY WATER SYSTEM AND THE SEWAGE DISPOSAL SYSTEM OF THE CITY OF ROMULUS AS A SINGLE COMBINED SYSTEM; TO PROVIDE FOR THE CONSTRUCTION OF ADDITIONS, EXTENSIONS AND IMPROVEMENTS TO SAID COMBINED SYSTEM; TO PROVIDE FOR THE FIXING, COLLECTION, SEGREGATION AND DISPOSITION OF THE REVENUES OF THE COMBINED SYSTEM AND FOR THE PAYMENT OF REVENUE BONDS HERETOFORE OR HEREAFTER ISSUED OUT OF SAID REVENUES; TO PROVIDE FOR THE CREATION OF A STATUTORY LIEN WITH RESPECT TO THE COLLECTION OF SAID REVENUES; AND TO PROVIDE FOR OTHER MATTERS RELATING TO SAID COMBINED SYSTEM.

WHEREAS, there now exist in the City of Romulus (hereinafter referred to as the City) a City water system and a sewage disposal system which have been built and acquired by the City and its predecessor Township through funds collected by the means allowed by law, including debt service charges, millage, and the issuance and sale of bonds secured by contracts between the Township (now City) of Romulus and the County of Wayne, by its Board of County Road Commissioners, which contracts have been entered into pursuant to authorization provided by Act 342, Public Acts of Michigan, 1939, as amended, by the terms of which the City is obligated to pay the principal and interest on said bonds as they mature; and,

WHEREAS, THE CITY has heretofore by ordinance established a schedule of rates and charges to users of the City water system and the sewage disposal system, the revenue derived from the collection thereof being used to operate and maintain the facilities of said systems, to make the contract payments required by virtue of the contracts between the City and the County of Wayne and the obligation of the City to the bondholders; and,

WHEREAS, the Township (now City) of Romulus and the County of Wayne, by its Board of County Road Commissioners, have entered into a contract dated June 18, 1953, providing for the acquisition, construction, financing, operating, and maintaining of such sewage disposal system as a part of the metropolitan system, and for the payment by the City of amounts necessary to pay the principal and interest on bonds in the aggregate principal amount of \$405,000.00; and,

WHEREAS, the Township (now City) of Romulus and the County of Wayne, by its Board of County Road Commissioners, have entered into a contract dated October 30, 1958, providing for the acquisition, construction, financing, operating, and maintenance of such water system; and,

WHEREAS, the Township (now City) of Romulus, other municipalities, and the County of Wayne, by its Board of Public Works, have entered into a contract dated August 10, 1961, providing for the City's payment of its share of the municipal cost of certain interceptor sewer facilities which share is 1.457% of the aggregate principal amount of \$16,815,000.00; and,

WHEREAS, the Township (now City) of Romulus, other municipalities, and the County of Wayne, by its Board of Public Works, have entered upon a contract dated March 1, 1962, providing for the City's payment of its share of the cost of certain sewer facilities representing the principal and interest Disposal Bonds (Downriver System) Series I, II, III, to wit:

- (a) 19.486% of the \$14,070,000.00 Series I bonds
- (b) 31.751% of the \$2,200,000.00 Series II bonds
- (c) 100.00% of the \$2,000,000.00 Series III bonds

WHEREAS, the Township (now City) of Romulus and the Board of County Road Commissioners of the County of Wayne have entered into an additional contract dated April 27, 1963 providing for the financing and construction of additional sewer lines; and for the payment by the City of amounts necessary to pay the principal and interest on bonds in the aggregate principal amount of \$3,500,000.00; and,

WHEREAS, the Township (now City) of Romulus, other municipalities, and the Board of County Road Commissioners of the County of Wayne have entered upon a further contract dated March 11, 1965, providing for the payment by the City of its share of the cost of the acquisition and construction of a certain sewer improvement which share is 54.87% of the aggregate principal amount of \$420,000.00; and,

WHEREAS, the City has succeeded by reason of the incorporation of the entire Township of Romulus into the City as of May 25, 1970, to all assets of the Township of Romulus and to all rights, liabilities and obligations of the Township of Romulus pursuant to the above mentioned contracts; and,

WHEREAS, the City, by its City Council determines that it is necessary for the public health, safety and general welfare of the people of Romulus and conducive to the efficient operation of government to operate the City water system and the sewage disposal system as one combined system, to be operated on a combined-rate basis.

THE CITY OF ROMULUS ORDAINS:

Section 1. In construing this Ordinance, terms and words hereinafter defined, unless the context clearly indicates otherwise, shall be given the meanings hereinafter set forth:

(a) City Water System. The term "City Water System" shall mean the totality of all water mains and lines now in existence or hereafter acquired and constructed within the City together with all present or future works, instrumentalities and properties used or designed for use in the obtaining of a water supply or the distribution thereof.

(b) Sewage Disposal System. The term "Sewage Disposal System" shall mean the totality of all sanitary sewers and combined sanitary and storm sewers now in existence in the City or hereafter acquired or constructed therein, together with all present or future works, plants, instrumentalities and properties used or designed for use in the collection, treatment, and/or disposal of sewage and industrial wastes.

(c) Water and Sewage System. The term "Water and Sewage System" shall mean the City water system and the sewage disposal system combined for operational purposes into a single system as hereinafter provided.

(d) Contract Payments. The term "Contract Payments" shall mean the payments required to be made by the City of Romulus to either the Board of County Road Commissioners of the County of Wayne, or the Board of Public Works of the County of Wayne under the provisions of the respective contracts referred to in the preamble to this Ordinance, which payments we pledged to the payment of the bonds of the County of Wayne specified in said contracts.

(e) User or Users. The term "user" or "users" shall mean any premises connected with and using or able to use any of the facilities of the Water and Sewer System.

(f) City. The term "City" as used throughout this Ordinance shall mean the City of Romulus, Wayne County, Michigan.

(g) City Council. The term "City Council" shall mean the City Council of the City of Romulus, the governing body of said City.

Section 2. From and after the effective date of this Ordinance, the City water system and the sewage disposal system shall be operated by the City as one combined system to be known as the Water and Sewer System. The operation thereof shall be on a public utility basis as authorized by law. It is hereby declared to be the intent and purpose of the City

Council to establish and maintain reasonable and uniform rates and charges applicable to various classifications of users so as to provide funds to:

- (a) Operate and maintain the facilities of the combined system.
- (b) Make the contract payments required by contracts heretofore entered upon or required to the acquisition or construction of additional facilities for the Water and Sewer System.
- (c) Make additions, extensions and improvements to the Water and Sewer System.

Section 3. The Water and Sewer System shall be under the management, supervision and control of the Department of Public Works of the City of Romulus. Such Department shall have the power to promulgate rules and regulations relating to the use of the Water and Sewer System subject to the prior approval by resolution or ordinance of the City Council.

Section 4. The fiscal year of the Water and Sewer System shall commence on April 1st of each year and end on the following March 31st.

Section 5. Rates and Charges. The rates and charges for the services and benefits provided by the Water and Sewer System shall be established by Ordinance. The initial rates and charges, effective immediately, are appended hereto as Schedule A and Schedule B. Alterations to or amendments of such rates and charges shall be reflected by amended or substituted schedules.

Section 6. Billing and Collection of Charges. All charges, other than those charges designated herein to be payable in advance or when incurred shall be collected in four quarterly periods, corresponding as near as may be to the dates of billing for water by the City of Detroit. Bills for all services and charges shall be itemized and shall be payable within twenty (20) days from the postmarked date of the billing. For all such bills not paid when due, a collection charge of ten per cent (10%) of such bill shall be added thereto for each billing period, compounded quarterly. Failure to receive bill does not excuse non-payment nor avoid collection charge. The payment of all charges provided for herein may be enforced by shutting off the water supply to the user after a delinquency in payment of twenty (20) days. In the event that the water department is dispatched to a user to discontinue service for non-payment a special discontinuance fee of \$2.50 shall be charged, and, if, after service has been discontinued for non-payment, service is reinstituted, recommencement fee of \$2.50 shall be charged. Both the discontinuance and the recommencement fee shall be payable forthwith. Charges for water supply and sewage disposal service set forth in this Ordinance shall constitute a lien on the property served. On or before May 1st of each year, the Department of Public Works shall deliver to the Assessor a certified statement of all water and sewage disposal charges then over six months due and unpaid. The Assessor shall place such charges on the next general tax roll and the same shall be collected as part of the general City taxes. If notice is given to the City Council pursuant to Section 21 of Act 94 of 1933, as amended, that a tenant is occupying user premises, together with a copy of the lease, the City shall require a cash deposit of \$50.00 as security for payment of charges before any service is furnished, and when the deposit is depleted, no further service shall be rendered the user premises until the deposit shall have been made whole.

Section 7. The gross revenues of the Water and Sewer System derived from the collection of the rates and charges imposed by this Ordinance shall be set aside as collected in a bank duly qualified to do business in Michigan as designated by the City Council in an account to be designated Water and Sewer System Receiving Fund (hereinafter referred to as "Receiving Fund"), said revenues so deposited to be transferred from said Receiving Fund periodically in the manner, at the times, and in order of priority herein set forth:

(A) Operation and Maintenance Fund. Out of the revenues in the Receiving Fund there shall be first set aside during each quarterly period of each operating year into a separate depository account designated Operation and Maintenance Fund, a sum sufficient to provide for the payment of the next quarter's current expenses of administration and operation of the combined system and such current expenses for the maintenance of those facilities as may be necessary to preserve the same in good repair and working order. The Department of Public Works shall annually submit to the Mayor a proposed budget to cover the foregoing expenses for the forthcoming year. The City Council shall annually provide in its budget for raising by tax levy or otherwise such funds, if any, as may be necessary to meet the foregoing expenses and which shall not be available from revenues of the Water and Sewer System.

(B) Contract Payment Fund. There shall next be established and maintained a separate depository account designated Contract Payment Fund the monies from time to time on deposit therein to be used solely and only for the purpose of making the contract payments. Out of the revenues remaining in the Receiving Fund after provision has been made for current expenses of operation and maintenance of Water and Sewer System, there shall be set aside on the first day of each quarter into said Contract Payment Fund all remaining revenues until such time as there are sufficient monies in said Contract Payment Fund to pay principal and interest on the contract payments due or becoming due and payable within the next twelve months.

(C) Contract Payment Reserve Fund. Out of the revenues remaining in the Receiving Fund after meeting the current requirements of the Operation and Maintenance Fund and the Contract Payment Fund as herein before required, there shall next be set aside into a separate depository account designated Contract Payment Reserve Fund, a sufficient sum to satisfy the reserve requirement of all applicable contracts between the City and the Board of County Road Commissioners of the County of Wayne and the Board of Public Works of the County of Wayne.

(D) Surplus. Any monies remaining in the Receiving Fund after meeting the requirements of the Operation and Maintenance Fund, the Contract Payment Fund, and the Contract Payment Reserve Fund may be used at the option of the City Council for advance Contract Payments or for the acquisition or construction of extensions and improvements to the Water and Sewer System, or for any other legal purpose.

Section 8. Monies in the several funds established pursuant to the provisions of this Ordinance may be invested and reinvested in the United States Government obligations or in evidences of indebtedness of a bank or banks insured by the Federal Deposit Insurance Corporation and designated by the City Council. Investment of monies in the Contract Payment Fund shall be deposited in a separate depository bank account and may be invested in United States Government obligations bearing maturity dates not later than the day prior to the date of the next due Contract Payment.

Section 9. The City shall cause to be maintained and kept proper books of record and account, in which shall be made full and correct entries of all transactions relating to the Water and Sewer System. Such books shall be substantially in conformity to the uniform system of accounts as prescribed by the Michigan Public Service Commission. No later than two (2) months after the close of each fiscal year, the City shall cause to be prepared detailed statements of income and disbursements of the Water and Sewer System during the fiscal year together with such other information as may be necessary fully to inform the bondholders and the taxpayers of the City of the fiscal operation and position of the system. Such statements shall be filed and available for inspection in the office of the City Clerk. Such statements shall annually be audited by a Certified Public Accountant selected by the City Council and a copy of such audit shall be filed with the City Clerk.

Section 10. No connection shall be made to any of the facilities of the Water and Sewer System otherwise than as prescribed by ordinance. No free service shall be given any person, firm, or public or private corporation.

Section 11. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 12. This Ordinance shall be published as provided by law and shall thereupon be of immediate effect.

Leonard J. Folmar, Clerk
City of Romulus

I, Leonard J. Folmar, Clerk of the City of Romulus, do hereby certify that the foregoing is a true copy of an Ordinance adopted by the Romulus City Council at a Special Meeting held on June 30, 1970.

ATTEST:
Hyle J. Carmichael, Mayor
City of Romulus

Leonard J. Folmar, Clerk
City of Romulus

SCHEDULE A WATER RATES & CHARGES

The charges for services rendered and water supplied by the water system shall be assessed against, and payment thereof shall be collected from, each customer served or supplied on the following basis:

A. SERVICE METERS: All services will be metered and a separate meter installed for each individual business, or family or household unit, provided that in the case of mobile home parks, apartment unit projects, other multiple household unit projects and multiple business unit projects, e.g. office buildings, integrated shopping units, etc., the person or entity in general charge of control of the premises, or the duly appointed representative for the project in question, may choose to have the overall project premises served by one meter installed at some central point. In such cases, the rate differentials provided for in this section shall be applicable and the person or entity contracting with the City for this combined treatment shall be treated as the customer and as to the City, responsible for all charges provided in said section.

Meters will be installed, controlled, and maintained by the City, except that where meters are damaged by the negligence or wilful conduct of customers, their employees, agents, contractors, or other persons permitted by them to be on the premises, the cost of repairs or the amount of the damage, if the meter cannot reasonably be repaired, shall be borne by the customer. Initial meters will be provided by the City at customer expense, the charge therefore being the cost to the City of the meters installed plus ten (10%) per cent. Replacement meters will be provided by the City without specific charge to the customer, except to the extent the replacement cost is attributable to the negligence or wilful conduct of customers, their employees, agents, contractors, or other persons permitted by them to be on the premises.

B. WATER CONSUMPTION RATES: The quarterly water consumption charge shall be based on the following schedule of consumption rates.

WATER USED	CHARGE
0 - 10,000 cu. ft.	\$2.50 per 1,000 cu. ft.
10,000 to 100,000 cu. ft.	\$2.40 per 1,000 cu. ft.*
above 100,000 cu. ft.	\$2.30 per 1,000 cu. ft.*

*Note: These rates are based on single use consumption and are therefore not applicable where the customer's meter is used to measure consumption of water by users not part of the customer's individual business, or family or household unit. Without limiting the generality of the foregoing, these rates are not applicable to mobile home parks, apartment unit projects, other multiple household unit projects, and business unit projects unless separate meters are installed for each business, or family household unit.

**Note: Minimum quarterly water consumption charge shall be based on 1,000 cu. ft.

C. QUARTERLY METER SERVICE CHARGE:

5/8 inch meter - \$1.50	3 inch meter - \$20.33
3/4 inch meter - 1.82	4 inch meter - 34.56
1 inch meter - 3.75	6 inch meter - 69.12
1 1/4 inch meter - 7.13	8 inch meter - 89.16
2 inch meter - 10.70	10 inch meter - 115.91
	12 inch meter - 144.89

D. WATER SERVICE INSTALLATION CHARGE: Service connections from mains to customer's property line will be installed by the City at the established rates as are shown in the following table:

SIZE OF PIPE	WIDTH OF STREET
	Less than 60 feet
3/4"	\$145.00
1"	\$175.00
1 1/4"	\$268.00
2"	\$415.00

WIDTH OF STREET	
61 feet to 90 feet	91 feet to 120 feet
\$180.00	\$224.00
\$215.00	\$251.00
\$325.00	\$400.00
\$485.00	\$750.00

over 2" cost plus 20%, regardless of length of pipe.

*Note: On streets 121 feet or wider, all footage in excess of 120 feet will be done at cost plus 20%, with amount of deposit established by Department of Public Works.

**Note: Minimum one inch (1") diameter service required for all commercial and industrial connections.

E. DEBT SERVICE CHARGE: A debt service charge of \$2.50 each quarter year is applicable to all business or residence units connected with the system, whether directly or indirectly. Without limiting the generality of the foregoing, each individual family or household unit in mobile home parks, apartment unit projects, other multiple household unit projects, and each individual business unit in a multiple business unit project, shall be treated as a separate and independent connection for purposes of this debt service charge, regardless of whether or not a water usage meter is installed for each said family or household unit, or business unit. This charge shall continue in effect until a total of \$250 shall have been paid by each said connection. The Debt Service Charge for premises intended for rental, lease or resale shall be paid in full at the time of the permit application.

F. METER DEPOSIT CHARGE: The meter deposit charge is to secure payment of bills. For single family residences the meter deposit charge shall be Ten Dollars (\$10.00). For all other customers the meter deposit charge shall be as specified by the rules of the Department of Public Works.

G. HYDRANT CHARGES: The users of fire hydrants in the system, which have been established for a specific purpose other than the general fire protection of the City, shall be charged an annual hydrant fee of Fifteen Dollars (\$15.00) for each hydrant.

H. HYDRANT USE CHARGE: Permission for temporary use of the water system through the public fire hydrant can be obtained upon application to the Department of Public Works and the deposit of the following charges:

HYDRANT USE CHARGES

A deposit of \$250.00 will be required application for use of hydrant with use charges as follows:

1 week	\$15.00	Minimum Charge
1 month	\$50.00	
Each additional month	\$25.00	

Fraction thereof.
Charge for water, including all service and debt charges, to be paid in addition to hydrant use charge.

Meters must be used and obtained from Department of Public Works, the full price of meter must be deposited with application. The title to meter will be retained by the City and a refund of purchase price less depreciation, will be made when meter is returned in good condition.

METER DEPRECIATION RATES

Size of Meter	Price	1st Month Chg.	Depreciation each month thereafter
3/4"	\$ 50.00	\$ 4.00	\$ 2.00
1"	96.00	8.80	4.40
1 1/4"	178.00	16.50	8.25
2"	468.00	44.20	22.10
Fire Meter	350.00	35.00	17.50

Deposit - \$550.00 \$350.00 - Fire Meter

\$200.00 - Hydrant rental + Consumption
J. STANDBY FIRE LINE CHARGE: Where standby fire service is provided by the City through detector check meters or other similar devices the following monthly fire line charge shall apply:

Size of line	Monthly Charge
1"	\$5.00
1 1/4"	5.00
2"	5.00
3"	5.00
4"	5.00
6"	8.00
8"	12.00
10"	15.00
12"	18.00

K. SERVICE DISCONNECTION CHARGE: Whenever any building is demolished or removed from its site, the water service will be disconnected at the main and the same shall be plugged. A service charge of fifty and no/100 (\$50.00) Dollars will be made for said disconnection and plugging of the main.

SCHEDULE B SEWER RATES & CHARGES

The rates and charges for services rendered by and benefits derived from the sewer system shall be assessed against, and payment thereof shall be collected from each user served on the following basis:

A. SEWAGE DISPOSAL RATE: There shall be charged to each user having any connection with the system a disposal charge equal to seventy per cent (70%) of the water consumption charged to said user for the same premises for the same period of time to be computed from the water consumption figures of the Department of Public Works of the City as evidenced by the water meter readings. If any user connected with the sewage disposal system has no water connection, a special rate or rates shall be established by the Department of Public Works with the approval of the City Council.

B. SEWER CONNECTION RATE: The following rate shall be collected from each premises hereafter connecting to any of the sewer lines of the sewer system:

1. In addition to all other applicable charges as specified in this ordinance, a sewer connection rate charge of Three Hundred (\$300.00) Dollars, on each residence or business unit connecting to the system. These units shall pay in advance before the Connection Permit is issued, provided, that for any existing residence or business unit, said Sewer Connection Rate may be paid in cash, or at the option of the owner only, on a quarterly basis at the rate of Two Dollars and Fifty Cents (\$2.50) per quarter per unit for a forty (40) year period.

2. Hotel and motel units designed for the use of transients for sleeping quarters only, shall pay a Sewer Connection Rate of Two Hundred (\$200.00) Dollars for each room or unit, in cash, at the time a Connection Permit is requested.

3. The preceding connection rates are for premises served with a water meter of a size of 3/4 inch. The Connection charge, where a water meter is in excess of 3/4 inches shall be, in accordance with the following schedule, based upon the size of the water meter:

SIZE OF METER IN INCHES	CONNECTION RATE
1	\$ 425.00
1 1/2	950.00
2	1,700.00
2 1/2	2,600.00
3	3,800.00
3 1/2	5,200.00
4	6,800.00
5	10,600.00
6	15,300.00
8	25,000.00
10	37,500.00
12	50,000.00
14	63,000.00
16	75,000.00

4. Any residence or business unit and any commercial or industrial unit, including schools or any other public facility, other than a single family homestead, shall pay the larger amount of either (a) the amount computed pursuant to Paragraph One (1) above, or (b) the amount determined by the meter size in Paragraph Three (3) above, or (c) the amount determined by multiplying the sum of Three Hundred (\$300.00) Dollars times the number of acres comprising the original parcel of the applicant's land upon which the building, to be connected, is located.

C. DEBT SERVICE RATES CHARGEABLE UNTIL BONDS ARE RETIRED

In addition to the above specified rates, there shall be collected from each user having any connection to the sewer lines of the sewer system, a debt service rate in accordance with the following schedule:

1. For any residence or business unit, including commercial, industrial, school or other public facility, served with a 3/4 inch water meter, hereafter connecting to the system, the debt service rate shall be \$20.00 annually, payable in quarterly installments of \$5.00 each. However, on any premises presently connected to the existing sewer system, the debt service rate shall remain at \$3.75 per quarter until a total of \$300.00 has been paid, provided that present connections shall receive credit for debt service rate payments previously made.

2. For any subdivisions or other major development where the developer or other party shall construct all laterals to serve the area, the Department of Public Works shall have the power to permit a reduction of the debt service charge, of up to Ten (\$10.00) Dollars annually, provided findings are made that the system has been saved pro rata expense, by such construction and that no jeopardy to debts or operations can occur.

3. For residence or business units, including commercial, industrial, school or other public facility, served with a water meter in excess of 3/4 inch size and connecting to the sewer system, the monthly debt service rate shall be in accordance with the following schedule of payments:

SIZE OF METER IN INCHES	MONTHLY DEBT SERVICE RATE
1	\$ 2.00
1 1/2	5.50
2	9.50
2 1/2	14.50
3	21.00
3 1/2	28.50
4	38.00
5	59.00
6	83.00
8	139.00
10	208.00
12	278.00
14	350.00
16	417.00

Huron Controversy Echoes Nankin Mills

By GAIL McKNIGHT
(Editor's Note: The following are staff writer Gail McKnight's impressions of the "Becoming Curriculum," an approach to teaching that has caused much controversy in the Huron School District.)

Mrs. McKnight formerly covered the Nankin Mills School District where many of the ideas for the book originated.)

NEW BOSTON — It didn't look very impressive, just an ordinary looseleaf filled with mimeographed instructions and lessons plans.

Yet this was the "Becoming Curriculum" that had so divided the Huron Township School District that two incumbents were ousted by two opponents of this form of teaching in the June election.

It is a book, whose lesson plans and ideas came in the main from three schools in Westland — Perrinville then in the Nankin Mills District and now in Livonia; Hayes in the

Livonia District, and C.P. Titus in the Cherry Hill School District. The book was compiled under the direction of Dr. William Miller of the ASSIST Center located in Wayne. The ASSIST Center is under the jurisdiction of the Wayne County Intermediate School District.

The book calls for an approach to teaching that is not even being used in the Huron District; it was only used in supplemental fashion by two teachers at one school until Huron Superintendent Byron K. Antcliff banned its use until the Board reviewed the materials.

It is not even a book in the real sense; it's only a looseleaf that has been passed from Huron Board member to Board member that all might know what the curriculum calls for.

It is a book that some conservative Huron citizens fear will mean "progressive education," and some have charged that "progressive

education is definitely un-American."

The teaching approach called for in the book was the same one that was most well received in the Nankin Mills School District, where under Assistant Superintendent William Cansfield individual initiative among teachers was sought and nurtured.

The book is not meant for the layman; it is written in the educational jargon, much the same way a book for space technicians would be written in the language of the space program.

In the forward, the book sets down as its purpose. "Each of these (books) is a comprehensive psycho-social-educational program to help children move toward self-actualization. Self-actualization may be described as the full use and exploitation of talents, capacities and potentialities."

The "Becoming" in the title is intended by the authors to show that

children, as well as adults, need to continue to grow as complete people.

The program sets down certain premises: "Life's most important journey is Becoming. Becoming has the potential of being the goal or the ideal that can capture the imagination of our youth and free them from the present destructive trends toward alienation for productive lives of commitment and growth. The primary goal of education is the development of authentic, fully functioning people."

The authors believe that there are certain things in education today that prevent children from truly "Becoming," and that these things, such as old teaching methods and graded tests, should be changed. This belief has been a large source of Huron citizen fear.

The book speaks of the "Selected Educator," stating that only certain teachers are capable and willing to try this new approach. The term sounds more imposing than it is, and the authors are merely pointing out that no approach is meant for every teacher and situation.

The curriculum itself is not traditional classroom subject matter such as reading and arithmetic. This fact has been one of these bones of contention with a certain segment of the Huron parent population. Rather the course seeks to develop the child as a person, who can then function in the classroom.

The book calls for the children in the curriculum to

go through certain "processes" or stages. They are: 1) learning to accept oneself; 2) developing a better relationship with reality; 3) becoming one's natural and creative self; 4) viewing life in broad perspective; 5) expanding autonomous behaviour and 6) developing a kinship with mankind.

The processes sound to an average citizen most complicated, especially when the program can be applied to a kindergarten. The program, however, is basically intended to show a child that he is important because he is who he is, that he lives in a world with others, that he can do things that no one else can, that he can be independent and adaptable, and that he can get along with others.

This valuing oneself can be a most important factor in a child's achievement in school. Superintendent Antcliff cited a case in Grand Rapids where pictures were taken of all kindergartners. When the children were presented with the individual photos, about 20 percent of the children could not pick out the pictures of themselves. They lacked self-identity.

Antcliff said that these same 20 percent did very poorly in reading, and that this test proved to be a better indicator of potential reading ability than reading readiness tests.

The actual lesson plans were prepared by actual classroom teachers based on

their experiences with Westland children. Their conclusions are not scientific in the sense that they were drawn from laboratory situation; instead the conclusions are reasoned observations of how real children respond.

On the kindergarten level, a group of children were asked to draw pictures of things they liked to do. Later there were to draw things that made them happy and unhappy. They learned from this simple exercise to understand how things affect them.

Another approach is "the quickies," which is similar to "Sesame Street" techniques. The teacher plays various songs that make children have various feelings. A lullaby would make them feel tired, a march would make them feel peppy. This offered the children a means of understanding themselves.

The lesson plans, naturally, get more complicated as the children are older. Fourth graders, for example, are asked to complete a story starting with being lost at the zoo. The children are to write how they feel and what they would do. This exercise, like the others, is meant to have the children understand themselves, to be able to problem solve and to express themselves.

While even the slightest possibility of using this curriculum in Huron has caused an uproar, the concrete applications of this approach were used in Nankin Mills with wide acceptance.

At the Perrinville School, under principal Richard Burnham, teachers were encouraged to use as much initiative as was necessary to motivate and develop all the children. To this end, Burnham had the backing of large numbers of mothers who helped out in the classrooms giving the children the extra attention some needed before they could succeed.

The work that Burnham and his staff were doing at Perrinville spilled over into other District Schools. As early as 1968, a teacher at the Henry Ford School was seeking to improve the "self-concept" of the children.

This teacher had all the children draw pictures of themselves right down to the correct eye and hair color. These full-size drawings, along with the children's names and birthdates, hung on the walls in the Ford School for all to admire.

In addition, the teacher marked each of the children's homes on a map of the area, so the children could know where they lived in terms of the total community.

These techniques used by teachers in the Nankin Mills District were deemed as successful ways of giving a child confidence in himself so he could believe that he was smart enough to learn like everyone else.

The Nankin Mills situation shows that concrete applications of this program have been most successful. It does not show, nor does it propose to show that all the

educators' theories behind the program are absolutely correct, or that they are the best statements on how to give a child self-identity and how to teach him to problemsolve.

The residents of Huron Township should take the book for what it is, and no more. It is one of thousands of books produced each year in the country by educators who are trying to analyze their teaching experiences, as a means of improving a child's education.

No such book is ever adopted in total; rather teachers use this book, and the others like it, as a starting point. Each teacher uses techniques and ideas coming from many sources, one of which just may be the "Becoming Curriculum."

The theories advocated in the "Becoming Curriculum" may never achieve widespread acceptance in the Huron School District, the way the concrete applications did in the Nankin Mills School District.

Nankin Mills residents were open to new techniques; many Huron District residents will not accept any programs beyond the basic curriculum. The book is the same for both school districts; the difference is in the people themselves.

A BTU is the amount of heat required to raise the temperature of a pound of water one degree.

CUB SCOUTS PLANT TREES. — Den Three of St. Anthony School's Cub Scout Pack 793 planted eight pine seedlings at the Edgemont Elementary School as a community project for beautification. The trees were given to the scouts by the Monroe County Extension service. Left to right are David Zagula, Steven Schank, and Paul Frisch. Top row, (left to right) Patrick McNally, William Jensen, Robert Dillon, Eugene Copley and Michael Devine. Den Mother is Mrs. Charlene McNally.

Kiwanians Elect New International President

ROMULUS — T. R. Johnson, a Denver Banking and Finance executive, was elected President of Kiwanis International recently at the organization's Fifty-fifth Annual Convention held in Detroit, reported Edmund Bizek, President of the Kiwanis Club of Romulus.

As leader of the international service organization, Johnson will be spokesman for its 275,000 members in 5,700 clubs throughout the United States, Canada, Mexico, Europe, Central and South America, the Caribbean, the Far East, and the Southwest Pacific Area. He succeeds Robert F. Weber, a partner in a Detroit investment and real estate firm, who has held the position since October 1, 1969.

The Fifty-fifth Annual Convention of Kiwanis International in Detroit attracted 15,000 people, Kiwanians and their families. It was the third Kiwanis meeting in Detroit since its founding.

Convention highlights included speeches by the 1969-70 Kiwanis International President Robert F. Weber; Dr. Robert Baird McClure, Moderator of the United Church of Canada; Arthur Godfrey, Radio & TV

Lusko Earns LIT Honors

NEW BOSTON — James Lusko of 28136 West Road, has been named to the Dean's Honor Roll at the Lawrence Institute of Technology for academic excellence during the past term. He maintained better than a 3.5 scholastic average out of a possible 4 points.

Lusko is a graduate of Huron High School and is currently studying industrial management.

personality; Pamela Ann Eldred, Miss America 1970; Fred W. Haise, Jr., Apollo 13 Astronaut; Sam Levenson, noted humorist and TV personality; the leaders of Kiwanis' two youth groups — Michael F. Adams, President of Circle K International, and Reid C. James, President of Key Club International. Delegates to the convention also adopted several amendments to their constitution; passed a number of resolutions upon which

their 1970-71 community service programs will be based; saluted the nations of Kiwanis (there are now 33); honored the top clubs in the organization for their community service programs and over-all excellence; and unveiled the theme for the 1970-71 administrative year, "Improve the Quality of Life."

The 1971 Kiwanis International Convention will be held in San Francisco, California.

Smooth going for all jobs!

12-HP automatic drive lawn and garden tractor
FROM ALLIS-CHALMERS

This 12-hp tractor does it all — any season. Mow an acre in less than 30 minutes. Clear a ton of snow a minute. Haul, plow, spray, weed or dig. And with Hydrostatic Automatic Drive, there is no clutch — no gears to shift. Just a touch of the control lever adjusts ground speeds to match working conditions exactly.

Five percent on regular passbook savings and six percent on two year, \$10,000 minimum certificates... the highest rates paid on insured savings in this area.
What's more, your interest is paid quarterly.
Certificate interest can be mailed to you by check or added to the principal and compounded.

Just like having your cake and eating it too: highest rates, the safety of insurance to \$20,000, and convenient hours — including Saturday mornings from 9 to 12

Huron Citizen Protests Sewer Completion

NEW BOSTON At least one Huron Township resident is less than pleased with the results of the new Township sewer system.

William Cairns of 37253 Sibley, New Boston, stated that when the contractor put in a riser on his property, the machinery used gouged out a 30' X 12' X 1' deep depression in his property.

Since that time, all the rains run off Sibley Road and stand on the newly created

low lands on his property. The water stagnates, and youthful pranksters have tossed in dead carp.

Cairns, who is totally and permanently disabled, said that he cannot afford to bring the land up to grade, nor does he believe that he ought to.

He added that he has discussed the problem with Supervisor George Angel, who had been most cooperative, and with the architectural firm handling the sewer. He said that Angel

agreed with him, and urged him to contact the contractor.

Cairns said that the contractor really is not interested in obtaining the small amount of money held by the Township to force the contractor to complete the job. All contractors are required to put up a certain amount of money as a performance bond to assure completion of the job.

Cairns said that the contractor has told him that he would not touch Cairns property. Cairns said that he feels as if he is at a dead end, but he refuses to have the land filled in at his own expense.

Meanwhile, he continues to make phone calls to the contractor and to the Wayne County Road Commission. Thus far his calls have been to no avail.

Delegate Chosen

NEW BOSTON — Mrs. Edward Wilk and Mrs. Rudy Morris of St. Pauls Lutheran Church, New Boston, were elected delegates to represent their society at the thirteenth biennial Michigan District convention of the Lutheran Women's Missionary League, to be held July 14-16 at Concordia Lutheran College in Ann Arbor.

The Monroe Zone, of which St. Pauls Church is a member, is hosting the convention. There are ten churches in the Zone. St. Pauls Church of New Boston is in charge of registration and housing for the convention.

Eleven projects totaling \$55,440.70 will be presented for consideration and action.

The convention will open Monday night with a communion service in the Chapel of the Holy Trinity. Rev. Paul J. Foust, Counselor in Stewardship and Evangelism, Michigan District, will speak on the topic "Go and Do."

Featured convention speakers will be the Rev. Theodore A. Raedecke, Director of Evangelism, Lutheran Church-Missouri Synod and the Rev. Carl M. Lutz, Jr., St. Paul Lutheran Church, Pontiac.

Mrs. Albert Ruhl of Dexter, Michigan is the district president and will serve as the presiding convention officer.

NEW VOTERS — Three new voters pledge to Romulus City employee Deanna Louenduski (right) that the facts given on their registration papers are correct. Able to cast ballots in the August 4th primary are from the left Theresa Bryant, Rita McLennon and Marianne Pokrowski.

Social Security Notes

Q. Why do I need a social security Medicare card? Anyone could tell I am much older than 65.

You might have under the supplemental medical insurance.

A. This card is very important and is necessary in the event you might have to be admitted to a hospital. The use of the Medicare card requires that the records of the hospital show your correct name and Medicare number. This will help process your Medicare claim more quickly and it determines the type of coverage you have. You will also need to have the correct name and number, including the letter symbol that follows the number, on any claims

Q. I work in a factory that has compulsory retirement at age 65. Is it also necessary that I have proof of my age when I apply for my social security benefits?

A. Yes, it is required in order that the Social Security Administration has documentary evidence showing your correct date of birth so that benefits are paid to you at the proper time. In addition, your date of birth is used in figuring your average earnings and your correct monthly payments.

Verona Fair Scheduled

The 18th Annual Verona Mission Festival will be held on the campus of the Verona Fathers Seminary, at 3500 Comboni Way, Monroe, Sunday July 19 from noon until 9 p.m.

A cafeteria style barbecued chicken dinner will be served from noon to 6 p.m. in the Seminary gym. It will consist of a half barbecued chicken, mashed potatoes and gravy, vegetables, salad, relish, ice cream, and coffee or tea. Donation for the dinner is \$1.75 for adults and \$1 for children under twelve.

A variety of entertainment is planned to run continuously throughout the day. There will be game booths of skill, kiddie games for prizes, pony and wagon rides and helicopter rides. Refreshments, pizza, popcorn and hot dogs will also be available.

This year, profits will go

toward the maintenance cost of the Seminary.

The Festival is sponsored by the Verona Mission Club and the Verona Fathers Ladies Auxiliary. Santo Bellestri is General Chairman and Miss Shirley Noland is Dinner Chairman; Robert St. Pierre is Program Chairman and Frank Rossi is Grounds Chairman.

The Seminary, established in 1951, is the home of the Verona Fathers, a religious society of priests and brothers exclusively devoted to missionary work, particularly in Africa and Latin America.

Verona Fathers Mission Seminary is located about three miles north of Monroe city limits, half-way between State Highway 25 (North Monroe) and the Toledo-Detroit Expressway (Interstate 75).

Krupnow Injured

ROMULUS — Sgt. Michael Krupnow, son of Mr. and Mrs. Leonard Dryer of 34942 Michele St., Romulus, received shrapnel wounds of the left eye and leg last month while serving with the U.S. Army in Cambodia. Krupnow was on duty as an M.P. with the 25th Infantry Divis Division.

Currently a patient at Valley Forge Hospital in Phoenixville, Pa., Krupnow has been in the Army for two-and-one-half years. He has been awarded the commendation medal, two bronze stars and the purple heart.

He was stationed in Vietnam and Cambodia for 16 months.

Chef-Service For Sale

Not only can the consumer purchase leaner, more tender meat at her market, she can purchase maincourse meats, frozen boneless and ready for the oven complete with sauces and gravies. And now bacon comes, prefried, in a can!

Announces Option Enlistment

WAYNE — The U.S. Army has established an engineer skills enlistment option to attract men already trained in construction and building trade skills announced Army Recruiting Sergeant Adams of the recruiting station here.

The option offers direct award of one of 14 Military Occupational Specialties (MOSS) and appointment to grade E-4 or E-5, depending on experience. It is open to applicants who are earning or have earned within the past two years their livelihood in trades or professions convertible to one of the MOSS listed by the Department of the Army.

Applicants possessing union or civil service certification will be evaluated by an Army recruiter. Those applicants not possessing union or civil service certification but who appear qualified will be evaluated at the nearest U.S. Army installation.

The facilities engineer will test the applicant using the Job Element Rating System and provide a civil service rating. This rating will allow the recruiter to determine the correct grade appointment.

Sergeant Adams is available from 8 a.m. to 5 p.m. for those desiring more information on the Engineer Enlistment Option Plan. His phone number is 722-3388.

Romulus Boys Advance To State Competition

ROMULUS--Three Romulus boys who competed in the 1970 Romulus Junior Champ Track and Field Day demonstrated such prowess that they will go on to represent Romulus in the State Junior Champ meet to be held at Huron High School on Saturday, July 18.

Youngsters aged 7 to 14 participated in the Romulus Junior Champ meet held at the Romulus Senior High School. The purpose of the meet is to interest students in track and field events at a younger age and to further physical fitness.

The three who showed such skill last Saturday were Brent Hamilton, Marvin Williams and David Bell.

Mongolians are expert horsemen, with children learning to ride when they are about four years old.

NEW OFFICERS - The new officers of the Belleville area Lions Club were installed recently. From the left are Steve Pavelka, Lou Fowler, Grant Oelke, Tony Sam, all directors; Robert Cook, president; Ron Nash, first vice-president; Neil Terwilliger, second vice-president; Burton Griffith, Henry Koski, Dick Bricks, Hellmuth Weiss.

Mrs. Smith Assumes Post As '70 Torch Drive Head

DETROIT - A long-time Detroit leader, Mrs. Russell D. Smith has assumed the post of top woman volunteer for the 1970 Torch Drive.

In the 22nd annual United

Foundation campaign, Mrs. Smith will serve as tri-county chairman of residential campaigns.

She will be responsible for enrolling, training and organizing 4,000 chairmen and 50,000 doorbell ringers to call at every home in the UF campaign area.

Mrs. Smith was appointed to the leadership post by Torch Drive General Chairman John J. Nevin, vice president, marketing, Ford Motor Co.

Chairman Nevin met with Mrs. Smith and 45 of her key volunteers at a noon

luncheon in the Sheraton-Cadillac Hotel.

Among those at the organizational meeting for residential campaign leaders were the chairmen Mrs. Smith has chosen to head the major units under her direction.

These are Mrs. Richard G. Pfeiffer, of Fraser, for the northeast unit comprised of Eastern Wayne and Macomb; Mrs. Carlton A. Rasmussen, of Franklin, for the northwest or Oakland area, and Mrs. Carl K. Rush, of Romulus, for the west unit which includes Wayne County west of Woodward and Highland Park.

As tri-county chairman for

recruitment, Mrs. Smith has chosen Mrs. William L. McCracken, of Southfield.

Providing information, not collecting dollars, will be the primary concern of the residential chairman and her volunteers, Nevin said.

"We must make certain every homemaker learns about the UF and its services," he said. "They are entitled to know where the dollars their husbands give at work are going."

Census Bureau Conducts Survey

The Bureau of the Census will conduct a survey of employment and unemployment in this area during the week of July 19. Robert A. Yerkey, Director of the Bureau's regional office in Detroit announced today.

Questions on employment similar to those in the sample survey were asked of the entire population in the 1970

decennial census, now being compiled. Bureau officials point out, however, that the monthly survey is essential as the source of current employment data.

Facts supplied by individuals participating in the survey are kept confidential and the results are used only to compile statistical results.

Top Music Students Honored

ROMULUS--Mrs. Jean Ward Williams, local teacher, released the names of special scholarship award winners.

In the organ division, special honor goes to Mrs. Lois Krafve of Belleville, adult senior advanced section; Mark Honeycutt of Belleville, school age advanced; followed by Bill Branson of Belleville and Nancy Fuller of New Boston. Earning top

honor roll honors was Morene Havenstein of New Boston.

In the piano division Belva Ray Brown was first in the school age division, followed by Vonda Derryberry, Rewena Andrews and Virgil Smith, all of Romulus.

Honorable mention goes to Terry Mulberry, Debbie Zol, Denise Vickerman, Gail Pratt, Pam Knight, Debbie Kostelie, Devin Moore, Nell Walker, Sandra Wilson and Ruth Golden, all of Romulus.

Two graduated this year, Dennis Hammond on Organ & Piano of Belleville and Joyce Baker on Piano, Romulus. They have completed full eight grades of Music, Theory, and Prep Work for college.

The top award is Lessons from September to June. The second award is Lessons from September to January.

Services For Rakotz

ROMULUS--Ronald Rakotz, who was killed July 5 in a head-on motorcycle accident in Roscommon, was a graduate of Romulus High School and employed at Buffalo Tank.

He and his brothers were partners in a coin-operated laundry in Detroit called the Seven Brothers Laundry.

He is survived by his mother Mrs. Mary Ann Rakotz, and his brothers Melvin, Eugene, Ralph, Hubert, Dave, and Richard. The funeral was at Baum's Funeral Home with burial in Michigan Memorial Cemetery.

License Granted

ROMULUS - A Used Car Dealer License was granted George Jamieson, 27455 Van Born, by the Romulus City Council subject to conditions of the City's ordinances.

To the Mayor, Clerk and
Superintendent of Public Works
of the City of Romulus, Wayne
County, Michigan.
Sirs:
You are hereby notified that
the Board of County Road
Commissioners of the County of
Wayne, Michigan, did, at a
meeting of said Board held on
June 25, 1970, decide and
determine that certain county
roads (alleys) described in the
minutes of said meeting of said
Board should be absolutely
abandoned and discontinued as
public highways, reserving therein
easements set forth in said
determination.

The portion of the minutes of
said meeting fully describing said
county roads (alleys) is attached
hereto and made a part of this
notice, which is given under and
by virtue of Act 283 of the Public
Acts of 1909, as amended.
In testimony whereof, I have
hereunto set my hand at Detroit,
Michigan, this 25th day of June,
A.D. 1970.

BOARD OF COUNTY
ROAD COMMISSIONERS
OF THE COUNTY OF
WAYNE, MICHIGAN
William E. Kreger, Chairman
Michael Berry, Vice-Chairman
Philip J. Nuebeck,
Commissioner
By Donald R. Kring
Secretary
Clerk of the Board

RESOLUTION
Commissioner Berry moved the
adoption of the following
resolution:

WHEREAS, pursuant to
petition and in accordance with
the provisions of Section 19,
Chapter 4, Act No. 283 of the
Public Acts of 1909, as amended,
this Board, by resolution dated
March 19, 1970, set a date of
hearing on said petition and
directed a Hearing Examiner to
hold said hearing; and

WHEREAS, said hearing was
held at the time and place
appointed, and the Board has
considered the findings of fact as
reported by its Hearing Examiner
concerning the advisability of
absolutely abandoning and
discontinuing: All of the alleys,
20 feet wide — as dedicated to
the use of the public in "THE
JUNCTION SUBDIVISION"
of the N. E. 1/4 of Sec. 20, T.
3 S., R. 9 E., Village of
Romulus (Romulus
Township), Wayne Co.,
Michigan, as recorded in Liber
17 of Plats on Page 34, Wayne
County Records — lying in the
rear of lots 1 to 53, both
inclusive, Block 8 of the
aforesaid subdivision;

and
WHEREAS, the premises were
viewed in accordance with said
statute,
NOW, THEREFORE, BE IT
RESOLVED, that it is in the best
interest of the public that the
above-described county road(s) or
portion(s) thereof be absolutely
abandoned and discontinued and
that said road(s) or portion(s)
thereof are hereby absolutely
abandoned and discontinued
reserving therein easement(s) for
public utilities and sewer
purposes.

The motion was supported by
Commissioner Kreger and carried
by the following vote:
Ayes, Commissioners Kreger
and Berry; Nays, None.
7-1; 7-8; 7-15, 1970

Ordinance No. 70-2

(Continued from Page 12-A)

D. SEWER SERVICE INSTALLATION CHARGE: All
connections to any of the sewers of the sewer system shall be
made by the Department of Public Works, except as
hereinafter provided. At the time a sewer service installation is
requested, the following installation charges shall be paid. Said
charges to be paid prior to the installation.

1. The basic sewer service installation charge for a six
inch (6") diameter connection shall be \$250.00.
2. The charge for all sewer service installations for
industrial or commercial premises, or any other premise
established for the purpose of making a profit, shall be
120% of the cost of making the installation, but in no
case less than the current established installation charge.
3. The charge for all sewer service installations larger
than six (6) inches in diameter, irrespective of their
intended use, shall be 120% of the cost of making the
installation but in no case less than the current
established installation charge.

4. All taps other than those outlined in items two (2)
and three (3) above shall be catalogued into one of the
following categories and indicated on a set of master
sanitary sewer plans which shall be maintained on file in
the water and sewer department. The categories and
charges shall be as follows:

- a. A City operated sanitary sewer is available to the
premises in question and a sewer service installation will
be provided to the nearest available property line to the
sewer by the City for the basic sewer service installation
charge except in those cases where the provisions of
items two (2) or three (3) apply.

- b. A City operated sanitary sewer can be made available
to the premises in question. However, such a connection
was not anticipated in the development of the City sewer
program or the establishment of the sewer service
installation charge; therefore, the charge for such an
installation shall be 120% of the cost of making the
connection, but in no case less than the current
established sewer service installation charge.

- c. A sanitary sewer operated by an agency other than the
City can be made available to the premises in question
provided the necessary permits can be obtained from
that agency. However, such a connection was not
anticipated in the development of the City sewer
program or the establishment of the sewer service
installation charge; therefore, the charge for such an
installation shall be 120% of the cost of making the
connection, but in no case less than the current
established sewer service installation charge.

- d. A sanitary sewer operated by either the City or
another agency is located in the area. However, due to
existing conditions, it is not practical to make a sewer
service installation.

5. In those instances where, with the consent of the
Department of Public Works, an applicant elects to
install the entire sanitary sewer house lead, from the
sanitary sewer to the property line at his own expense,
the sewer service installation charge may be waived and a
special inspection charge of Fifty Dollars (\$50.00) per
tap assessed in its place.

- e. SPECIAL RATES: In the event a user desires sewer
service but has no water connection, the consumption rate,
connection rate and debt service rate shall be as recommended
by the Department of Public Works and City Council, which
rates shall, as near as may be determined, be comparable to
that paid by a user having a water connection.

F. SEWER SERVICE INSTALLATION CHARGE FOR
LOW INCOME RESIDENTS: Upon application by the
equitable owner of a residence, the Department of Public
Works may direct that the Sewer Service Installation Charge be
paid by a \$50.00 down payment, and the remainder in 16
equal quarterly installments commencing with the next regular
quarterly billing. The Department of Public Works shall not
take such action unless it shall find:

1. That the residence of the applicant was in existence
and occupied by the applicant as of December 1, 1969.
2. That the applicant and his dependents residing with
him do not have a combined average monthly gross
income for the past twelve months in excess of the
following amounts:

APPLICANT AND NUMBER OF DEPENDENTS	AVERAGE ANNUAL GROSS INCOME
1	\$2,985.00
2	3,855.00
3	4,425.00
4	5,345.00
5 or more	6,080.00

The Sewer Service Installation Charge, whether or not
payable in installments as herein provided, is included within
the meaning of the term "charges for sewer disposal services"
as used in Section 6 of this Ordinance.

PASSING THE GAVEL — Robert Cook (left) receives
the gavel of the president from outgoing president Tom
Warner. Cook was installed at ceremonies at Regal's
Lounge last Wednesday.

Ypsilanti GM Wins Award

YPSILANTI — The
Ypsilanti area General Motors
units and their employees
today received the
Department of the Treasury
Minute Man Flag Award for
outstanding performance in
this year's corporation-wide
promotion of the payroll
savings plan for the purchase
of United States savings
bonds.

Members of the GM Plant
City Committee accepted the
awards from John R.
Vandenberg, area manager of
the Department of the
Treasury's U.S. Savings Bonds
Division. Ceremonies were
held at the Hydra-matic
Division headquarters.

The Minute Man Flag
Citations bear the signatures
of Treasury Secretary David
M. Kennedy and U.S. Savings
Bonds Division National
Director Elmer Rustad and

authorize each of the
Ypsilanti area GM facilities to
fly the Minute Man Flag.

Vandenberg pointed out
that any firm which achieves
50 per cent or higher
participation in the payroll
savings plan is eligible for a
Treasury citation.

Marie DeBuyscher, Term
expires December 31, 1973;
Carole Bales, Term expires
December 31, 1973.

Motion carried
unanimously.

Motion by Edwards
supported by Pennington,
that a Public Hearing be held
to review the Motor Vehicle
Ordinances on July 28, 1970
at 7:00 p.m. at the

VAN BUREN TOWNSHIP
AMENDMENT TO ORDINANCE
M 11-27-62
REGULAR MEETING OF THE TOWNSHIP
BOARD OF THE TOWNSHIP OF VAN
BUREN, WAYNE COUNTY, MICHIGAN,
HELD ON TUESDAY THE 23 DAY OF
JUNE A.D., 1970 IN THE VAN BUREN
TOWNSHIP, MUNICIPAL BUILDING,
46425 TYLER ROAD, BELLEVILLE,
MICHIGAN

PRESENT: Stoelton, Hink, Hogan, Domcik, Maton
and Birk
ABSENT: Payne
ORDINANCE BY: Hink
SUPPORTED BY: Maton

It is hereby ordained by the Township Board of the
Township of Van Buren Wayne County, Michigan that
Ordinance M 11-27-62 is hereby amended by adding
Article IV section 400-4A as follows:

All subdivisions driveways shall be:
I. Cement or black top, solid approach
II. To be solid approach from property line to front
line of building minimum.
III. Such driveways shall also be at least nine feet in
width.
IV. Cement driveways shall be 4 inches thick and
have expansion strips placed not less than 12 feet
intervals.
V. Asphalt driveways shall be:

1. 6 inch base of gravel, stone or slag with a 2
inch bituminous surface.
2. 4 inch hot mix asphalt base with a 1 inch
bituminous surface course.

All Ordinances or parts of Ordinances in conflict
herewith are hereby repealed only to the extent
necessary to give this Ordinance full force and effect.

This Ordinance is hereby declared to be an emergency
measure, necessary for the health and welfare of the
people of Van Buren Township and shall be effective
immediately upon publication.

I hereby certify that the foregoing constitutes a true
and complete copy of an amendment of the Subdivision
Ordinance No. 11 as adopted by the Township Board of
the Township of Van Buren, County of Wayne, Michigan
at a regular meeting held Tuesday the 23rd day of June
1970.

Imogene Pence
Deputy Clerk
Township of Van Buren

Players Pay Tribute To Rakotz

Romulus Cancels League Games

Romulus Adult Softball		
Team	W	L
Baum Funeral	12	1
Home	10	2
Anchor Block	9	5
Cue Corners	8	5
Walter's Bar	8	6
Alden Electric	7	8
Romulus Progressive	7	8
Romulus Press	7	8
Repair	6	7
Gray's Team	6	7
Romulus Crusaders	3	11
Metro Radiator	3	11
Five Points	3	12

Romulus recreation officials, members of the Romulus Adult Softball League along with fans and friends paused to pay tribute to Ron Rakotz, a member of Walt's Bar team, who was killed in a motorcycle-auto accident last week.

Rakotz, 22, starred in athletics while attending Romulus Senior High School and has played softball in the Romulus recreation leagues for the past several years.

He was fatally injured in a head-on collision in the Roscommon County while he was riding his motorcycle.

"We were all shocked upon learning of Ron's death," said Ivan Kinshella, "I know that I am speaking for all who knew him when I say that Ron was just one wonderful guy."

The games scheduled for last week will be rescheduled for the latter part of the season, recreation officials said.

Baum's continued to hold on to first place despite a tie with Gray's who forced the front-runners into extra innings on Thursday before the contest was called in the eighth because of darkness.

The game also will be completed at a future date.

Baum's needed a ninth inning rally to catch Gray's, who blew a 7-4 lead. A Baum's loss, however, would not have shifted them out of first place, a position they cling to by virtue of a 12-1 won-lost record.

Seated in the runnerup slot is last year's champ, Anchor Block which has compiled a 10-2 record. Cue Corners and Walter's trail in third and fourth places, respectively, with 9-5 and 8-5 marks.

Snowmobile Summer Race Is Set

The Wayne County Sportsman's Club will hold its inaugural Snowmobile Summer Drag race on the club grounds on Sunday, July 26 beginning at 1 p.m.

The "snow" will be a quarter-mile grass strip located on Inkster Road between Pennsylvania and Sibley, three miles south of Metro Airport.

Participants will compete

in three events, the Junior Class, for 12 and 13 year; a Powder Puff Class and a motorcycle vs. snowmobile race.

Fourteen dealers from the area will also be displaying their 1971 snowmobile stock.

Admission is \$1.50 for adults while children under 12 will be admitted free. For further information, call 753-9960 or 941-2730.

RACE RAIN or SHINE

UP IN THE AIR — Going high to snare this wild throw is Sportland first baseman Charles Wedyke who missed the putout. The Romulus Youth Baseball Association season heads into the final lap next week as teams jockey into position for the championships.

Teams Heading For Stretch

It's Close In RYBA

As the Romulus Youth Baseball Association teams make the turn and head into the title stretch, there is still room for speculation who will cross the finish line first and win the coveted championships.

Though the Morgan's Pirates appear on the way to the Pony League division title

with a 6-1 record, no one is counting Reel Realty out of the race. They're right on the leader's heels with a 5-1 mark.

Over in the Intermediate Division, Morgan's Mets and Shocks Florist are deadlocked in a two way tie for the American League lead. They are the best bet to

finish first—but Wash Tub, a 5-2 team at present, may have something to say about it before the season is up.

'PATTY CAKE' — No, this Romulus Youth Baseball Association player isn't making mud cakes or looking for lost fortunes. He tripped on his way to first base and got a mud bath for his misue.

and Hofmann each connected for two for four while Pratt, Hoffmann, Kinshella and Fred Barnett each sliced doubles.

Kinshella gave up 13 hits while his teammates committed four errors. Gray's pitcher, Coeheid allowed eight hits. The defense carded one error.

Bob Maronen won his own ball game as he walloped a triple to break a 3-all tenth inning deadlock to give Progressive a 4-3 victory over Metro Radiator.

Maronen's three-bagger scored Les Harris who had singled to get aboard.

Metro launched their assault early on Progressive pitching as Mike Rhodes tripled and scored on a single by Jim Carriek. Carriek, who moved up a base on a fielder's choice, came home on Mike Smith's single.

They added another run in the second on singles by Moore and Larry Daniel.

Alden Electric defused Five Points 10-2 with hitting power provided by Rick

Heggie, Bill Devore, Dan Bob Martin belted a triple and John Adomitis singled him home for the final Alden run.

Martin's bid for a shutout was ruined by Bill Lewandowski and Gary Krischano who connected for circuit clouts.

Tuesday night scores: Romulus Progressive 4, Metro Radiator 3 (10 innings); Gray's Team 7, Five Points 0 (Forfeit); Cue Corners 6, Alden Electric 1; Romulus Press Repair 8, Romulus Crusaders 5.

Thursday night scores: Anchor Block-Cue Corners (postponed); Walter's Bar - Metro Radiator (Postponed); Baum's Funeral Home 7, Gray's Team 7 (called after eighth inning because of darkness. Game will be played at a later date); Romulus Press Repair 14, Romulus Progressive 5; and Alden Electric 10, Five Points 2.

Legion All-Star Game In Trouble

Someone goofed! Don't know who and really don't care. But we hope someone will make sure that it never happens again.

It happened last Saturday, July 11, the day of the annual American Legion All-Star game. The game, one of the highlights of the Legion baseball season, was shifted from its environs at Tiger Stadium and moved downriver to the Wyandotte Memorial Stadium.

No, we're not knocking the downriver stadium — it's as good as any you could find for the game.

Those responsible for the organization of the game turned it into a farce. They scheduled the game for 7:30 p.m., then, within a few hours notice, rescheduled it for 1:30 p.m. And the end result was disastrous.

There were only a handful of fans — mostly parents of the players — who saw the game which in previous years would draw large crowds.

The All-Star game pits the best of the Detroit teams against handpicked group of players from the 16th District.

"It was the worst set-up for an All-Star game that I have seen," said Wayne Post 111 manager Bob Eisiminger. "There was no one on hand to see it and, let's face it, most ball players would like to perform before fans.

"And moving the game out of Tiger Stadium killed the incentive," said Eisiminger. "I hope Legion officials will take steps to correct this in the future.

"I would hate to see this outstanding Legion event killed because of lack of interest," he said.

Managers in the 16th District drafted four players from this area to their All-Star team, including three who made the grade on the Associated Newspapers' All-Area team this year.

Among those picked were Dean Minton, Richard Fidh and Dan Cesarz from Wayne and Riverview's Al Plotter who has piled up a 6-2 won-lost Legion pitching record.

Minton, a junior, played the outfield for Gary Green's Zebras at Wayne Memorial and teammate Fidh was the regular third baseman, while Cesarz recently completed an outstanding athletic career at Wayne St. Mary's where he lettered in baseball, basketball and football.

Detroit did it again to the suburbs as it posted a 3-2 win over the 16th.

Editors Get A Day Off

No, unfortunately, we weren't able to see the contest. We had an "Editor's Day Off" and attended the second Baltimore-Detroit game.

That "Editor's Day Off" is brainstorm of the Detroit Edison Company and John Harkness, public relations director. And it's a pretty good idea — you won't find one editor knocking that project.

You see, the Edison Company foots the bill for a lunch at the Detroit Press Club and then is our host at a Tiger ball game.

Now, if we could only convince the Detroit Gas Company to come up with an Editor's Day Off for a Lions' game; and the telephone company to host an editor's for a Detroit Piston game and the water company to fete us at the annual Hydroplane Races and...if we could only find 352 sponsors, we could forget about deadlines!

AT BEYER DEDICATION — On hand for the dedication ceremonies for the new Beyer Memorial Hospital in Ypsilanti were, from left, Dr. Karl Klicka, executive director of the People's Community Hospital Authority; Michigan Governor William G. Milliken and Donald J. Pizzimenti, chairman of the PCHA board of governors.

Milliken Praises PCHA For Beyer Accomplishment

"I'm very happy to be with you today to participate in a very important event for the people of this area. I know the work and planning that had to be done before this hospital could become a reality, and I commend each of you who have played a part in converting the idea of this facility into a reality."

With these opening remarks Gov. William G. Milliken formally dedicated the new Beyer Memorial Hospital in Ypsilanti at ceremonies Sunday afternoon.

Donald J. Pizzimenti, chairman of the Board of Directors of Peoples Community Hospital Authority, served as master of ceremonies at this dedication program for this newest addition to PCHA's health care facilities.

In brief introductory remarks Dr. Karl S. Klicka, Executive Director of PCHA, said "On this day of dedication as I give thanks to all of you for your participation in this project, let me join you as we dedicate ourselves as

individuals, and collectively as residents of this area, to continue our patience, our sympathetic understanding, and our support of this great community effort. This is indeed a great day.

Ypsilanti's Mayor Richard L. Boatwright expressed the pride of the people of his community in the new Beyer Hospital, and Supervisor Fred Lunde of Ypsilanti Township urged a continued dedication to provide area people with the finest in health care services.

Gov. Milliken also praised Ypsilanti area people, saying "In the time available to me today, I couldn't possibly pay tribute to all of the people who have helped make this day possible. Certainly, they include the city officials of Ypsilanti, the physicians, nurses and other staff members of Beyer Memorial Hospital, the Boy Scouts and other citizens who assisted in the move from the old hospital to this new building, and of course, the Peoples Community Hospital Authority, itself."

Continuing, Gov. Milliken said: "The people of

Ypsilanti have had a first-hand chance to witness the tremendous growth of the Authority over the years, from the modest beginnings when it operated the old Beyer Hospital to a large and successful system which has built hospitals and additions in Wayne, Lincoln Park and Trenton totaling more than 1,000 beds. I congratulate all of you on the success of the Authority in providing much improved and expanded health care for the citizens of this area. Whether you are a member of its staff, or whether you have no direct connection with this beautiful new structure, I know you must realize how vitally important a modern and efficient facility such as this can be to the health of a community.

"Providing every American with humane and effective medical care at a cost he can afford is one of the most urgent goals we face today," Milliken added. "The people of this community, through

the Hospital Authority, have shown that concern about providing improved health care can be translated into better facilities and better service. You are showing how it can be done, and I think this new hospital can serve as an example of progress for every city in Michigan."

Several members of PCHA's Board of Directors were present, including Roland W. Arnold of Southgate, G. Yale Averill of Ypsilanti, Mrs. Justine Barnes of Westland, James Cunningham of Allen Park, Timothy J. Dyer of Ypsilanti, Dale Hoover of Westland, David L. Kerr of Dearborn Heights, Hiram McNeely of Inkster, Kenneth L. Murray of Westland, John L. O'Brien of Wayne, Alexander Papp of Taylor, Tracy E. Salisbury of Ecorse, Edward C. Stoelton of Van Buren, John Trelley of Trenton.

Turco To Meet With The Voters

WESTLAND — A "Meet the Commissioner" gathering is planned at the home of Larry Colpaert Saturday in honor of Wayne County Commissioner Ralph Patrick Turco (D-25th District).

Starting at 6:30 p.m., the evening will feature snacks and refreshments. Colpaert resides at 35535 Oakwood Lane, Westland.

For tickets and further information, contact Colpaert at 729-2549.

ANTHONY BIELECKI

Bielecki Opens Fight For Senate Election

WESTLAND — Anthony, "Bill" Bielecki, Jr., 510 N. Karle, Westland, announced his candidacy for the republican running spot on the 13th District state Senator ticket this week.

He will oppose either incumbent Senator William

Faust, or hopeful Vincent Pettipren in the race.

In announcing his candidacy, Bielecki stated, "Michigan is besieged with problems, problems concerning taxes, pollution, civil unrest, campus disorder, and destruction, drug abuse,

and a general deterioration of morals. There is a crying need for solutions to these problems, new and imaginative solutions, not a rehash of passed programs which didn't work.

"We read in the newspapers almost daily of a

commission or committee being formed to study this or that problem, but it seems to end at that.

"Problems don't need committees, they need solutions! And I believe I can contribute to problem solving with a new and bold approach."

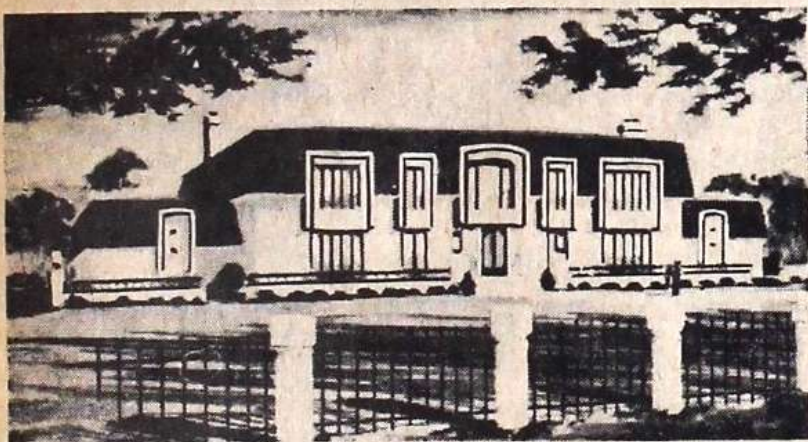

Bielecki, 43, known as "Bill" to most people, was born in Ohio, raised and educated through high school in Dearborn, and spent his four college years at

Lawrence Institute of Technology, majoring in Industrial Management. A veteran of World War II, he is presently employed by Detroit Diesel Engine Division of General Motors, in the engineering department. He is a member of the Knights of Columbus,

Board of Directors of the Republican 15th District, and attends St. Richard's Church in Westland.

He lives with his wife, Norma, and children Craig, Mary, Mark Kristen and Scott in Westland.

THE MARK OF A GREAT CAR BUY.

When you see a license plate like this, you know the owner saved a lot of money. Mark Chevrolet does give the best possible price, and the biggest possible trade-in allowance on every car we sell. But selling price is only half the story of a great car buy. Before the sale comes the extra care that

assures you of getting just exactly the car you need.

After the sale comes years of the highest quality personal service, to make sure your Mark Chevrolet runs better, longer. It's the combination of savings, service and satisfaction built-in to every Mark Chevrolet that make it a great car buy. Don't settle for less.

Commissioners Get Home Grant

Wayne County's Board of Commissioners has received an \$89,500 federal grant for planning of the county's first rehabilitation facility for juvenile delinquents.

Award of the grant was announced by the Federal Law Enforcement Assistance Administration in a telegram to Albert J. Zak, chairman of the Board of Commissioners.

The facility will combine hearing rooms for Juvenile Court judges, probation offices, detention quarters and short-term rehabilitation facilities.

The present Juvenile

Court-Youth Home, located on Detroit's east side, has detention facilities but no rehabilitation program. It is so overcrowded that as many as 100 youngsters are sleeping on the floor.

As now envisioned, the new facility would have at least the capacity of the present one—160 boys and 60 girls.

Its most likely location is on county-owned land across Michigan avenue from Wayne County General Hospital in Westland. This would serve the rapidly expanding population west of Detroit and reduce the population at

the present Youth Home, making possible new programs there.

Rehabilitation would be provided on a county-wide basis.

Estimated cost of the new facility would be \$12-million. Funds for construction are expected to come from several sources.

Commissioner John Lesinski, of Dearborn, D-District 20, chairman of the Board's Planning and Capital Improvement Committee, said detailed design of the facility should be completed within a year,

setting the stage for construction.

Jerome A. Szymanski, of Detroit, D-Dist. 6, chairman of the Board's Juvenile Affairs Committee, stated:

"Our single greatest handicap in coping with juvenile delinquency is the lack of rehabilitation facilities. Many dangerous youngsters must be turned loose simply because there is no alternative at present."

The Board of Commissioners has designated the new facility as the county's top construction priority. It also assigned top

priority to the youth crime problem in this year's budget, adding a total of 27 employees, most of them probation officers, to the Juvenile Court staff.

Barns Campaign Offices Opened

WESTLAND — Justine Barns, candidate for State Representative in the 37th District (Wayne, Westland, Inkster) has opened a campaign headquarters at 445 S. Wayne Rd., Westland, just south of Cherry Hill Rd.

The headquarters will be run by the Barns For Representative Committee, headed by George (Mickey) Gagnon of Westland. Other

officers of the group are Russell Tuttle, secretary; Dennis Fassett, treasurer; Al Bright and Betty Bright, coordinators; and Mrs. Ray Gagnon of Wayne, women's chairman.

An open house coffee hour with Mrs. Barns will be held at 1 p.m. Saturday at the headquarters. Daily hours, except Sunday, for the offices are 1-9:30 p.m.

Area Students Earn CMU Honors

A total of 1,722 students have been named to the scholastic honors list at Central Michigan University for the 1970 spring semester. The students achieving scholastic honors were among 12,273 enrolled at the university for the semester which ended June 5.

To be eligible for the honors list, a student must have a cumulative grade average of "B" or better for his entire college career.

Included on the spring semester honors list are 1,698 students from 80 Michigan counties and four students from foreign countries.

Petitpren Feted With Reception

TAYLOR—State Rep. and Mrs. Vincent J. Petitpren will be honored at a champagne reception Saturday, July 18 at Region I-E Hall, Taylor.

work on behalf of aging people in Michigan.

At the gathering, sponsored by the Petitpren for Senator in '70 committee, the 'Good Life' award will be presented to Petitpren for his

Entertainment will include ballad singer Elaine, who has appeared on many local radio programs. Working on the event will be members of the Petitpren campaign from throughout the 13th district.

Who Gets The Credit For Aiding Nankin Mills?

WESTLAND — Who gets credit for the smooth reorganization of the Nankin Mills School District and the allotment of funds for the Wayne and Livonia School Districts which split Nankin Mills between them?

That is, apparently, the issue in a heated campaign exchange between incumbent State Senator William Faust and State Rep. Vincent Petitpren, who is the challenger.

Petitpren has charged that Faust is taking credit improperly for legislation which brought about the annexation of Nankin Mills, and the obtaining of money for the receiving districts.

Faust, who denies trying to take all of the credit, says the record of his efforts on behalf of the legislation is already well known, and he cites as authority two local school superintendents.

Livonia School District Supt. Ron Upton says, "The superintendent doesn't want to get mixed up in any political squabbles in the area."

"But, in my opinion, the two people who carried the ball during the annexation of Nankin Mills were Senator Faust in the Senate and Rep. Marvin Stempin in the House. There were any number of others without whose efforts we could not have obtained the legislation, but it was Faust and Stempin who were on the spot," Upton said.

"And I would have to add," he says, "That we will be eternally grateful for their help."

Upton said Faust's major contribution was in collaring votes when the measure was in trouble in the Republican-controlled Senate.

Wayne Community School District Supt. Harry Howard stopped short of outright praise for Faust, but said, "The battle for the legislation was in the Senate. I know, I was there when it was going on. The votes had to be found when a conference report recommended that the Nankin Mills funds be cut. The report was overturned, and that was an extremely difficult thing to do."

Howard said reports in the Senate Journal would bear out what he said.

But Petitpren feels that Faust's claim to the legislation is overdone. He says, "I'm objecting to him taking credit for legislation passed by other legislators."

Petitpren challenged Faust's role in the passage of the school loan act which brought money to the Inkster School District, and claimed that, while Faust co-sponsored 19 bills which became law, none of them was originally sponsored by Faust.

Petitpren says he is taking the matter to the fair elections practices commission, claiming that a Faust brochure represents unfair campaign practices.

Of the Inkster loan act legislation, Faust says, "If I didn't have an appreciable role in the passage of the bill, I can't understand why I was asked by the school district officials to chair a public hearing in the Supreme Court chambers in order to present

the legislation to about 20-25 other legislators.

Faust said he would prefer not to "blow his own horn" on the Nankin Mills question.

but requested that Howard and Upton be polled on their feelings about his role in the passage of the legislation.

"We had to stop an

impending defeat of the Nankin Mills proposal twice. It was quite a job, as I remember it," Faust said.

Petitpren says he is

challenging Faust because the record should be made clear about who put what effort into bills with a local impact. Petitpren feels his record is a good one.

Faust says, "I don't think Petitpren wants to give anyone else any credit for doing anything for the area."

Faust says he is running on

his record, not Petitpren's, and adds that he has been representing about five times the number of people as Petitpren. "Who's had the bigger job," Faust asked?

The voters will decide the final result of the dispute on Aug. 4. It's primary election day, and the winner will be busy building a new four-year record.

Community College Deserves Voter Support

The Wayne County Community College goes to the people Aug. 4 in hopes of obtaining enough tax dollars to continue operation at its branch centers throughout the county.

If voters approve a one-mill levy for the college, it will be the first time a community college program has been supported by the people of Wayne County.

The college would serve all areas of the county outside the existing Schoolcraft, Henry Ford and Highland Park community college districts.

Western Wayne County, which includes only a small portion of the Schoolcraft College district in Garden City and Westland, would stand to gain considerably from the approval of the millage. Among the college centers are those at John Glenn High School in Westland, the Milton Middle School in Inkster and Huron High School in Huron Township, near Flat Rock.

This fall, a new center will open at Belleville High School.

The success of the community college in western Wayne County has been substantially credited to John R. Ryan, a Westland attorney, who serves as one of seven elected trustees on the college's board of governors.

Ryan, long active as a member of the Wayne Community School District board of education, and as a volunteer in many educational areas, believes that the Aug. 4 election can mean a bright future for the college.

Ryan points out that the one-mill levy would provide only a bare-bones budget for the college, and would not result in a massive building program. The goal, at the present time, is simply to make the college programs more available to Wayne County residents, through the neighborhood centers.

Without the millage levy, it is doubtful that the college could continue to operate, let alone build large campuses. For the last year, the programs have been funded through a special grant of tax monies from

the state of Michigan, allowing the college to draw a small amount of funding.

Murray Jackson, the college's president, and his staff have been working to make the college offerings attractive and useful to area residents. The goal has been to offer something for nearly every taste and interest, with special emphasis on providing education for persons who would not necessarily be interested in or qualified for a four-year college program.

Entrance requirements have been kept as simple as possible, to allow the maximum number of interested persons to enter. As long as a Wayne County resident has the sincere desire to use the college facilities, he is encouraged to enter.

The result has been that a new dimension in education has been introduced to the people of Wayne County. The college has shown that it has the potential to become a vital force for improving the lot of county residents who use its facilities.

The need for the Wayne County Community College is longstanding and immediate. Education for everyone in the county has been an unrealized goal for too long.

Now that the citizens of the county have the opportunity to maintain and bolster the fine, but fledgling program of the community college, we hope they will make the most of their voting power.

In the past, western Wayne County residents have given substantial support to community college proposals. Other areas of the county have not been so generous.

That is why it is more important than ever that western Wayne County voters give a vote of confidence to the college on Aug. 4. The area's traditional voter support may be vitally needed.

We think the community college has been an outstanding and forward-looking venture. It should be given new life by the voters.

We urge approval of the one-mill tax levy for the Wayne County Community College on the Aug. 4 primary election ballot.

Lansing Highlights

Economic vs. Pendulum Politics Stir Observers

BY DON HOENSHELL

Political people in Michigan are assessing the intangible trends of the electorate as they start on the campaign trail that will lead to election day Nov. 3.

They feel that realism is compelling up to that point where the invisible tug at a voting lever takes over.

Republicans and Democrats occupy both camps — those who feel that the dollars in the breadwinner's wallet are most powerful, and those who follow the political pendulum.

Examples abound.

Senator Robert J. Huber (R-Troy) claims he is pulling even with Mrs. Lenore Romney in their race for the Republican nomination for the United States Senate.

Huber is a proud conservative and feels he is going in the direction of the pendulum swing, back to conservatism. Mrs. Romney is considered to be a moderate.

On the Democratic side, Zolton A. Ferency, former state chairman and now the darling of the leftist New Democratic Coalition, banks more on realism than on tradition.

"Zoltie is zigging while the country is zagging," said one Democratic critic.

House Speaker William A. Ryan (D-Detroit) says the realities of the national posture on Vietnam and Cambodia, plus inflation bodes well for Democrats this year.

At a point in history when the electorate is protesting and otherwise disenchanted, he figures the ins are in trouble and the outs get an opportunity for public service.

Realism thus will overcome the magnet of the pendulum swing and bode well for Democrats in November, he said.

He points to the accomplishments of the 1969-70 Michigan Legislature — increased money for education, including parochial, raises in welfare benefits, hikes in unemployment compensation and the minimum wage.

Ryan said a new youth services program will give aid to the young, the citizens grand jury will help fight crime and the \$300 million bonding authority will improve housing for the middle and lower income brackets.

"There is a chance that Democrats could take both houses (of the legislature) — but it's difficult to predict," he said.

Ryan has pushed parochialism for two years and now a \$22 million appropriation of public money for non-public schools awaits only Gov. Milliken's signature and court tests.

The extension of state help into an area formerly considered private is one definition of liberality.

It is a puzzle, with that definition, why Milliken, a Republican, chose to support parochialism, and Senator Sander M. Levin (D-Berkley), a Democratic candidate for governor, opposed it.

"There aren't too many races shaping up with that as a major issue," said Ryan. "I don't think it will have much of a bearing."

Another element will make a difference this year — race, particularly in Detroit where majority whites in other years now find themselves in the racial minority.

Ryan's own district has grown to be 65 per cent black and he will be opposed in the primary by Ruby M. Turner, whose father is the pastor of the largest black church in the district.

At last count there were 22 automatic "lame ducks," those who won't be back, either because they are running for other offices or did not choose to run for re-election.

The trends — the pendulum, realism, the changing nature of the population in some districts — all are important, if only psychologically.

And every candidate, from Milliken down, will be fighting the intangibles as well as his opponent on the other side of the ballot.

In This Corner

Utilities: Self-Made Victims?

By DICK McKNIGHT

Utility companies have encountered the rough waters of public opinion in recent months, largely because local residents have come to believe that there is almost nothing that can be done to influence the utilities.

When a company becomes untouchable in public eyes, it also becomes fair game for any number of potshots, none of which is expected to have the slightest effect.

Even more dangerous, of course, is the result of the utilities themselves coming to believe they are untouchable. When the companies no longer see themselves as essentially responsible to the public, they can justify many unpleasant things in their own interest.

The list of horror stories is endless.

A mother of three in Westland had utilities turned off in her house from May until November because a divorce was pending and she was temporarily behind in her bills. The family

barbecue was used to cook meals, and an extra supply of blankets kept them warm. Finally, the woman's employer found out what was happening and repaid the companies. The woman paid off her employer a small amount at a time.

A housewife in the area received a bill from a utility for \$8 following a meter reading after several months of estimates. The bill was followed shortly by a second one asking for the revised amount of \$900. In desperation the woman called the utility company and was told the bill was obviously wrong since it was so high, and finally settled on \$120 as the proper amount owed.

The computers, of course, are never wrong. That's what one local housewife was told when she called to complain that a man was turning off one of her utilities even though she had promptly paid her bill. She insisted that the matter be checked, and when she was told the computer had, indeed, erred, she compelled the repairman to come to the phone.

When the repairman found that the utility was turned off incorrectly, he informed the housewife that he was not authorized to turn the utility back on, but only to turn it off. He told her another repairman would have to be called the next day to turn it back on. She was required to pay a \$2 fee for the service the next day.

Stories like that, of course, make public relations men for utility companies cringe. In every business a few things happen for which there is no reasonable explanation short of an apology.

But in the case of the utility companies, dissatisfied customers cannot take their business down the street to the competition. There isn't any competition, and the utility companies know it.

Consumerism, or the protection of buyers, is one of the coming phenomena of our society. The utility companies have appointed themselves the first victims, that is, unless there is still time to put on a more human face.

Thoughts . . .

Industrial Threats Are Colorless

By JIM CARRAVALLAH

If they built an industrial park in your neighborhood, would you gripe? There's a good chance.

Residents in Westland's Annapolis Park Subdivision are battling city hall, so to speak, over the proposed rezoning change which would result in an industrial park being built in their area.

Despite the fact the city is in need of the industry and the people do not want it in their area, their balking is understandable, and their fight could be classified as legitimate.

Unfortunately, one has to disagree with their tactics.

Originally, they had hired an attorney from a Detroit firm, and when he found the fight would be futile, in his own words, he left. What the residents did next is questionable.

Using their skin as a weapon, they went to the Wayne County Legal Service Center, an office of the Office of Economic Opportunity, and got an attorney assigned to their case.

It may be justifiable under the OEO's guidelines, but one wonders if the people really got the attorney because they were black, and in spite of the fact they could afford an attorney before.

That isn't the main complaint.

What raises this editor's ire is the use of Michigan Civil Rights workers in the fight, intimating the people feel they are being discriminated against.

Nicholas Rine, a representative of the state civil rights commission, gave a careful, sensitive speech to the city council, July 6, gently saying he hoped

the council would take into consideration the possibility of institutional racism, which was never defined.

Here is the crux of the gripe.

Are the black residents really being discriminated against, when they have an attorney, and the city council is bending over backwards to hear the case, or do the people want to use their skin as a lever against the council to get their way.

They look far too comfortable to be welfare cases off Twelfth St.

Annapolis Park residents' complaint is no different than that of any other subdivision facing progress. Residents admit they are in favor of the park, as long as it is placed in another section of town.

It is in this light that the council should view the problem.

A Grandmother In Politics: Mary Washburn Is Running

TAYLOR — Politics and grandmothers are not a common mixture, but Mrs. Mary Washburn of Taylor has proved the rule.

The 55-year old employee of the County Civil Service Commission has thrown her hat into the race for the Democratic nomination for Wayne County Commissioner in the 24th District.

The district includes all of Romulus, Belleville, Wayne, part of Westland, Van Buren, Sumpter and Huron.

In her first try for office in 1968, Mrs. Washburn was elected as a representative on the Wayne County Charter Commission, a group which never formally existed because the charter issue was defeated.

But the experience apparently whetted her appetite for the political fray, and this year Mrs. Washburn filed to oppose Commissioner Edmund Bizak in the Democratic primary.

She is quick to deny that her candidacy has anything basically to do with her job as a county employee. "I'm not in the race for any personal gain, or to get back at anyone. I think I know something about the way the government runs and ought to run, and I want to do a good job for the people of the district."

As a county employee, Mrs. Washburn says she first observed the need for a revamping of county government. "At the present time," she says, "I think the old county board was actually doing a better job than the one we have now, even though it was larger and more cumbersome. The possibility of obtaining county rule excites me, though, and I think that is an important issue."

Mrs. Washburn says she particularly objects to the present county board taking secret ballots on public issues, and the failure of the commissioners to print a

record of their proceedings. "The people don't always know what is going on," she said.

County home rule, set up with an executive head of county government, would be the best way to do things, she believes.

As a woman in politics, Mrs. Washburn describes herself as "anything but" the women's liberation type of candidate. "I think women have a contribution to make. If you're good you'll make it, it's just the merit system," she says.

What reforms in county government does Mrs. Washburn favor? More contact with the people, would be a good place to start, she says.

"Board meetings are open to the public, but here again, the present commissioners have not thought about the needs of the citizens. Meetings were held at 12 noon in the large auditorium. Working people and other could and did attend this. Meetings are now held at 2 p.m. Is this for the convenience of the citizens or the commissioners," she asks?

Mrs. Washburn's qualifications are self-made. At 55, she is in her third year of college at Wayne State University, majoring in sociology. She has been a member of the Public

Personnel Association, representing county employees, and she has served as secretary of the international and state chapters.

She is an active member of the Taylor Education Action Movement, and is a member of the Wayne County Supervisory Employees

Association. She belongs to the 15th Congressional District Democratic party organization, the Wayne County Democratic Committee, serving on the business and professional committee; the Democratic club of Taylor and the League of Westland Democratic Voters. She is a member of the Michigan

President William R. Keast awarded degrees to a record number of 4493 candidates at Wayne State University's recent commencement exercises held at Cobo Hall in Detroit.

Graduating from Western Wayne County were:

Belleville — Walter Thomas Hink III of 42541 Expressway; Gary Duane Dunbar of 18100 Elwell and Robert Paul Sitz of 27521 Bell Rd., New Boston.

Inkster — Vicki Azadouni Derderian of 545 Arlington Dr.; James Edward Engle of 28588 Hazelwood; Darrell Nicholas Hinzor of 1245 Corona Dr.; Carolyn Marie Tschernie of 28598 Rosewood; Teri Ann DeGross of 8756 Merriman; Marla Rae Morrison of 29263 Avondale; Leit Stevens Jones of 27018

Penn; Otis Douglas King of 27022 Lehigh; Lana D. Kocher of 268 Auburn Dr.; Patricia S. Wysocki of 30220 Avondale; Helen Marva Cooper of 4308 Yorkville Ct.; Carole Marietta Chapman of 3107 Henry, master of social work; Shiu Bui Cho of 1711 Kenwood, master of science in civil engineering; Rachell Marlett Lloyd of 1749 Franklin Dr., master of arts; Kenneth Elmer Tabor of 1652 Franklin, master of arts; Marilyn Lee McClenamen of 139 Cherry Valley Drive, master of education; and Haze Lee Moore of 26253 Florence, master of education.

Romulus — Patrick H. Young of 16456 Oakbrook; David Raymond of 30509 Leroy; James Thomas Kropog of 29075 Northline; Carolyn Rosalie Senk of 27925

Northline; Donald Edwin Melcher of 16005 Vining, master of science; and Sandra Susan Simko Blair of 19595 Merriman, master of science in library science.

Wayne — Thomas F. Kalttenbach of 35908 Fernwood; Norbert John Siwak of 5148 Westwicke Dr.; and Richard Lewis Riley of 33260 Franklin, master of urban planning.

Westland — Thomas Lee Tanner of 34643 Spring Valley; Neil Wayne Thomas of 7412 Central; Sharon Marie Turell of 7358 Central; David Arthur Barnes of 35300 Westland Estates; Peter Gasper Cucinella of 6145 Wildwood; James Henry Day of 35117, Nancy; Judson Kelly Smith of 7576 Merriman; Floyd Emerson Whitecher of 31670 Cowan Rd.; Gary William Ray of 35940 Canyon Dr.; Edward Kent Eberle of 7704 Merriman; Joseph David Olson of 32546 Steinhauer; Christine Mildred Cogger of 30979 W. Warren; Karen Ann Kelber of 6737 N. Wayne Rd.; Shirley M. King of 33976 Spring Valley Dr.; Jeffrey Charles Conn of 31835 Sandra Lane; David Nelson Fabian of 30971 W.

included Ellen Sue Parrish of 33931 Arrowhead and Marilyn L. Turner of 8493 Woodcrest.

In addition to registering for fall classes, the new students became acquainted with the campus and met many of their future classmates and instructors. For many, it was their first experience with dormitory living as they were housed and had their meals in university residence halls.

A corps of student advisers served as guides for the newcomers and assisted them with registration procedures. Each student mentor was responsible for a group of 35 freshmen during each orientation period.

Attending from Belleville was Charles R. Weber of 43600 I-94 expressway.

Garden City freshmen attending were John R. Harrison of 32216 Rush, John M. O'Neill of 6631 Arcola, Denise M. Schormack of 861 Radcliff and Susan K. White of 31235 Barton.

On campus from Inkster were Linda Van Gleson of 26284 Avondale and Harrell Watts of 26949 Clyde.

Those attending from Romulus were Paul F. Seestedt of 11576 Olive, Andrea Hadymiak of 36826 Menton, John Temple of 27768 Pennsylvania and John Toporek of 14119 Hannan.

chapter of the National Organization of Women (NOW).

The big job Mrs. Washburn feels must be done by the Board of Commissioners is to find effective means of communication with the public. "Because the commissioners have failed to communicate with the public,

MARY WASHBURN

the board has not been able to gain the trust and confidence of the citizens," she says.

Area Students Are Wayne State Graduates

Petitpren To Serve On Committee

State Representative Vincent J. Petitpren (D-Westland) has been named to represent the Michigan Legislature on a special committee making arrangements for the display of Apollo 11 in Michigan.

Apollo 11, the spacecraft which carried Astronauts Armstrong, Collins and Aldrin on their historic journey to the moon in July 1969, will make a 50-state tour this summer. In each state, the spacecraft, with a sample of lunar rock, will be on public exhibit.

Apollo 11 will be in Michigan from August 28 to September 1.

"In order to prepare for this visit," Petitpren said, "there has been established a Michigan Apollo 11 Display Committee composed of representatives of various state departments. I feel that it is entirely appropriate, in view of thynational and historic significance attached to the Apollo 11 craft, that

the Michigan Legislature also contribute some assistance in making arrangements for this event."

The special legislative committee, composed of both state representatives and senators, was created by resolution. Petitpren's appointment was announced by the Speaker of the House, William A. Ryan.

ATTRACTIVE DECOR — The old English decor of the Leather Bottle Inn sets a quiet mood for its dining customers. The new establishment specializes in beer and pizza.

BEER AND PIZZA SPECIALISTS — The Leather Bottle Inn, 28937 West Warren Rd. in Garden City opened its doors for the first time on July 1 and now stands ready to provide the public with fine food, especially draft beer and pizza. The Inn features folk singing entertainment every Thursday, Friday and Saturday night. The Inn is open on weekends from 11 a.m. until 2 a.m.

Summer Snowmobile Race Set For July 26 Start

Wayne County's first sanctioned snowmobile summer drag race will be sponsored July 26 by the Wayne County Sportsman's Club and held at their club grounds, on Inkster Road between Pennsylvania and Sibley Roads in Huron Township.

Race publicity director Ralph Schwartz of Romulus reported that this event is one of the greatest spectator races going. Some of the items of interest are: a motorcycle versus snowmobile in the best two out of three; a local

officials race with the supervisors and mayors from Huron Township, Romulus, Belleville, Woodhaven, Rockwood, Van Buren and Brownstown Townships participating in a two man snowmobile relay race; a junior event for kids 12 and 13 years old and three powder puff events with some of the

top women drivers in the state participating. Fully modified snowmobiles burning nitro alcohol capable of speeds to 100 MPH in the 1/4 mile strip.

This race has the sanction of the Michigan International Snowmobile Association and will be run under their rules

and safety regulations. The MISA has selected a local racer to serve as MISA Race Director for this event. He is Lefty Price, from Belleville.

Registration will start at 9 a.m. and continue to noon. A drivers meeting will be held at 12:30 p.m. with the race starting at 1 p.m.

Admission is \$1.50 for adults and children 12 and under will be admitted free.

For further information call Lefty Price 313-941-2730 or Ralph Schwartz 313-753-9269.

Wonderland Plans Sidewalk Sale

Wonderland Center, located at Plymouth and Middlebelt Rds., will hold its annual "Sidewalk Sale" this Friday and Saturday, July 17 and 18.

The annual event will provide shoppers with outstanding bargains and special entertainment is being brought in.

The children will be amused with "Mr. High Pockets" — the stilt-walking clown. He will stroll the mall on Friday from noon to 2 p.m. and from 6 to 8 p.m. handing out balloons to the children. On Saturday, his hours will be 11 a.m. to 1 p.m. and from 3 to 5 p.m.

A Barber Shop Quartet will be singing old-time favorites in the mall from 3 to 7 p.m. on Saturday.

During the sale, an old-time pitchman — Don Williams, who has been the master of ceremonies at the Michigan State Fair for the last 18 years — will be in the center of the mall pitching specials via a public address system.

Beginning at 9 p.m. Saturday evening, experienced square dancers will gather at the west end of the center to put on a show with the well-known caller, Bev Tallman of Livonia.

Legionnaires Gather For Convention

More than 3,000 members of the American Legion and Auxiliary are expected to gather in Grand Rapids this weekend to elect a new commander and state officers at the Legion's 52nd Annual Department Convention.

This year's contenders for the position of State Commander are Matthew W. Jamieson of Detroit and George Johnson of Dexter. Both candidates are Legionnaires who have held high positions in the American Legion of Michigan

and actively contributed to many of the group's programs. The election will take place Sunday.

Highlighting the four-day convention will be Governor William Milliken, keynote speaker, who will open the official convention session at 3 p.m. Friday in the Main Civic Auditorium.

Festivities of the convention include a colorful and tuneless drum and bugle corps competition, a beauty contest and parade.

AT WESTLAND CENTER — The photographic art of Richard L. Anzinger of Detroit will be on display this week in the mall at Westland Center, Wayne and Warren Rds. in Westland. Anzinger's art is rated worthy to be sold in art stores, and includes a wide variety of subjects. The photos cover a year of his work, beginning in early 1969.

Judge Lincoln Heads Juvenile Court Body

Judge James H. Lincoln of the Wayne County Juvenile Court has been elected president of the National Council of Juvenile Court Judges at their recent annual meeting in Atlanta, Ga.

Judge Lincoln has been vice-president of the National Council for the past three years and will assume the office of president in July, 1971.

"The great domestic issue of the day," said Lincoln, "can be simply stated: What role should government play in the life of a child?"

"Juvenile courts, schools, police, social agencies and every institution of government that deals with this vital question is being tested for its ability to develop the leadership and wisdom to produce a society where the focal point of attention can be on the achievements rather than the behavioral problems of its youth," he said.

"The National Council of Juvenile court judges, through its membership of over 1,100 Juvenile Court Judges must deal with hundreds of thousands of both the unwanted and the

delinquent children of this nation," he continued.

"I welcome the opportunity to serve as president of the National Council of Juvenile Court Judges because I welcome the opportunity for effective leadership," said Lincoln.

"There is no group in America that is better able to recommend and to implement actions based on facts than the 1,100 Juvenile Court Judges who are daily exposed to the thousands of individual tragedies of America's youth."

By HOWARD ALLEN
Panax Amusement Critic

The Greenfield Village Players have opened another American Drama Festival at the Henry Ford Museum and once again the Village powers-that-be have given director Joseph French a totally inadequate budget.

There probably isn't a more natural setting in America for a festival of early American drama and there would seem to be a good chance of turning the series into a major festival, comparable to Stratford, if French's budget provided for professional New York casting and national publicity. But Village directors are unwilling to spend more until the festival makes more and the festival, of course, won't make more until the directors spend more. A vicious circle.

Bartley Campbell's 1879

melodrama about evil deeds in the California gold fields, "My Partner," kicked things off this year. French's direction seems more ponderous than usual, in a tale of two partners in love with the same girl. One is falsely accused of murdering the other, who had gotten the girl in trouble. As usual, there's a hissable villain lurking around to be exposed before the hero can be hung.

Tobert Bryson is effective as a rascally politician and Kenneth Chomont has an occasional moment as the hero, but generally the cast, as usual, was disappointing.

"Hail, Scrawdyke" or "Little Malcolm and His Struggle Against the Eunuchs" opened the studio series of Wayne State University's Hilberry Classic Theatre summer festival. It isn't as bad as you'd expect from the title.

Scrawdyke is a malcontent, expelled from art

school, plotting with two followers to form a party to seize control of the country in the name of nothing except power for power's sake. The level of Scrawdyke's scheming is typified by his opening coup, a plot to kidnap the headmaster who expelled Scrawdyke and force him to destroy a to-be-stolen art masterpiece. In the end, Scrawdyke's friends have abandoned him as a sham but he is still unable to seize reality.

What saves this from total absurdity — and it comes close — is author David Halliwell's ability to richly fantasize the scenes of plotting, especially the rehearsal of the crime. The final act, however, destroys the play when Halliwell proves unable to satisfactorily knot things together.

Don Blakely — and it would be interesting to see what he could do with "My

Pardner" — copes magnificently and the plotters, Charles Richie, Gordon Mayer and especially Frederick LeParmentier in the title role, acquit themselves well. LeParmentier's performance is especially mature.

It would be totally redundant to inform anyone at this stage of the game that "Fiddler on the Roof" is a good show, an important show, a wonderful show, but it could be mentioned that the bus-and-truck company now at the Fisher, headed by Bob Carroll, is still enthusiastic and exciting despite the rigors of a long year of one-night stands and split weeks.

Carroll is a better singer than Zero Mostel or Mostel or Hershel Bernardi and is no slouch at interpreting the wandering Jew, heir to 2000 years of sorrows, for whom the security of a life of tradition in rural Russia is beset by the disintegration and uprooting of his family.

Fritzi Burr had too many hard edges and not enough soft middle as Golde, his wife, but Doreen Dunn, Mary Ann Chinn and Alexandra Stoddart were fine as the daughters.

When a city grows haphazardly, they call it urban sprawl. On this basis I am about to coin a phrase "cinematographic sprawl" to describe "The Hawaiians," a sequel to James Mitchener's "Hawaii," which covers the latter half of the 19th century and once again upholds the general principal against making sequels. The frightening thing is that there's still enough of the novel left for another film, although I don't want to give anyone ideas.

Unfortunately, this film leaves enough holes between the first two films to keep you guessing at a lot of things, like how Charlton Heston, the son of all those giants in "Hawaii," got so rich off a sailing ship. Meanwhile, the film haphazardly explores the creation of a Chinese dynasty from the union of a rugged prostitute and a leper, the nativization of Heston's wife, the exploitation of the populace and other jollies.

Onaway, A Tourist Haven Looks For Hospital Help

Onaway is a small northern Michigan town 38 miles southeast of the Mackinac Bridge. Thousands of lower Michigan tourists and campers go through Onaway each year and hundreds have been treated at Onaway's Russell Memorial Hospital as the result of a variety of vacation mishaps.

In what could be termed a return gesture, the people of Onaway are now asking for the support of all Michigan residents in their upcoming "Hospital Day."

Onaway citizens and the Russell Memorial Hospital Board are conducting a "Save Our Hospital" drive and Aug. 1 auction to keep a doctor and hospital in an area which covers nearly 500 square miles with a population of 8,000 people.

Feeling the pinch of inadequate medical attention which resulted in the loss of several lives, 20 years ago, a small group of residents organized, raised funds and built a small hospital and employed a full time doctor.

Onaway's Dr. Finch last year handled more than 14,000 office calls, plus emergencies, house calls and daily hospital patients. He has delivered over 14,000 babies and has had over 15,000 emergencies since he came to town.

As one their projects, the people of Onaway hope to get Dr. Finch as assistant.

But the major project the people are undertaking involves the maintenance of Russell Memorial Hospital.

New hospital laws are forcing the board of Russell Memorial to remodel the facilities in order to keep its maternity and hospital license. The approved remodeling plans are estimated at \$104,000 and must be completed within twenty-four months.

The Michigan Department of Health has agreed to continue Russell's maternity and hospital license on the basis that funds will be on deposit and available as soon as construction work starts.

So far, \$44,000 has been raised in cash and pledges for the Blue Cross, Medicare and Medicaid-approved hospital. No state or federal funds have been solicited by the hospital and it has been operated in the black for twenty years.

In order to raise the needed funds, the hospital board has scheduled an auction for 9 a.m. to 9 p.m. on Aug. 1. New, used, next to new, damaged and antique items of every type will be offered at the sale.

"We plan to make it the biggest auction ever held in Northern Michigan," Russell Memorial Hospital secretary Bob Lee said. "Our aim is to fill our two-block Maxon Park with saleable items."

The Onaway School Band will be present, local ladies will sell hot dogs and homemade candy, V.F.W. members will be selling beverages and our men will put on an ox roast," he said.

"Our goal is to have 10,000 people here with a resulting \$25,000 in pledges and cash by Aug. 1."

Additional information on the auction and shipping procedures can be obtained by calling (517) 733-8871, 733-4022 or the hospital, 733-6581.

STRAIGHTENING OUT THE MESS — Getting the track back in shape was most important in order to get trains moving again after a Chesapeake and Ohio derailment near Haggerty Rd. and Huron River Dr. in Van Buren Township.

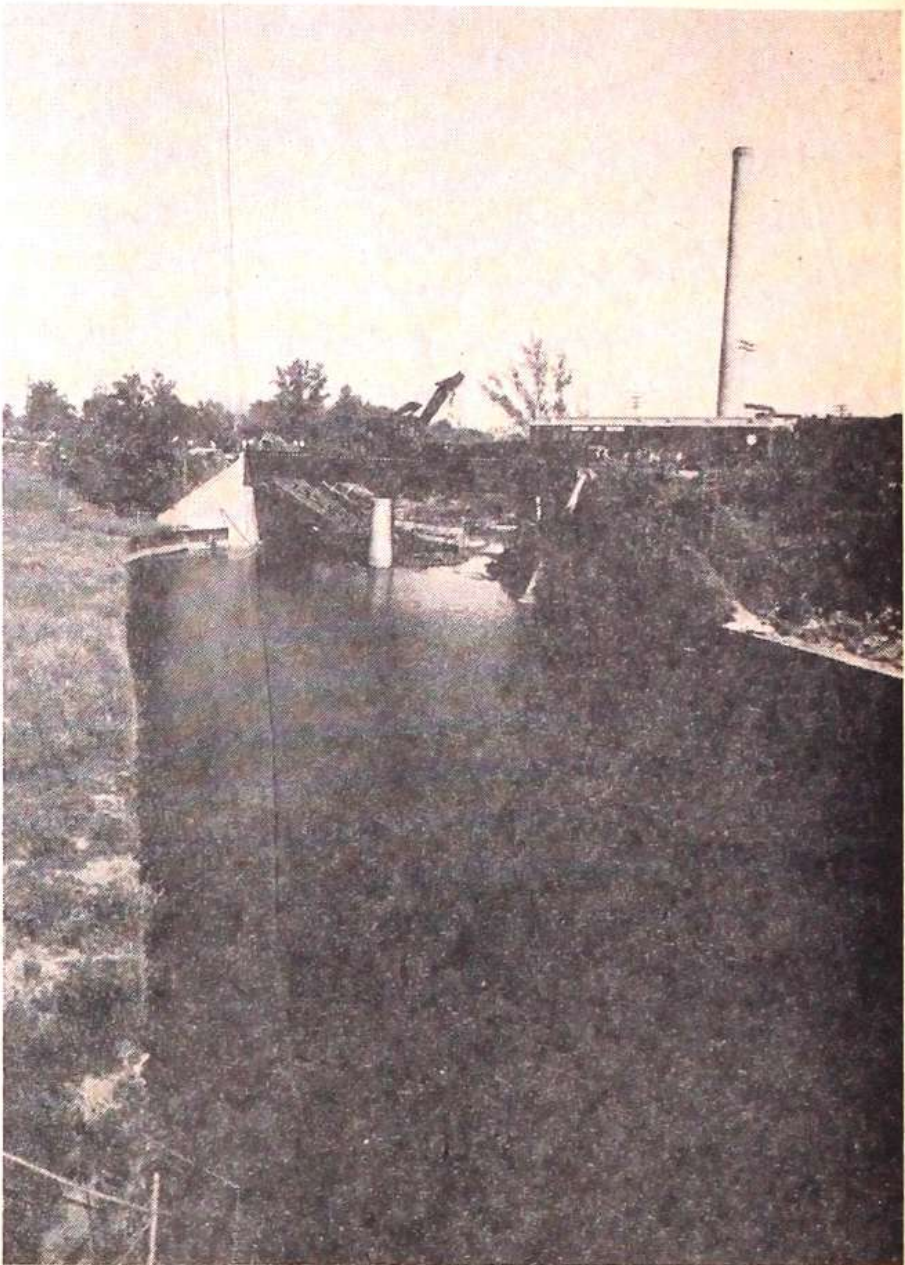

IN THE SOUP — A load of steel on this Chesapeake and Ohio car ended up in the drink at French Landing in Belleville Lake.

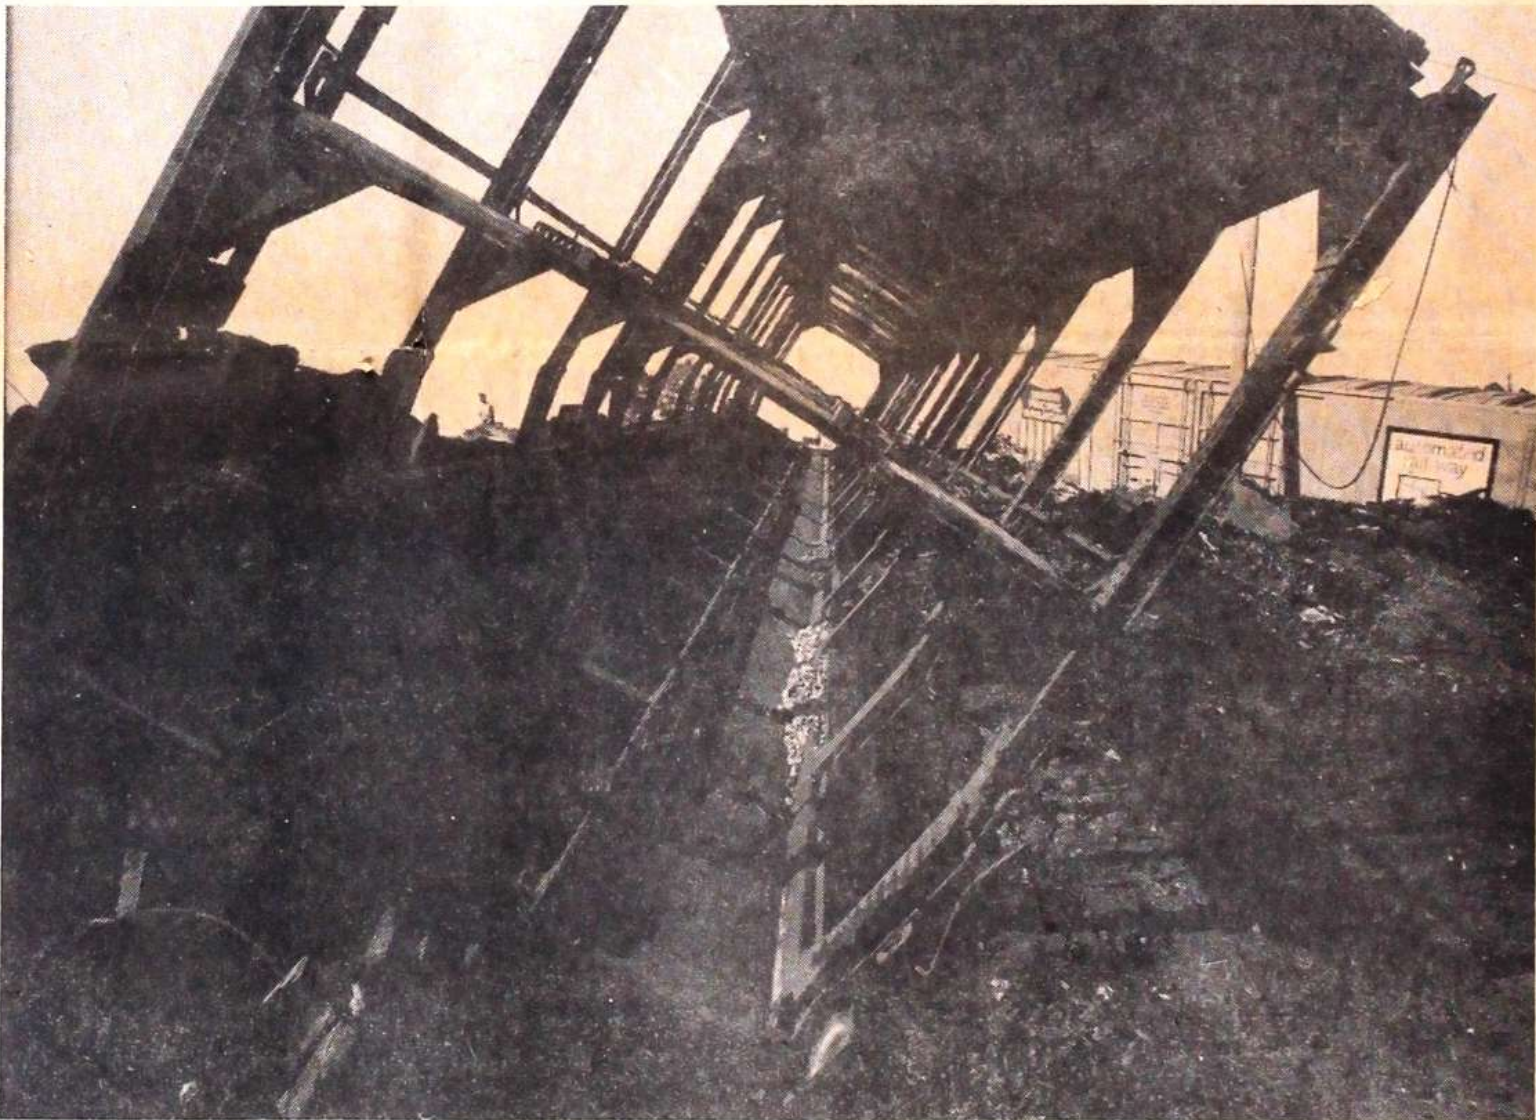

ALL WHEELS — The steel wheels of the train dug through the earth and ended in this twisted mass.

Patterns Pronounced In Twisted Steel

Photo Feature
By Lothar Konietzko,
Chief Photographer

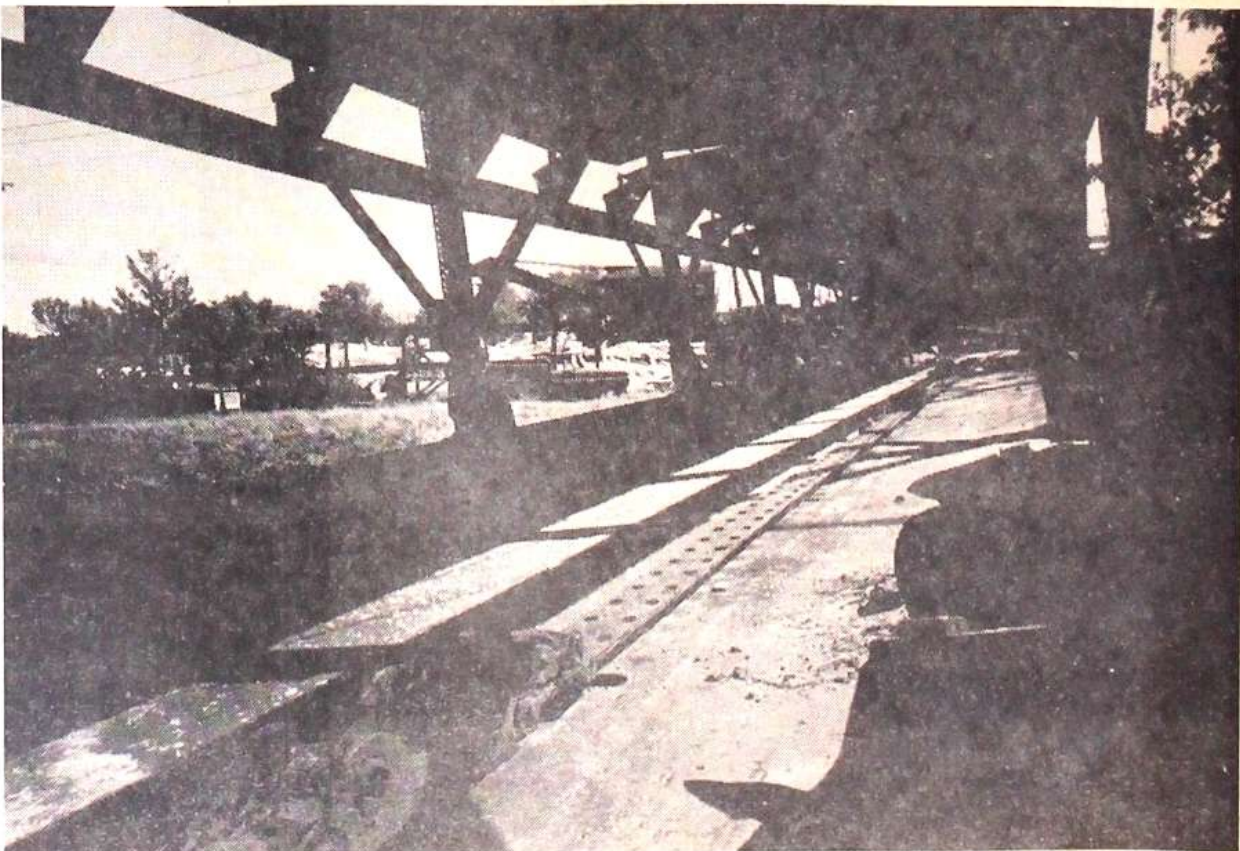

BLOCKING THE FLOW — Derailed cars nearly blocked the flow of Belleville Lake at French Landing. The crane is being used to hoist the cars from the water.

TILT — This overturned flat car creates a dizzying effect amid the wreckage of a Chesapeake and Ohio freight train near French Landing in Van Buren Township.

PLOP — French Landing was filled with the results of a Chesapeake and Ohio derailment in Van Buren township. The cars never made it across this trestle.

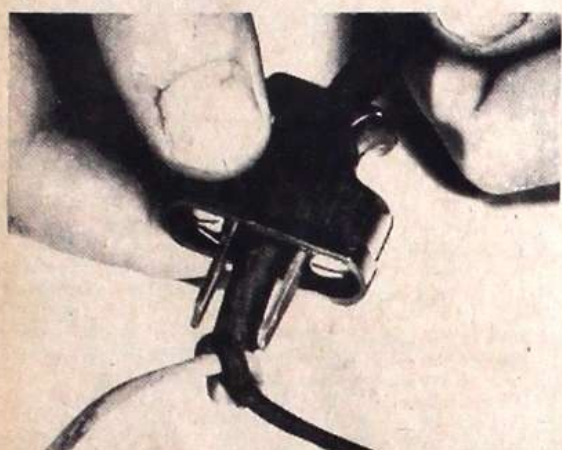

FRAMED CHAOS — An auto carrier car frames the clean-up operation going on in the background on the Chesapeake and Ohio railroad tracks, near Haggerty Rd. and Huron River Dr. in Van Buren Township.

Electrical Repairs Easy If You Follow Directions

UNDERWRITERS KNOT — takes strain off connections. To tie, loop white wire, run black wire through loop and around the end of the white, then run it back through the loop from the bottom.

PULL KNOT SNUG — It slides between the prongs and seats firmly in the bottom of the plug. Clip off excess wire and strip the insulation about one half inch off of the ends.

It is fairly easy to make electrical repairs in your home if you avoid major jobs. For any electrical project, remember these safety rules:

Always shut off current before you start a repair. Replace blown fuses with new ones of the same ampere rating, never place foil or pennies behind dead ones.

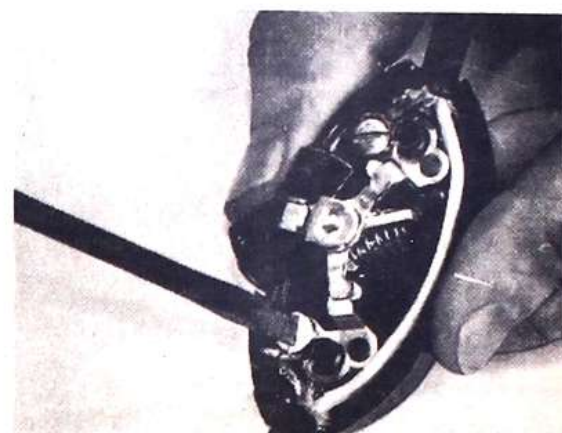

Be sure floor and hands are dry before you plug in the appliance or turn on the light, buy top-quality switches, wiring and outlets; those approved by Underwriter's Laboratory.

If you don't have the know-how, call an electrician. He has the equipment and

experience necessary to handle the job.

Only a few tools are necessary to complete most of the simple electrical repairs. They are a soldering iron, insulation tape, screwdriver, solder, pliers, wiring adequate for jobs and a pocketknife.

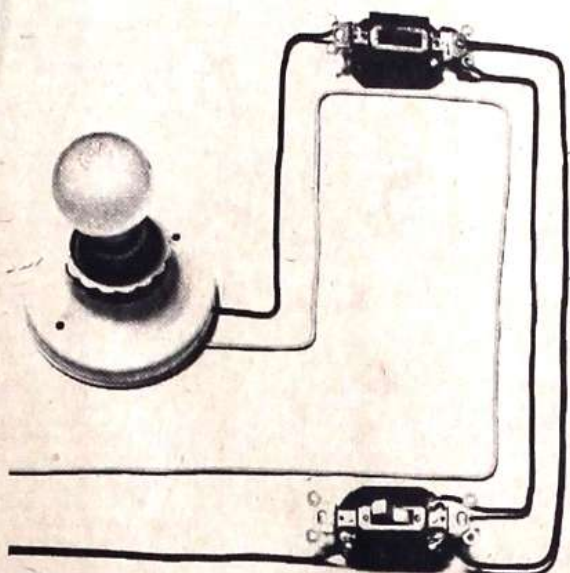

Another safety feature is the use of asbestos or cotton string wrapped around the insulation of appliance plugs. The wires go around poles of copper shoes which are the same as on the cord plugs. Remember to replace the spring stiffener before replacing the plug.

LINE SWITCH has bypass for one wire, other splits and connects to poles. You remove two tiny screws to expose working parts. To avoid splicing, use same wires that were connected to the old switch whenever possible.

LIGHT SOCKET slides apart when you press on the thin brass shell below cap. Thread wire through cap before you tie underwriter's knot, and twist wire you bared around poles.

THREE WAY SWITCH — operates on light from two points. White wire goes directly to fixture, black wire runs to both switches and the light. The middle wire connects the switches so light can be turned on and off from either of the two switch units.

TWIST WIRES around poles in direction screws turn. You can tip ends with solder to keep them from fraying.

Home Gardens Pay With Freshest Foods

A home garden is a symbol of achievement for many suburban and rural homeowners. Rows of productive vegetables, colorful flowers, and a table set with food "fresh from the

garden", are the fruits of the homeowners efforts.

All too often, though, the beauty of a garden disappears when a summer thunderstorm pours rain down on the bare soil, making gullies in sloping

land and leaving mud in low areas where the runoff water stands.

Whether you're planning to start a garden or already have one, you might ask yourself these questions. Does

rainwater from your neighbor's property drain onto your garden? Is your garden on a slope so that water rushes off and is lost to the plants, taking soil with it? Is your garden on steep slopes

where you want to plant perennials, shrubs, or azaleas? If your answer is yes to any of these questions, you should think seriously of planting your garden on the contour or perhaps building a terrace.

A contoured or terraced garden does not erode.

Because water is channeled across the slope instead of down, the soil absorbs more rainwater and is less susceptible to drought. Contouring not only controls erosion but distributes water evenly. This pays off in better yields and higher quality vegetables or flowers.

Area Students Win Ferris State Degrees

BIG RAPIDS — The following area students have won degrees and certificates from Ferris State College in recent graduation ceremonies:

Belleville: Robert E. Baldwin, 12044 Ryznar, general education; Gerald F. Kolodziej, 16555 Bak Rd., technical and applied arts, and Paul K. Smith, 240 W. Columbia, general education.

Inkster: Donald J. Lear,

264 Shadowlawn Dr., business; Michael G. Wilson, 30008 Parkwood, technical and applied arts.

Livonia: Thomas S. Barnes, 16801 Yorkshire Dr., general education; Anita T. Fettig, 14178 Levan Rd., health sciences and arts; Mark T. Greiner, 17170 Dolores, business, and Keith A. McNelly, 15906 Harrison, general education.

Plymouth: Robert M.

Curtis, 42644 Postiff, business.

Romulus: Anthony T. Fleszar, 30551 King Rd., teacher education.

Wayne: Mary L. Conlin, 35727 Park, health sciences and arts.

Westland: Janis A. Fogarty, 37708 Palmer, health sciences and arts; Paul A. Peplinski, 30826 Barrington, technical and

applied arts; Peter L. Yuhas, 8649 Alper, business; James E. Zanarini, 35700 Oakwood Lane, general education.

Wheelchair Team Wins

The Wayne State University Roadrunners, a Wheelchair Athletic Team, won the Michigan Wheelchair Games in 1970 for the fourth straight time.

Students Attend Orientation

Some 149 high school students who expect to enroll as freshmen at Eastern Michigan University in September attended one-day orientation programs on the campus last week.

During their visit, the students received individual and small group counseling and registered for the fall semester. A campus tour, an opportunity to meet other freshmen in residence hall surroundings and 24 hours to become acquainted with campus routines were other parts of the program.

A special parents' orientation was held twice daily. The parents heard talks by university personnel and had a chance to ask questions.

Attending from Wayne were Glenn Coffey, son of Arvel G. Coffey of 1771 Leslie; David R. Kiddy, son of Mr. and Mrs. Ronald Kiddy of 862 Dowling; Patsy Rae McCue, daughter of Mr. and Mrs. Richard McCue of 503 N. Hawthorn, and Bob Powell, son of Anthony Powell of 6579 Golfview.

Two students attending from Westland were Jim Nelson of 4543 Newberry and Debra Wilcox of 4137 Third.

Belleville students attending were Dennis J. Chie, son of James Chie Jr. of 45226 Jeanette; Marie Harris, daughter of Mr. and Mrs. Charles Harris of 43825 Willis Rd.; Mary Kennedy, daughter of Mr. and Mrs. Joseph B. Kennedy of 46732 Ayres

Western Wayne Obituaries

DELIMAPA, PETER JOHN, of 600 Sumpter Road, Belleville passed away July 9, 1970 at his residence. He was 79. He was born in Pennsylvania May 19, 1891. The son of Michael and Catharine Delimapa. He married Rose Styzemysky. He was a retired Millwright at Ford Motor Company; and a member of The Wm. Parrot No. 524 Masonic Lodge of Detroit. Surviving are his wife Rose; two daughters, Mrs. Dorothy LeCoeur of Belleville; Mrs. Rose Simonyi of Detroit; two sons Harold of Saline; George of Royal Oak; 11 grandchildren; nine great grandchildren; Three sisters, Mrs. Julia Bolt; Mrs. Sofia Pikulsky; Mrs. Agnes Wisnosky. He was preceded in death by one son, Edward. Funeral services were held Saturday July 11, 1970 1p.m.

at Roberts Bros. Funeral Home. Reverend Charles Dibley officiated. Interment was in Acacia Park, Birmingham, Michigan.

YOCICH, NED HOWARD, of 900 Savage Road, Belleville passed away July 6, 1970 in Romulus at the age of 19. He was born in Ypsilanti Michigan, May 1, 1951. He was employed at Ford Motor Company. Survived by his parents, Milton and Stella Yocich, both of Belleville. One sister Mrs. Diane (Robert) Pokrowski, one brother, Alexander M. Yocich, both of Belleville. Grandparents, Mr. and Mrs. Alex Yocich of Belleville and Mr. and Mrs. Howard Cody of Flint, Michigan. Graveside services were held by Reverend M.D. Mijatovich July 9, 1970 at

Hillside Cemetery. Interment Hillside Cemetery, Belleville Michigan.

RAKOTZ, RONALD DANIEL, 22, 35620 Ronald Street, Romulus, passed away July 5th, in Clare County. He was employed at Buffalo Tank, Romulus. He was affiliated with the St. Aloysius Catholic Church of Romulus. He played regularly with Walter's Men's Softball team. He is survived by his mother, Mrs. Ann Rakotz and six brothers: Melvin, Eugene, Ralph, Hubert, David, and Richard. Another brother, Leroy, passed away in 1956 at the age of 20. Funeral services were July 9, 1970, from Baum Funeral Home and St. Aloysius Church, Romulus. Reverend Joseph Kernosek officiated. Interment was in Michigan Memorial Park.

Handicap On Agenda

Detroit Race Course, Livonia, Michigan—One of the greatest arrays of fillies and mares ever named to a single race in Detroit Race Course history awaits Saturday's (July 11) fourth running of the richest race remaining on the track's 1970 schedule, the \$40,000-added Milette Handicap.

Miss Barbara Hunter's Pattee Canyon, with five victories this year, also looms as one of the top challengers

Holds Open Tennis Meet

The first annual Cranbrook open invitational tennis doubles tournament will be held at Cranbrook School on July 25 and 26.

Play among 16 of the

leading doubles teams in southeastern Michigan will begin each day at 10 a.m. at the Cranbrook School courts, located at 580 Lone Pine, Bloomfield Hills.

Do Want Ads work?

Do bankers like money?

The answer to both questions is an emphatic "yes!"

Bankers like money...it's the very base upon which their daily activities are centered, helping people from all walks of life and keeping our economy on the move.

And Want Ads work...also helping people from all walks of life...bringing buyer and seller together, and fulfilling many needs in our day-to-day existence.

If you have never used a Want Ad, you're missing one of the easiest of all "money-making" opportunities available to you.

You can place a fast-acting Want Ad for a very small investment by dialing 729-3300.

48-In Memoriam
WE MISS our son Jerry terribly. Watkins family. 34966 Richard, Wayne.

IN LOVING memory of our darling husband and Dad, Stephan W. Klepitz, who passed away one year ago July 12, 1969. You were taken away from us, only God knows why. God gave us strength and courage to bear the parting blow. But what it meant to give you up, no one will ever know. You true love for us is in our hearts. Sleep in heavenly peace darling. You'll never be forgotten. Sadly missed by your wife and children.

Brown Assails State On Tax Practices

WESTLAND-Thomas H. Brown, former mayor of Westland, and also a former Nankin Township supervisor has assailed state equalization tax practices in his most recent statement.

"I've been in public office as a township trustee, treasurer, supervisor and as a city mayor for a good part of

the time since 1961, and the inequities in the state taxation and equalization system that were there when I first went into office are still there," Brown says.

"It may be like trying to breach the lion in his den to seek to carry this issue to Lansing, but it is my observation that not many

legislators ever got there with any first hand experience as a chief administrator of a city, especially a new city in a metropolitan or suburban area.

"I don't have to tell the people in suburbia that they aren't getting a fair shake, they know it. But somebody has got to start telling and

convincing the majority of legislators, who come from big cities or rural areas that the state government can't continue its inequitable tax practices just for their benefit."

Brown went on, "We've heard talk about how school districts should receive an equal portion (per head) of tax money paid by commerce and industry, regardless of what school district it is located in. Well, I agree on that and I also feel that the same consideration should be made for municipalities.

"The state is now talking about income taxes to meet increased needs, but that's just an added tax, not a new different revenue, as far as I'm concerned.

"What we need in the suburbs, both school and municipal governments, is an

equitable share of the overall tax that is being paid by commerce and industry.

"Not every community can be home to a big industrial tax base, there aren't that many to go around, and I don't think they should have to be.

"But I'd like to see any big commercial firm or industrial firm get by on just the customers or just the laborers provided from within the area it pays its school and community taxes to.

"Not even Detroit could survive on that basis!"

Brown said that spreading around commercial and industrial taxes might not solve all the problems of the state "but it would be a step toward equity for all citizens and the emerging new cities in the suburbs certainly aren't getting that now. Even municipal funds received on the basis of population are re-apportioned only every ten years with the census, and are certainly no accurate measure of what is due."

"Times have changed to the point that population can grow or decrease by vast percentages in ten years, but since nothing is done about it, it generally means that a

city of decreasing population like Detroit continues to get monies that might rightfully belong to citizens who have moved to Westland, Wayne or Inkster.

Brown stated that he will be "speaking little, but they'll get the point" on the equalization issue to local voters in his campaign appearances.

"I think my record as an opponent of the equalization practice will speak for itself here," he observes. "But I expect to see some state attorneys do some loud talking in bill preparations on

this matter when I get to Lansing."

THOMAS H. BROWN

Four Year Program Planned To Widen I-94

LANSING — Highway officials unveiled a \$13 million four-year program for Washtenaw county which includes the widening of I-94 from U.S.-23 east to Ford Lake road.

It ended speculation which started when department land buyers bought 8.98 acres on either side of I-94.

A department spokesman said the 4.1 miles of freeway would be widened to three lanes in each direction. Three new bridges will be built at State, Saline and Harris roads.

He said the program includes building of restrooms and a parking area at a rest area on westbound I-94 west of Ypsilanti.

The first contracts will be awarded yet this year with the last ones to be given over to contractors in 1973.

The department said that Federal officials forced the state to close the Carpenter road ramps because it was too close to another interchange to meet Federal standards.

The property acquired by the state in Pittsfield township consists of two 63-foot wide tracts — one 2,960 feet long on the north side and the second 4,230 feet long on the south side of I-94.

It confirmed speculation by Raymond L. Koch, chairman of the county's Urban Transportation Committee and the county road commission that the land buying was for widening I-94 east into Wayne county.

The freeway now has two

lanes east and west, widening to three lanes in each direction after entering Wayne county.

Widening of the freeway in the area has been under consideration for the past two years.

Area Students Named To MSU Honors List

Six area residents were among 478 students who received a 4.0 grade point average (all-A's) for the spring term at Michigan State University.

The students were Debra L. Jones of 135 W. Columbia, Belleville; Donald C. Fry of 510 Lathers and Steven J. McNeil of 28944 Sheridan, both of Garden City; Marcia C. Wilson of 3245 Walnut, Inkster; Clarence Hasselbach of 39412 Van Born and Larry N. Wood of 37501 Whitney Dr., both of Wayne.

A total of 3,197 Michigan students were listed on the MSU honors list. To qualify for the honors list, a student must achieve at least a 3.5 (B plus) average for the term.

Students who qualified

from the Western Wayne County area are, according to city:

Belleville — Janet C. Borst of 40378 Alden; Nancy K. Corzine of 42833 E. Huron River Dr.; Richard R. Emerson of 140 Madelon; Bruce W. McLaren of 46570 to Willis Rd.; Gregory Z. Schroeder of 35 Clover Dr.; Joyce C. Smith of 45561 Harmony Lane; Wendy L. Squelch of 12651 Lake Pointe Pass and Greg M. White of 318 Brian St.
